LockDown Browser Instructions

This course requires the use of LockDown Browser for online exams and webcam. Watch this short video to get a basic understanding of LockDown Browser and the optional webcam feature (which may be required for some exams).

Then download and install LockDown Browser using this link:

https://www.utep.edu/technologysupport/_Files/docs/MM_Respondus-Student.pdf

To take an online test, start LockDown Browser and navigate to the exam. (You won't be able to access the exam with a standard web browser.) For additional details on using LockDown Browser, review Student Quick Start Guide (PDF)

Finally, when taking an online exam, follow these guidelines:
- Select a location where you won't be interrupted
- Before starting the test, know how much time is available for it, and that you've allotted sufficient time to complete it
- Turn off all mobile devices, phones, etc. and don't have them within reach
- Clear your area of all external materials — books, papers, other computers, or devices
- Remain at your desk or workstation for the duration of the test
- LockDown Browser will prevent you from accessing other websites or applications; you will be unable to exit the test until all questions are completed and submitted

Additional requirements

- the use of a webcam and having id while taking quiz
- you aren't allowed to utilize during exams any materials (notes, textbooks, websites, other electronic devices than the one which is used for exam with LockDown Browser)
- you aren't allowed to work with somebody else during taking the quiz test.
