Required Course Materials

Textbook: Spiceland, Nelson & Thomas, *Intermediate Accounting*, 10e, McGraw-Hill Education, 2020.
You must purchase Connect access through McGraw-Hill. You can purchase it here:

<https://connect.mheducation.com/class/esplin-acct3321>

or by logging onto the course Blackboard site and clicking on one of the homework assignments.

This will give you 18 months of access (which will cover Intermediate II as well). This provides an on-line version of the textbook as well as the homework and practice questions. A hard copy of the book is not required.

Websites:

- (1) Blackboard Webpage: Students should check Blackboard regularly throughout the course (multiple times per week). Blackboard announcements will be the primary form of communication to students. You may want to adjust your Blackboard notification settings. This video may help in adjusting your notification settings.
https://www.youtube.com/watch?time_continue=70&v=TAELZXiZBo4&feature=emb_logo
- (2) Connect Web Access: Weekly homework assignments will be completed using the McGraw-Hill Connect platform.

Technology Requirements:

- (1) Access to a computer with reliable internet access to complete and submit online homework assignments.

Calculator: Financial calculator capable of performing time value of money calculations (recommended).
Cell phones may not be used as calculators.

Technical Support:

- (1) UTEP tech support: <https://www.utep.edu/technologysupport/>. Students experiencing technological challenges (email, Blackboard, etc.) can submit a ticket to the UTEP Helpdesk for assistance. Contact the Helpdesk via phone, email, chat, website, or in person if on campus.
- (2) McGraw-Hill tech support: <https://www.mheducation.com/highered/contact.html>. Students experiencing technological challenges with McGraw-Hill Connect may contact their tech

support at 1-800-331-5094, at <https://mhedu.force.com/CXG/s/ContactUsWebForm>, or at <https://mhedu.force.com/CXG/s/ContactUs> (chat).

Pre-requisites

Completion of ACCT 2302 with a C or better.

Course Description

An in-depth study of financial accounting concepts, elements of financial statements, and preparation of financial reports.

Course Learning Objectives

After completing this course, you will be able to record, analyze, and interpret historical and prospective financial and non-financial information in accordance with U.S. GAAP.

Accommodations for Students with Disabilities

If you have or suspect a disability and need accommodations, you should contact the Center for Accommodations and Support Services (CASS) at 747-5148. You may also email the office at cass@utep.edu or visit the office in the Union Building East, Room 106. For additional information, please visit the CASS website at <http://sa.utep.edu/cass/>

COVID-19 Precaution Statement

If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. It is important to follow all instructions that you receive as part of the diagnosis, including isolation and staying at home until a negative test is produced.

If you experience COVID-19 symptoms, please follow the isolation protocol by staying at home and getting tested as soon as possible. If the test is negative but you are still seeking accommodations, please contact the Dean of Students Office for guidance in a timely manner. Your instructor will work with the Dean of Students Office to determine the extent of any such accommodations.

We strongly encourage you to think and act proactively in all matters related to COVID-19 and your academic endeavors. The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

Plagiarism and Cheating

You are encouraged to discuss homework assignments with other classmates. However, copying work from any source, including classmates, homework files, the Internet, etc. is not acceptable. **Submitting material that has been copied constitutes plagiarism and will be treated as cheating.** All students are expected to complete their own work and to abide by the Handbook of Operating Procedures available in the Office of the Dean of Students or online. All exams will be closed book and closed note and should reflect your individual efforts. No cell phones may be used during exams. You may not complete an attendance quiz for someone else, or turn in an attendance quiz if you are not present in class. **Any suspected cheating will be reported to the Office of Student Conduct and Conflict Resolution.**

Grades

Your final letter grade will be based on the following items (weighted as follows):

Exams:

Midterm Exam I:	Thursday, February 17 th (in class)	100 points
Midterm Exam II:	Tuesday, March 29 th (in class)	100 points
Final Exam:	Tuesday, May 10 th , 10 am to 12:45 pm	125 points

Assignments:

Connect Homework Assignments (Ten points each):	110 points
Case Write-up (Due Thursday, May 5 th before class)	15 points

Participation/Professionalism Activities:

Class participation/professionalism	25 points
<u>In-class attendance quizzes (Five points each, drop two)</u>	<u>30 points</u>
Total Possible Points	505 points

Grades are assigned using the following scale:

Grade Level	Achievement	Percentage of Points
A	Excellent	90.0 to 100.0%
B	Good	80.0 to 89.9%
C	Average	70.0 to 79.9%
D	Below Average but Passing	60.0 to 60.9%
F	Failure	< 60%

I reserve the right to relax these cut-off points depending upon class performance.

Exams (325 points)

If you have an unforeseeable legitimate emergency (e.g. serious illness or death in your family), please notify me as soon as possible (within 24 hours) and be ready to provide documentation detailing your emergency (e.g. a doctor's note). Otherwise, a "0" will be designated for any missed exam. For all exams, please bring your calculator, your student ID card and a blank Scantron sheet. All exams are closed book and closed note. Please note the final exam will be comprehensive.

Homework (110 points)

In general, homework assignments will review concepts from previous class lectures. **Homework will be due before the associated class period without exception (including absence) electronically via Connect.** Each homework assignment is worth ten points. Late assignments are accepted, however a late penalty of 5% per day late will be assessed. **You must press submit on Connect to turn in your homework (it will not automatically submit).**

Class Participation and Attendance (55 points)

You are expected to attend class and actively participate. Participation credit worth 25 points will be given based on the **quality and quantity** of your participation. All students start off with 17 participation points. The more you volunteer answers or ask questions, the higher your participation credit will be. Unprofessional behavior (such as unapproved cell phone use, texting, inappropriate discussions, and/or tardiness) may reduce your participation points. Please turn off cell phones during class to minimize disruptions. I will implement a seating chart on the second day of class to allow me to more easily track class participation.

Attendance is tracked through occasional attendance quizzes. Eight quizzes will be given throughout the semester. Each quiz is worth five points and your lowest two quiz scores will be dropped. You will receive at least 3 points on each quiz if you are present in class and take the quiz.

Case Write-up (15 points)

The case assignment is due before class on Thursday, May 5th. The assignment must be submitted through Blackboard. More information, including the case and case questions, will be provided in class.

Extra Credit (5 points)

There is only one opportunity for extra credit in this course. If at least 80% of all students enrolled in your section at the end of the semester complete the UTEP course evaluation for the class, each student will receive 5 points extra credit.

Course Calendar

The course calendar with a class-by-class description of course activities can be found below. It includes the topics to be covered each lecture, assignments, and all due dates. Be aware that I cannot predict the precise flow of the course and these dates may have to be adjusted slightly from time to time. Modifications to the schedule and changes in course requirements will be announced in class and/or through Blackboard.

I reserve the right to change any assignment if circumstances dictate. Students will be notified of any changes through an announcement in class and/or via Blackboard. You have the responsibility to be aware of such changes by checking Blackboard regularly and attending class.
