Otherwise, a "0" will be designated for any missed exam. For all exams, please bring your financial calculator and your student ID card. All exams are closed book and closed note. Information Sheet (10 Points)

To help me get to know my students, you are required to submit a one-page, pdf or word document with a headshot picture and some basic information. This assignment is to be turned in electronically on Blackboard. Additional information can be found on Blackboard.

Quizzes (90 points)

Timed, online quizzes will be assigned via the Connect website for each chapter. You will have one attempt for each quiz. All quizzes will be worth ten points each. I will drop one quiz score during the semester. Quizzes are open book and open note, but should reflect your individual effort. No make-up quizzes will be given – please plan accordingly.

Homework (40 points)

Homework will be due before most class periods. In general, homework assignments will either preview upcoming material or review concepts from previous class lectures. **Homework will be due before the associated class period without exception (including absence) electronically via Connect.** I will generally review important homework problems and answer questions during each class period. I suggest printing a copy of your homework assignment for your notes. Each homework problem assignment is worth four points.

You are expected to attempt **all** parts of every assigned homework problem. To receive full credit, you must show sufficient effort in completing the assignment as judged by me or my teaching assistant. You will not be graded on accuracy (correctness), but on **effort**.

Class Participation (60 points)

You are expected to attend class and actively participate. Participation credit will be given based on the **quality and quantity** of your participation. Generally, the more you volunteer answers or ask questions, the higher your participation credit will be. Unprofessional behavior (such as unapproved cell phone use, texting, inappropriate discussions, and/or tardiness) will reduce your participation points. Please turn off cell phones during class to minimize disruptions.

Course Calendar

The course calendar with a class-by-class description of course activities can be found on Blackboard. It includes the topics to be covered each lecture, assignments, and all due dates. Be aware that I cannot predict the precise flow of the course and these dates may have to be adjusted slightly from time to time. Modifications to the schedule and changes in course requirements will be announced in class and/or through Blackboard. Please check the assignment schedule weekly on Blackboard.

I reserve the right to change any assignment if circumstances dictate. Students will be notified of such changes through an announcement in class and/or via Blackboard. You have the responsibility to be aware of such changes by checking Blackboard regularly and attending class.
