Food insecurity, mental health, and access to support services
There are a variety of support services on campus that can help you navigate different challenges and obstacles you may be facing while managing your doctoral studies. The UTEP Food Pantry is available to help students meet their basic food needs, as well as needs for personal hygiene items and access to additional support programs for students and their families. It is located at Memorial Gym Room 105, hours and more information posted online at https://www.utep.edu/student-affairs/foodpantry/. The office of Counseling and Psychological Services offers FREE mental health counseling, crisis counseling, and many workshops on wellness topics—all of which are free to UTEP students. Their hours and services are posted online at https://www.utep.edu/student-affairs/counsel/resources/services-students.html. Additional support services
and resources are listed at https://www.utep.edu/student-affairs/resources/index.html. If you are facing an obstacle to your learning, I encourage you to check out these resources or let me know and I will be happy to help you find the supports you need.

**Different abilities**
If you have or believe you have a disability, you may wish to self-identify. You can do so by providing documentation to the Office of disabled Student Services located in Union E Room 203. Students who have been designated as disabled must reactivate their standing with the Office of Disabled Student Services on a yearly basis. Failure to report to this office will place a student on the inactive list and nullify benefits received. If you have a condition which may affect your ability to exit safely from the premises in an emergency or which may cause an emergency during class, you are encouraged to discuss this in confidence with the instructor and/or the director of Disabled Student Services. You may call 747-5148 for general information about the Americans with Disabilities Act (ADA).

**Academic integrity**
The University of Texas at El Paso prides itself on its standards of academic excellence. In all matters of intellectual pursuit, UTEP faculty and students must strive to achieve based on the quality of work produced by their individual. In the classroom and in all other academic activities, students are expected to uphold the highest standards of academic integrity. Any form of scholastic dishonesty is an affront to the pursuit of knowledge and jeopardizes the quality of the degree awarded to all graduates of UTEP. It is imperative, therefore, that all faculty insist on adherence to these standards.

Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are not attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. Proven violations of the detailed regulations, as printed in the Handbook of Operating Procedures (HOP) and available in the Office of the Dean of Students, may result in sanctions ranging from disciplinary probation, to failing grades on the work in question, to failing grades in the course, to suspension or dismissal among others. Refer to http://www.utep.edu/dos/acadintg.htm for further information.
