Course Description
ARTG 3326 Graphic Design 4: Typography -This course provides basic information regarding various technical problems faced by the graphic designer in terms of typography and page layout. It is a further investigation of effective visual communication with emphasis on typographic problems, such as typography/letter form, symbol design, setting body copy, and headline types; combining type with symbol and layout of the page. The Blackboard course style can be described as a studio design, lectures and outside-class work time. This course will require significant additional work time outside of class. Students should anticipate spending at least 6 hours in class per week and an additional 6 hours outside of class per week to satisfactorily complete this class. This course will utilize and reiterate concepts and terminology previously covered in ARTG 3306 Graphic Design 3 and Foundation Design course work.

Course Prerequisite Information
Students taking ARTG 3326 Graphic Design 4: Typography are required to have a foundation understanding of the Elements of Design, the Principals of Composition, Style, and Content. Additionally, students must have developed fundamental drawing skills and a survey base knowledge of Art History. These skills and knowledge sets are provided through the Department of Art's foundation course sequence including: required prerequisites ARTG 1306, ARTG 2306, ARTG 3316, ART 1301, ART 1302, ART 1303, and suggested completion of ART 1304, ARTH 1305 and ARTH 1306. Student's seeking a prerequisite waiver must contact the instructor.

Course Goals and Objectives
Goals and objectives targeted in ARTG 3326 Graphic Design 4: Typography include:

- Execute several projects (catalog—with a focus on typography and setting large amounts of copy, a poster, logo, etc.)
- Plan a project from beginning (research) to middle (participation in critiques) to end stages (craftsmanship & execution)
- Utilize the knowledge you have gained in previous classes in terms of design principles (like hierarchy, scale, etc.) in order to create designs that are clear and useful to an audience and fulfill a need for a client or purpose / goal you want to achieve.

Course Outcomes
Students who complete this course will have:

- Experience and fundamental competency in planning and designing catalogs and brochures for a diverse group of clients.

*Note: Competency is defined, for this course, as a developed understanding and mastery of skills and knowledge needed to complete a task to a successful beginning level. Competency can be demonstrated while designing a project, researching, etc. Competency is a measure of how well you understand and use a process or skill.

Confidence is defined as a student's willingness and self-trust in their own abilities to use the skills and processes learned during this course. Confidence is the element of each student's progress that allows the student to know when help is needed and when it is not. Confidence is built throughout the semester and is demonstrated by the way that a student develops skills or competencies and their willingness to utilize these new skills. Once the student has worked with the process and starts to understand its abilities and procedures the timid feelings are replaced with a sense of control and excitement for the potential of the process as a path for creation.

Assignments
ARTG 3326 Graphic Design 4: Typography is designed around 4 central projects that include:

- Assignment 1 Technical Assignment to learn the features of the page layout program Adobe InDesign
- Assignment 2 History of Design Museum Catalog. Students are required to heavily research a topic in the history of graphic design and apply that research to the task of designing a fictitious museum catalog, utilizing InDesign and a grid displaying competency laying out body copy + imagery in an organized and artful way.
- Assignment 3 A poster project. Poster topic is at the discretion of the instructor (for a UTEP entity or another topic in the history of graphic design)
- Assignment 4 TBA each semester, may be designing a logo (this may include several elements applying the logo to create a unified campaign), for a real-world client.

Each assignment will be introduced via a presentation by the instructor and a detailed assignment sheet. Each of the 4 assignments must be submitted in a completed condition at the time of the project grading critique. Grades established for these 4 primary project assignments will constitute 60% of the final course grade.
Grading Standards and Criteria

Evaluation of student performance for this course is based upon the following criteria:

- All grades are calculated using percentages and converted into letter grades according to the following scale:
  - 90% & above = A - excellent quality work
  - 80% & below 90% = B - above average work
  - 70% & below 80% = C - average work
  - 60% & below 70% = D - below average work
  - Below 60% = F - unsatisfactory work, failing

Specifically you will be evaluated upon:

- Quality of final work
- Impeccable craftsmanship (includes correct file preparation and formatting for Blackboard class and final presentations)
- Creative concepts / thinking
- Deadlines met in all stages of projects from first sketches through finals
- Attendance and punctuality
- Participation in critiques

Assignments will be given due dates for completion and grades will be given for each assigned task. Late work is not accepted. Improvement in technique and concept is expected along with a high degree of craftsmanship and professionalism.

A signifies that the student has submitted work of the highest possible quality in both concept and execution, has met deadlines throughout the class, has arrived on time (and not left early), and missed no more than 2 classes, and participated in critiques.

B signifies that the student has submitted work of good quality overall or that the student, though excellent in one area, is somewhat weak in another, such as execution. Deadlines, attendance and punctuality, and participation in critiques will also influence this grade.

C signifies that the student has submitted work of average quality overall or that the student, though good or excellent in one area, is significantly weak in another, such as execution. Deadlines, attendance and punctuality, and participation in critiques will also influence this grade.

D signifies that the student has submitted all of the assignments with work of below average or poor quality overall and/or has missed deadlines, missed or was late 3-4 classes, came to class without work, did not show progress and/or desire to improve.

F signifies that the student has failed the course for reasons outlined above.

For your final review you must bring your final, completed projects along with all your sketches. Failure to show up for your review will result in a failing grade. If you wish to know your grade standing at mid-semester (after the sixth class week) please let me know. Be prepared to show all of the work you have submitted for class up to that point in time, including sketches.

Attendance and Participation
Attendance, punctuality, participation and appropriate class conduct are considered performance criteria for this class. Failure to perform to required standards will result in strong grade penalties and can cause failure of this course.

Attendance Policy
Each student is permitted 3 absences during the semester without penalty. Students with more than 3 class absences should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course. Your regular attendance is required and roll will be taken each class period. It is important that you attend each class and on occasion, bring materials to class with which to work. Ideas discussed in lectures, demonstrations, slides, and critiques are impossible to make up. Students are encouraged to stay and work after class. Grades will be lowered by excessive absences.

- Late to class (arriving after the roll is taken) constitutes one half of an absence. That is, 2 tardys = 1 absence.
- 4 absences = 1 grade lower (i.e. with 4 absences an A becomes B, D becomes F, etc.). That is, each unexcused absence after 3 will result in the final course grade being lowered 1 full letter grade. Absences after the first 3 can be excused only if the first 3 absences are excused.
- Five absences will automatically result in a final grade of “F” regardless of the quality of the work and you will be dropped from the class. If you miss five or more classes you may be withdrawn from the course.
- Not presenting work or participating on a critique day = 1 absence.
- Excused absences are defined as documented illness or serious illness or death in the immediate family.
- Coming to class late or leaving class early is regarded and graded as being absent. All students are required to attend class on-time and to remain in class the entire time. Entering class late and leaving early is disruptive to the learning environment.
- Coming to class unprepared or attending class and not working is regarded as absent.
- Information missed during an absence is the sole responsibility of the student.
- DON’T FALL BEHIND AND IF YOU FEEL LIKE YOU ARE, TALK TO ME. If you begin to fall behind at any point during the semester, come see me immediately. Do not wait until the final review to inform me of any problems you may be having.

Course Participation
- SHARE YOUR OPINIONS, DON’TBE SHY
- Participation in critiques is required for this course and will count favorably in your grade. However, participation in critiques will not help the grade of anyone who is not attending all classes and not showing work of an acceptable standard.
- Development and execution of class projects must be done utilizing all class meetings. Projects executed solely out of class will not be accepted.
- Participation in the collaborative group environment of the graphic design studio (aka, this class) is essential to the successful completion of this course.

Class Conduct
- CELL PHONES OFF, OR (for classes held in computer lab) NO CHECKING FACEBOOK, INSTA, EMAIL OR CASUAL SURFING DURING BLACKBOARD CLASS
- If you absolutely need a cell phone for an emergency just leave the ringer off. Texting and surfing distract you from class.
- Any questions regarding safe and reasonable behavior and practices should be directed to the instructor and only the instructor.
- Participation in critiques is required for this course and will count favorably in your grade. However, participation in critiques will not help the grade of anyone who is not attending all classes and not showing work of an acceptable standard.
- Development and execution of class projects must be done utilizing all class meetings. Projects executed solely out of class will not be accepted.
- Participation in the collaborative group environment of the graphic design studio (aka, this class) is essential to the successful completion of this course.

Late assignments, Make-up Work and Exams
Late assignments, make-up work and make-up exams are only afforded in the case of excused absences by arrangement and approval of the instructor.

Incomplete s, Withdrawals, Pass/Fail
- Incompletes or "I" grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All "I" grades are at the discretion of the instructor and the approval of the Department chair.
- Students hold the full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a W. Students missing this deadline will be issued a grade for the performance in the course.
- ARTG 3326 Graphic Design 4: Typography is a grade-based course and is not available for audit or pass/fail options.

Cheating/Plagiarism
Cheating is unethical and not acceptable. Plagiarism is using information or original wording in a paper without giving credit to the source of that information or wording: it is also not acceptable. FOR PURPOSES OF THIS GRAPHIC DESIGN CLASS, ACADEMIC DISHONESTY INCLUDES TAKING OR TRACING IMAGES, IDEAS OR DESIGNSFROM THE INTERNET OR OTHER DESIGNERS AND CLAIMING THEM TO BE YOUR OWN WORK. Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy. Refer to https://www.utep.edu/student-affairs/osccr/student-conduct/academic-integrity.html for further information.

Disabilities
I will make any reasonable accommodations for students with limitations due to disabilities, including learning disabilities. Please see me personally before or after class in the first two weeks or make an appointment, to discuss any special needs you might have. If you have a documented disability and require specific accommodations, please contact The Center for Accommodations and Support Services (CASS) in the East Union Bldg., Room 106 within the first two weeks of classes. The Center for Accommodations and Support Services can also be reached in the following ways:

If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

All faculty, staff and students are required to STAY HOME if they:
(1) test positive COVID-19,
(2) are experiencing symptoms related to COVID-19, or
(3) were exposed to any individual who tested positive for COVID-19 within the last two weeks.

The CDC defines an “exposed person” as anyone who has had close contact (less than 6 feet for 15 minutes or more) with someone who has tested positive for COVID-19. The close contact with a COVID-19 positive individual must also have occurred within a specific window: 2 days before the COVID-19 positive individual’s first positive test and until that same individual meets the criteria for discontinuing home isolation.

When Faculty, Staff and Students Must Self-Report

All faculty, staff and students must REPORT if they:
(1) test positive COVID-19,
(2) are experiencing symptoms related to COVID-19, or
(3) were exposed to any individual who tested positive for COVID-19 within the last two weeks.

VENUE: For the Fall 2021 semester, this course is scheduled to meet in person in the designated lab and studio spaces. Please note that if circumstances change, alternative meeting accommodations may be arranged, pending further notice.

COVID PRECAUTIONS: During the current pandemic situation, protective face coverings are strongly recommended. You are encouraged to wear a face covering at all times while on campus, especially indoors and during class. Masks should fit securely over the mouth and nose. You are also encouraged to wash your hands frequently, or use a hand sanitizer. Hand sanitizer stations are available throughout Fox Fine Arts, and sanitizer is always available in the Graphic Design Lab lobby. When using the computer lab, wipe down the keyboard before and after use. Cleaning materials will be available in the lab. When using the computer lab in class or during lab hours, wipe down your personal work areas before and after use. Wash your hands frequently when using common materials and equipment like the printer buttons, computer mice, pens, etc. Use common sense. Do not touch your face eyes or mouth, especially after contact with common use materials and equipment.

Do not come to class if you are ill. Seek medical attention and stay home. This policy applies to any contagious illness including Covid and seasonal flu. Be aware that Information missed during an absence is the sole responsibility of the student. It is the student’s responsibility to stay current with missed work and assignments, and to stay in contact with the instructor regarding health status, recovery, and anticipated return to class. Use your UTEP email account to stay in contact. For complete attendance policy, see Attendance and Participation on previous page.

The UTEP Provost Office has also provided the following COVID-19 Precaution Statement:
Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. Syllabus Statement Regarding COVID-19 Accommodations:
Students who use the screening application to report a positive COVID test, exposure or symptoms will not be allowed on campus and may need accommodations. If this occurs, you should contact your instructor as soon as possible so necessary accommodations can be made. If necessary please contact the Dean of Students’ Office and the Center for Accommodation and Support Services (CASS), to help provide reasonable accommodations.

Compliance
Because everyone’s cooperation is needed to help prevent the spread of disease, repeated refusal to comply with this policy will be referred to the appropriate University official (Provost for faculty, Human Resources for staff, and Dean of Students for students) and may result in disciplinary action.

I highly encourage mask-wearing, getting vaccinated, and following the CDC guidelines. If you have any symptoms or feel sick—stay home. YOU ARE responsible to communicate with me and stay current with course material. The Department of Art will return to bleach and sanitizer provision protocols. USE THEM in the classrooms and labs. Stay 6 feet apart STILL.

BASICALLY...

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations.

If sick, I want you to remain at home until you can be sure of health risk. I will watch my attendance policy so that sick students are not made to feel that they have to attend class if sick. I will work to help sick students maintain course work as I can. I can only do this if students act in an honest and responsible way and contact me via email / stay in touch if they need to leave for health risk.

If you have tested positive for COVID-19, you are encouraged to report your results to: covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

ASSIGNMENT 1a, b, & c: LEARNING INDESIGN: 3 EXERCISES THAT’LL HELP

Acquiring a mastery of the page layout program InDesign takes the same dedication and time as learning anything else, (remember when you couldn’t use the pen tool in Illustrator?!), but with patience and perseverance, you’ll soon be a pro. These exercises are meant to help you get your InDesign feet wet and discover all the amazing InDesign features you need to know in order to lay out a page for a client—be it for a brochure, a trifold, a catalog, etc. That’s right, you would never use a program like Illustrator to lay out a 50-page book, as InDesign was made especially for that purpose. InDesign also gives you the most features and options for working with typography. After you become more familiar with it, you’ll probably find more uses for InDesign than you didn’t even know existed before. In-Lab class lectures are extremely important in order to complete these assignments, DO NOT MISS CLASS AND BE SURE TO TAKE CLEAR NOTES AND ASK QUESTIONS!

Assignment 1a: Wedding Invitation

ALL three files will be named in the following manner:
yourlastname_wedding.indd
yourlastname_gettysburg.indd
yourlastname_proofer.indd
(If someone else in the class has the same last name as you, please also include your first initial— i.e. LopezK_wedding.indd)

THEN, you will ZIP the three files together, so you will only be attaching ONE FILE—the zipped file—to your email.
TITLE THE FILE: <YOURLASTNAME>.ZIP

The 3 InDesign files need to be e-mailed to me before class begins on August 31 to be considered ON-TIME.”” I will see the email time stamp telling me if it was sent on time or late. Grade is reduced for late work.

PLEASE, PLEASE, PLEASE pay attention when you are attaching files to e-mail to me (and to clients when you are out in the job world). Send the correct files the first time. Don't drive me nuts re-sending corrected files two, three or four times. Yes, students have actually done this in the past.

Assignment 1a: Wedding Invitation
The Gettysburg Address
Abraham Lincoln Nov. 19, 1863

Fourscore and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation or any nation so conceived and so dedicated can long endure. We are met on a great battlefield of that war. We have come to dedicate a portion of that field as a final resting-place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

But in a larger sense, we cannot dedicate, we cannot consecrate, we cannot hallow this ground. The brave men, living and dead who struggled here have consecrated it far above our poor power to add or detract. The world will little note nor long remember what we say here, but it can never forget what they did here. It is for us the living rather to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us—that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion—that we here highly resolve that these dead shall not have died in vain, that this nation under God shall have a new birth of freedom, and that government of the people, by the people, for the people shall not perish from the earth.
Choosing Portfolio Pieces

It goes without saying, that all the pieces in your book should be strong. If you have pieces that demonstrate your range of abilities, it is a good starting number. Your first piece should knock their socks off! And the last piece should also leave a great impression.

Choose pieces that are excellent examples of design, use of color and type, and technique. Do not include a poorly-designed piece because of its sentimental value. For instance, don’t include your first feeble attempt at a contour drawing from high school, even if you received a grade of A. Poor pieces dilute the impact of an otherwise strong book.
