## Instructor Introduction

Professor Perry has a long-standing passion for the visual arts. She studied art history at the University of New Mexico, where she received her M. A. in Pre-Columbian art. She has taught a variety of art history courses and Art Appreciation at the University of Nebraska-Lincoln and here at UTEP. She and her husband and daughter (whom you will see from time to time in slide lectures) have lived in El Paso for many years.

## Course Description

This course is an introduction to the visual arts, and will cover basic concepts, terminology and styles in a manner intended to accommodate a variety of learning styles. Students will be exposed to several historical western and non-western cultural styles of art in a variety of media, including architecture. Prior to the art historical study of these styles students will devote several weeks to the study of the fundamental concepts and terminology of art, as well as methods of making and issues surrounding the creation of art. Although frequently used to fulfill freshman core requirements, Art Appreciation is geared to students at all levels, from all academic disciplines. Students need not have had any prior experience in art to succeed in this class, and **there are no pre-requisites for enrollment**. However, attendance at all lectures and thorough note taking are fundamental to your understanding of the material presented in this course.

## Course Format

Course material will be presented in a lecture format, utilizing visual support in the form of digitized images of artworks and videos. Additional content material, including chapter reviews and Powerpoint reviews of specific works for the final exam, will be available in Blackboard, in the Content section. This is a technology- enhanced course, and will require the completion of web-based assignments at home or in computer labs on campus.

## Course Learning Outcomes

Upon successful completion of this course students will:

- demonstrate basic competency in the formal analysis of art objects and will understand the concepts and terminology of art
- demonstrate a basic understanding of the nature of art, the issues surrounding the creation of art and the ways in which art objects and monuments reflect their respective temporal and cultural contexts
- be able to apply learned skills of observation and build confidence in their own ability to objectively assess works of art, paving the way for a lifelong appreciation/support of the arts
- have an awareness of some of the major monuments of western and non-western art and the significance of individual, cultural and historical styles, and will demonstrate the ability to describe, analyze, and otherwise engage works of art within a global context
- demonstrate teamwork skills through the completion of a visit to the Rubin Center

## Course Requirements

### **Exams (3) 75% of the course grade**

There will be three objective exams given in this course, which may include image identifications, multiple choice, true/false, or matching type questions. The first portion of each exam consists of timed questions that require viewing of images; for this reason it is absolutely imperative that everyone be on time for every exam. Tentative dates for the first two examinations appear in the following course calendar. Any changes regarding these dates will be announced in class well in advance of the actual test date(s). The non-cumulative final exam is scheduled for Friday, May 12<sup>th</sup>. Students with last names beginning with the letters A-L will take the final exam @ 10:00 am; M-Z will take the exam @ 11:30 am. **Makeups will not be given for the final exam. Everyone will take the final on the scheduled day and time. NO EXCEPTIONS.**

### **Quizzes (5) 25% of the course grade**

Students are advised that regular attendance at lectures is essential to their success in this course. Quizzes will assess student engagement and comprehension of lecture material and will require the student to utilize information learned in lectures to analyze visual material and respond critically to prompts provided by the instructor. **The dates of these quizzes appear in the course schedule; do not schedule appointments or outside activities on these days. If you have appointments on any quiz days, reschedule them now. Quizzes cannot be made up!!**

### **Rubin Center Visit**

Students will be divided up into groups that will tour the Rubin Center for Visual Arts. With their student guide, they will engage the current exhibitions through active inquiry and discussion. Attendance is mandatory.

## Blackboard

Some course content and all required images will be delivered via Blackboard. To access Blackboard: **Go to <https://my.utep.edu> and log in**

Once you are in the **My.Utep** space, you can find the link to Blackboard near the top of the webpage. Click on the **BLACKBOARD** link. All of your courses will appear on the Blackboard homepage. Click on ours to enter. Check Blackboard periodically for announcements or messages from your instructor, to review your syllabus, and to complete homework/review assignments.

**Review material** consists of Powerpoint presentations located in the Course Content section. Reviews for exam 1 (chapters 2-4) and exam 2 (chapters 5, 6, 7, 9 & 10) are available by textbook chapter number. A review of Architecture and images of artworks that must be memorized for the final exam (chapters 11, 13 & 14, 16) are listed on the review included in this syllabus and are available by chapter number; they can be downloaded or printed. Flashcards can be created from thumbnail-sized printed images of these required works; they are an especially effective means of preparing for the final exam.

## **Grading Standards and Criteria**

Evaluation of student performance for this course is done in the following manner: all grades are calculated using percentages and converted into letter grades according to the following scale:

<b>90% &amp; above</b>	=	<b>A</b>	-	excellent
<b>80% &amp; below 90%</b>	=	<b>B</b>	-	above average
<b>70% &amp; below 80%</b>	=	<b>C</b>	-	average
<b>60% &amp; below 70%</b>	=	<b>D</b>	-	below average, not passing
<b>Below 60%</b>	=	<b>F</b>	-	unsatisfactory, failing

**IMPORTANT NOTE:** Students who do not earn a final average of at least 70% (C) will not pass this course and will be required to repeat it. See me (bring your lecture notes) during office hours---WELL BEFORE THE SEMESTER ENDS--- if you are concerned about your grade in this course. I do not offer extra credit for this course.

# **Course Policies**

## **Attendance Policy**

A substantial portion of the material presented in lectures is not duplicated in your text, therefore your presence and full attention is required at every class meeting. Attendance will be taken at my discretion. An attendance sheet will circulate throughout the classroom. Make sure that you sign it. More than 3 absences will result in your final grade being lowered by 5 percentage points. More than 7 absences may result in your being dropped from this class.

Students who arrive late or leave early or do not appear to be actively engaged in the lecture may be recorded as absent. Students who cannot commit to consistent, punctual and active attendance should take the class at another time.

All students are required to attend class on time and to remain in class the entire time. Moving about the room during the lecture is very disruptive; please be considerate of fellow students and the instructor.

Information missed during an absence is the sole responsibility of the student. Ask a classmate about the material you missed and borrow his or her lecture notes.

## **Classroom Etiquette:**

Cell phone use, including text messaging, is not allowed in this class. Computer use during class time is prohibited unless requested through CASS (Center for Accommodations and Support Services). **Food and beverages are not allowed in this classroom. Do not bring these items with you to class.**

All students are required to take notes during the lecture, as artworks and ideas not available in the text will be discussed. Behaviors that disrupt any student's ability to remain attentive and take notes or impair the instructor's ability to deliver the lecture (such as persistent chatting with others or late arrival or early departure) are unacceptable, and could result in an inquiry conducted through the Office of Student Conflict and Resolution.

### **Exam/Quiz Etiquette:**

The following policy for conduct during exams and quizzes will be rigorously enforced. Non-compliance could result in an inquiry conducted through the Office of Student Life.

- Be in your seat, student ID in hand, ready to begin on time.
- No talking or communicating in any manner with another person during the quiz/exam. No phones. No texting. No iPods. No iPads.
- Do not refer to study materials during the quiz/exam.
- Do not look at another student's quiz/exam.
- Do not leave the room during the quiz/exam, unless you have finished and have given your test to the instructor.

### **Policy for Make-ups**

- 1) Make-up exams are only granted when in accordance with the criteria stated below and by arrangement and approval of the instructor. Makeups for the first two exams will be given during the scheduled final exam time; they may or may not follow the objective format used for regularly scheduled exams. **No makeups will be given for the final exam.** A student making a request for a makeup exam must meet one of the following criteria:
  - Student missed exam due to his/her serious illness. The makeup request must be accompanied by a doctor's note. Routine doctor and dentist appointments are not excused.
  - Student is absent due to a death in the immediate family. Documentation must be provided. Absences due to work related and child-care issues are not excused.
- 2) **No make ups will be given for quizzes.**

### **Incompletes, Withdrawals, Pass/Fail Policies**

Incompletes or *I* grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All *I* grades are given at the discretion of the instructor and the approval of the Department chair.

Students choosing to withdraw from this course are responsible for completing the drop procedure before the final deadline (April 6<sup>th</sup>). Students missing this deadline will be issued a grade of F for the course. Students who simply stop attending lectures and neglect to drop the course will also receive an F. Do not rely upon the instructor to complete the withdrawal procedure for you! Art 1300 is a grade-based course and is not available for audit or pass/fail options.

### **Email Etiquette:**

The following are NOT appropriate reasons for communicating with the instructor by email:

- To request extra credit for this course or to attempt to negotiate changes in your grade
- To find out what you missed during an absence. Phone/email/text a classmate and borrow lecture notes when you return to class.
- To ask which chapters will be covered on exams. This information is given in class.

## PLAGIARISM/ACADEMIC DISHONESTY STATEMENT

**Cheating/Plagiarism:** Cheating is unethical and not acceptable. Plagiarism is using information or original wording in a paper without giving credit to the source of that information or wording; it is also not acceptable. Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy. Refer to <http://www.utep.edu/dos/acadintg.htm> for further information.

## DISABILITIES STATEMENT

If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to [cass@utep.edu](mailto:cass@utep.edu), or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at [www.sa.utep.edu/cass](http://www.sa.utep.edu/cass). I cannot provide accommodations for a student if I have not received official notice from CASS documenting the student's eligibility and requirements. Each student registered with CASS needs to speak with me about their accommodations in the classroom (and testing procedures on examination days) at the beginning of the semester or as soon as they are registered with CASS.
