COURSE BASICS
Course Number: MATH 2301 CRN 20721
Course Title: Mathematics for Social Sciences I
Credit Hours: 3
Term: Spring 2023
Meeting and Location: Online
Prerequisite Courses: MATH 1320 or MATH 1411 or MATH 1508 with a "C" or better

INSTRUCTOR INFORMATION
Instructor: Annette Franco
Office Location: Bell Hall 130F
Contact
Instructor e-mail: apfranco@utep.edu
Math Department: mathdept@utep.edu

Student Office Hours:
Student office hours are a time where you can get individualized help from me. I am available to answer questions about course content and address any concerns you have about the class. Office hours are by appointment only. They will be held via Zoom. Please e-mail me to schedule an appointment. You are not required to make appointments if you do not have questions.

REQUIRED TECHNOLOGY AND MATERIALS
Textbook

Required
You must have the WebAssign access code. This gives you full access to both the assignments and the e-book.

Optional
A hard copy of the textbook is available but not required for the class. The e-book is adequate and comes with the required access code.

Calculator
A graphing calculator similar to a TI-83 or TI-84 is recommended. You may use a free online graphing utility and calculator such as Desmos Graphing Calculator
Online Components
You are required to have a WebAssign homework account.

Ensure your UTEP e-mail account is working and that you have consistent access to the internet and a stable web browser. Mozilla Firefox, Google Chrome, and Safari are the most supported browsers for both Blackboard and WebAssign. UTEP HelpDesk continues to offer you technical support at you can test your Internet connection from your location and make sure your upload and download speeds are at least 1-2 Mbps. www.fast.com

You will need to have regular access to a computer or laptop. Your cell phone is not sufficient for doing coursework, since the homework program is not optimized for mobile viewing.

- Microsoft Office (available for free through UTEP UTEP Microsoft Office 365),
- Adobe,
- Windows Media Player or QuickTime Player, and
- Java.

Blackboard
Blackboard will be our primary platform. Inside of the Blackboard course you will be able to see announcements and course materials. Each chapter will have a folder where you can find worksheets, lecture notes, videos, and other resources. Check out the resources reference page at the end of the syllabus for a list of currently available items.

WebAssign
WebAssign is an online Course Management System of Cengage, the publisher of our text. You must have reliable internet to take this course. Use the instructions below to access and register for WebAssign using your official UTEP email account. You will have a 14-day free trial (from the start of classes) so that you may access your coursework immediately.

Instructions to access and register for WebAssign:
To enter your course on WebAssign go to www.webassign.net and follow these steps:

1) Click on "Enter Class Key"
2) Enter the class key given by your instructor, be sure to include all three sections given:
   utep  5727  4780
3) Verify the section number and instructor name, then enter your information. Please make sure that you use your UTEP miners e-mail and remember the password you create.
4) The next time you log in, click on "Log In" and enter your UTEP miners e-mail and the password you created.

You are required to purchase an access code as soon as possible and before January 31st. Please note that your class key is different from your access code. When entering the code, enter all the words and characters in the boxes appropriately.
COURSE OVERVIEW

Course Objectives and Learning Outcomes
Math for Social Sciences I is a calculus course designed for liberal arts, business, and non-science majors.

Major topics covered in the course include:

- Matrices
- Limits
- Derivatives
- Integrals

A student who passes this course will be able to understand and work with these mathematical tools and apply them in future math courses and in their careers.

Activities and Assignments:
You will find all assignments on www.webassign.net. Please use Mozilla Firefox, Google Chrome, or Safari since WebAssign works best with these browsers. All work, including homework, quizzes, and exams, will take place through WebAssign.

Three unit exams and a comprehensive final exam will be given.

Resources:
You will have lecture video access through the Resources section of WebAssign and on Blackboard. You can click on resources at the bottom of your WebAssign homepage. You will be able to access the Cengage lecture videos for each section that we cover.

In Blackboard you will have access to additional resources including: lecture videos from my previous in-person class, worksheets with solutions.

Tutoring
The MaRCS tutoring center offers free tutoring for math classes; their website has more information: https://www.utep.edu/science/math/marcs/

There are several useful features in WebAssign designed to give extra help. These include "Watch it" and "Master it" links. These are publisher created and are enabled for any homework question in which they are available. The personal study plan has practice quizzes and the My Class Insights feature gives you a guide to how you are doing on the topics covered in class.

I am also available by appointment to help with questions.

Class Activity Settings
Homework Assignments
All homework will be completed on WebAssign. Each question has 5 attempts. I recommend that you get help after the 3rd incorrect submission rather than waiting until you are out of attempts to get help. You will be awarded 5% extra credit for every answer submitted 96 hours (4 days) before the due date.
The Ask Your Teacher Feature of WebAssign is the best way to ask questions about your homework as it shows me and the TA the entire problem. You are encouraged to use this as the first method of contact whenever you have homework questions.

Quizzes
You will have a 60-minute timed quizzes. The quizzes may contain problems you have not seen previously, but they will be based on the same concepts.

The password for all quizzes is the word ready.

Each question has 2 attempts. If you choose to start a quiz less than 60 minutes before the due date, the quiz will conclude at the due date, and your answers will be auto-submitted.

Exams
To review for each exam, keep thorough notes about your homework and quizzes. You will see similar problems on the exam. You may also want to use some of the additional material in WebAssign, such as ‘Personal Study Plan.’ The regular exams will be available on WebAssign for 48 hours before the due date specified by the course calendar and listed below. The final exam has special settings which you can read about below. You have two (2) attempts at each problem. You may use other online resources, such as calculators and graphing utilities, but be aware the ‘Watch it’ and ‘Master it’ features of WebAssign will not be available. You may not ask another person or answer website (e.g., CourseHero, Chegg, etc.) for help and it will be handled as a (possible) violation of Academic Integrity if you do

- **Exam 1:** Available from Thursday, February 16th 12:01 AM to Friday, February 17th 11:59 PM Mountain Time
  o covers 5.1 – 5.3, 10.1 – 10.6
- **Exam 2:** Available from Thursday, March 30th 12:01 AM to Friday, March 31st 11:59 PM Mountain Time
  o covers 11.1, 11.3 – 11.6, 12.1, 12.3
- **Exam 3:** Available from Thursday, April 27th 12:01 AM to Friday, April 28th 11:59 PM Mountain Time
  o covers 13.1 – 13.4, 14.1 – 14.3
- **Final Exam:** Available from Monday, May 8th 12:01 AM to Tuesday, May 9th 11:59 PM Mountain Time
  o covers all material for semester

The password for all exams is the word ready.

Exam 1, 2, and 3 are timed at 120 minutes (two hours). If you choose to start an exam less than 120 minutes before the due date, the exam will conclude at the due date, and your answers will be auto-submitted. Also, be aware of the UTEP help desk hours (8am – 5pm) on weekdays and your instructor’s availability during the exam, so you can plan properly.
Final Exam

The final exam will be available for two days during final exams week. This is a comprehensive exam and is required for all students. Remember, the final exam is worth 25% of your overall course grade. The final exam is timed at 165 minutes (2hr 45min). You may use other online resources, such as calculators and graphing utilities. You may not ask another person or answer website (e.g., CourseHero, Chegg, etc.) for help and it will be handled as a (possible) violation of Academic Integrity if you do.

You have two (2) attempts at each problem.

The password for the final exam is the word **ready**.

The final exam will open on Monday, May 8th at 12:01 AM and closes on Tuesday, May 9th at 11:59 PM Mountain Time.

Timed Assignments:
For all timed assignments, the clock begins once you open the assignment. This clock will not stop for any reason, not even if you log out. For this reason, it is important to check for any updates on your computer before beginning the timed assignments. The due date will change to reflect the time limit for timed assignments once you begin the quiz or exam.

*Please note: should you have circumstances beyond your control preventing you from completing the exam or quiz in the allotted time, you may email your instructor for more time, but be prepared to provide supporting documentation – such as a screenshot of the issue, or internet outage report for your area.*

Course Schedule:
A comprehensive course schedule is attached at the end of this syllabus. Below are notable dates from the academic calendar.

- January 17th       First Day of Classes
- February 1st       Census Day (Last day to drop without a W)
- March 13th - 17th   Spring Break (no classes)
- March 30th          Drop Day (Last day to drop with a W)
- March 31st          Caesar Chavez Day (no classes)
- April 7th           Spring Study day (no classes)
- May 4th             Last Day of Classes
- May 8th – 12th      Final Exams Week

Grading Policy
You will be graded on homework, quizzes, exams, and a final exam.

<table>
<thead>
<tr>
<th>Percentage</th>
<th>Component</th>
</tr>
</thead>
<tbody>
<tr>
<td>20%</td>
<td>Homework Assignments</td>
</tr>
<tr>
<td>10%</td>

</tr>
<tr>
<td>D</td>
<td>60-69</td>
</tr>
<tr>
<td>F</td>
<td>&lt;60</td>
</tr>
</tbody>
</table>

Drop Policy

*The Drop Date for this semester is Thursday, March 30th, before 5:00 PM Mountain Time. No drops will be approved after this date or time.*

Students who decide to drop the course must process a drop form by e-mailing records@utep.edu by March 30th before 5:00 PM MDT. Please note that the College of Science will remain aligned with the university and will not approve any drop requests after that date.

Incomplete Grade Policy

Incomplete grades may be requested only in exceptional circumstances after you have completed at least half of the course requirements. Talk to me immediately if you believe an incomplete is warranted. If granted, we will establish a contract of work to be completed with deadlines.

COURSE COMMUNICATION:

How we will stay in contact with each other

Because this is an online class, we won’t see each other in the ways you may be accustomed to: during class time, small group meetings, and office hours. However, there are several ways we can keep the communication channels open:

- **Office Hours:** We will not be able to meet on campus, but we can arrange to meet for your questions and comments about the course. Please email me to make an appointment. Office hours are held via Zoom
- **Email:** UTEP e-mail is the best way to contact me. I will make every attempt to respond to your e-mail within 24-48 hours of receipt. When e-mailing me, be sure to email from your UTEP student account and please put the course number in the subject line. In the body of your e-mail, clearly state your question. At the end of your e-mail, be sure to put your first and last name, and your university identification number.
- **Announcements:** Check the Blackboard announcements and your UTEP email frequently for any updates, deadlines, or other important messages.
ADDITIONAL COURSE POLICIES AND STATEMENTS

Make-up Policy

Homework
An automatic homework extension can be requested within 2 days after the due date. To do so, log in to WebAssign and click on My Assignments. Scroll to the assignment you want to extend and click Request Extension. Select "Automatic" and "Accept" the extension. The new due date will be 72 hours from the time the extension is requested. Note, this means that due time will also change. No penalty will be applied to problems submitted after the original due date.

You may not view the answer key to a homework assignment prior to requesting the automatic extension for it.

Quiz
An automatic quiz extension can be requested within 2 days after the due date. To do so, log in to WebAssign and click on My Assignments. Scroll to the assignment you want to extend and click Request Extension. Select "Automatic" and "Accept" the extension. The new due date will be 24 hours from the time the extension is requested. Note, this means that due time will also change. You will still have the 1-hour time limit after opening the quiz. **You'll only earn up to 80% credit for the late submission, but that's better than a zero!**

Note, the extension for a quiz can only be requested after the due date. If you choose to start the quiz before the due date and run out of time, you cannot request an extension. For example, if you start the quiz at 11:30 PM on the day it is due, you will only have 30 minutes to complete the quiz and it will automatically submit at 11:59 PM. Think carefully about whether you have enough time to complete the quiz before you start.

If you feel like you have some extenuating circumstance or have an excused absence that will keep you from completing the assignment or quiz in a timely manner, please contact me right away and be prepared to show supporting documentation – such as a university travel letter, medical documentation, military orders, etc.

University Sponsored Events:
These include conferences, student-athletes' competitions, etc. The student needs to inform me of any traveling conflicts before leaving and plan to make adequate arrangements to make up the missed material with one week of returning. Failure to do so will result in the forfeiture of points.

Exams
An opportunity to take an exam outside of the designated window will only be granted in extraordinary circumstances such as severe illness or death in the family, and with appropriate documentation (e.g., doctor's note, military orders, notice of representation on UTEP events such as athletics).

Alternative Means of Submitting Work in Case of Technical Issues
I strongly suggest that you submit your work with plenty of time to spare if you have a technical issue with the course website, network, and/or your computer. I also suggest you save all your work (answers to homework, quizzes, and exams) in a separate Word document or hand-written notebook as a back-up. This way, you will have evidence that you completed the work and will not lose credit. If you are
experiencing difficulties submitting your work through the course website, please contact the UTEP Help Desk.

You can email me your back-up document as a last resort. You must also have proof of the technical issue with either a screen-shot of the WebAssign issue or email from your internet provider of an outage in your area.

**Attendance Policy:**
You are expected to work toward the completion of the course assignments daily. Attendance in this course is measured by the completed tasks. Failing to complete tasks in a timely manner is equivalent to being absent. Failure to complete assignments for two or more weeks without appropriate communication may result in you being dropped from the course. You are expected to check Blackboard and your UTEP miners e-mail regularly for announcements as well as the WebAssign Announcement section.

**Academic Integrity Policy:**
The University policy is that all suspected cases or acts of alleged scholastic dishonesty must be referred to the Dean of Students for investigation and appropriate disposition. Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, and any act designed to give an unfair advantage to a student or the attempt to commit such acts.

I strongly discourage the use of sites such as Chegg, CourseHero, etc. in this class. If found to have consulted or contributed any material related to this class, you will be automatically reported to the Office of Student Conduct and Conflict resolution as this could be considered a violation of the H.O.O.P. The HOOP can be found here [Handbook of Operation Procedures](#).

Each student is responsible for notice of and compliance with the provisions of the Regents’ Rules and Regulations, which are available for inspection electronically at [Regents' Rules and Regulations](#).

All students are expected and required to obey the law, comply with the Regents' Rules and Regulations, with System and University rules, with directives issued by an administrative official during his or her authorized duties, and observe standards of conduct appropriate for the university. A student who enrolls at the university is charged with the obligation to conduct himself/herself in a manner compatible with the university’s function as an educational institution.

Any student who engages in conduct that is prohibited by Regents' Rules and Regulations, U. T. System or University rules, specific instructions issued by an administrative official or by federal, state, or local laws is subject to discipline, whether such conduct takes place on or off-campus or whether civil or criminal penalties are also imposed for such conduct.

As you will be taking online exams this semester, please take a moment to review this list of activities considered cheating by the Office of Student Conduct and Conflict Resolution (OSCCR). [Ways to Cheat](#).
Course Netiquette Policy:
All correspondence with your instructor, TA, and other students should be conducted in an appropriate and professional manner. Please be considerate of your tone and word choice when conducting correspondence.

Accommodation Policy:
The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented disabilities in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a disability must register with the UTEP Center for Accommodations and Support Services (CASS). Contact the Center for Accommodations and Support Services at 915-747-5148, or email them at cass@utep.edu, or apply for accommodations online via the CASS portal.

COVID-19 Precautions
To reduce the spread of COVID-19, any person who is sick, feels ill, or experience symptoms consistent with COVID-19 should stay home and should get tested for COVID-19. If anyone tests positive, they must self-isolate and report their results to COVIDAction@utep.edu where an Environmental Health and Safety representative will contact the individual and offer additional guidance and instructions.

Please contact me immediately if you fall ill during the semester so that we can work together to formulate a strategy to help you get caught up as soon as you are physically able.

Military Statement:
If you are a military student with the potential of being called to military service or training during the semester, you are encouraged to contact me as soon as you receive your orders.

Copyright Statement:

Course Materials
All materials used in this course are protected by copyright law. The course materials are only for the use of students currently enrolled in this course and only for the purpose of this course. They may not be further disseminated.

Class Recordings
You will have access to class lecture recordings, group discussions, and so on from my in-person class meetings. Our use of such technology is governed by the Federal Educational Rights and Privacy Act (FERPA) and UTEP’s acceptable-use policy. Class session recordings are kept and stored by UTEP, in accordance with FERPA and UTEP policies. You may not share recordings outside of this course. Doing so may result in disciplinary action.
COURSE RESOURCES

UTEP provides a variety of student services and support:

Academic and Technology Resources

- **Help Desk**: Students experiencing technological challenges (email, Blackboard, software, etc.) can submit a ticket to the UTEP Helpdesk for assistance. Contact the Helpdesk via phone, email, chat, website, or in person if on campus, Academic Resources.

- **UTEP Library**: Access a wide range of resources including online, full-text access to thousands of journals and eBooks plus reference service and librarian assistance for enrolled students.

- **Math Tutoring Center (MaRCS)**: Ask a tutor for help and explore other available math resources.

Individual Resources

- **Military Student Success Center**: Assists personnel in any branch of service to reach their educational goals.

- **Center for Accommodations and Support Services**: Assists students with ADA-related accommodations for coursework, housing, and internships.

- **Counseling and Psychological Services**: Provides a variety of counseling services including individual, couples, and group sessions as well as career and disability assessments.

Health

- UTEP counseling center, Student Health and Wellness Center

- El Paso coronavirus hotline (915) 212-6843, El Paso COVID-19 information,

- El Paso’s 24-hour Mental Health Crisis Line (915) 779-1800

- National Suicide Prevention Hotline or Veterans Crisis Line 1-800-273-8255

- NAMI (National Alliance Against Mental Illness) of El Paso (915) 534-5478
