Dr. Smith earned his Doctor of Music degree in Percussion Performance and Pedagogy from the Indiana University Jacobs School of Music in 2014 with additional degrees and studies at Berklee College of Music, the University of Massachusetts Amherst (BME), and Middle Tennessee State University (MA). He was appointed Visiting Assistant Professor of Music and Director of Percussion Studies at UTEP in 2016, and Assistant Professor in 2020. Smith's most recent activities include clinic presentations (PASIC, JEN), commissioned compositions, and CD recordings (*Mambo Blue*, *Jim Shearer*, *Batuque Trio*, *Deanna Little*).

Course Description

Students will study the interpretation of percussion literature and develop the skills necessary to ensure accurate and expressive performance. Students receive one 60-minute lesson per week. A minimum of twelve lessons are required for the fifteen week semester. Faculty reserve the right to schedule students in a group-lesson format as deemed necessary. Students are also required to attend studio, area, and departmental recitals, peer degree recitals, and guest artist clinics. The UTEP Percussion Faculty provides a standardized curriculum for percussion studies within a 4-year degree program, found in the Percussion Studio Google Drive. The UTEP Percussion Curriculum is broken down into UNITS of study for snare drum, keyboards, timpani, drum-set, and Afro-Cuban Percussion. At a minimum, every Percussion Major must complete UNIT 1 on each instrument and UNIT 2 on one instrument before progressing to upper division study. This curriculum outlines jury barriers and provides a guide for study. Solo repertoire will vary according to the level and ability of each student. See the UTEP Percussion Studio handbook for required and suggested materials per UNIT and level of study. Students will study at least two major areas of percussion during the course of one semester (see sample instrument rotation below). None of the credits can be repeated for credit toward graduation. An

individual instruction music fee is charged each semester (see fees and financial information).

Responsibility

Self-Discipline

Goals

The percussion student in lower division individual instruction will develop technical proficiency and musicianship on the core instruments suitable to prepare and pass a “double jury,” and pass into upper division. The core instrument study will begin with snare drum and mallet keyboards (2–mallets and 4-mallets), expand to include timpani, vibraphone, multi-percussion, Afro-Cuban and Brazilian percussion, and drum-set. These skills shall be developed in combination with pedagogical and practical knowledge, and augmented by a comprehensive degree program with the end goal of graduating a versatile, adaptive percussionist and complete musician prepared for a career in music as well as graduate study.

Objectives

- Complete methods, “Miner Method” supplements, and solo repertoire consistent with the established curriculum and “selected repertoire” listed in the UTEP Percussion Studio Handbook.
- Pass a “double jury” after four semesters and progress into upper level individual instruction (MUSA 3295).
- Complete at least UNIT 1 for snare drum, keyboards, timpani, and drum-set, before performing a double jury.
- Complete UNIT 2 in at least one area before performing a double jury.
- Complete UNIT 2 in all areas, and UNIT 3 in at least one area before performing a degree recital and graduating.
- See Recommended 4-semester sequence table for method book and supplemental UNIT requirements broken down by semester objectives.

Policies

1. Recommended practice time - *minimum* 2-3 hours per day, not including ensemble rehearsal time.
Minimum 12 hours per week Music Education and Commercial Music Major; 21 hours Music Performance Major
2. All students are encouraged to keep a practice journal and to bring the practice journal to each lesson. Periodically, any student may be required to produce this journal as determined by the instructor.
3. You must show up to lessons to get a grade. Being professional is the key. If you need to reschedule, please contact me as soon as possible in advance of the lesson. Alternate lesson times will be arranged when the instructor has a conflict. Unexcused absences will not be made-up and will be treated as a failing grade for that week of study.
4. Excessive absence before the course drop deadline may result in the student being dropped; after the deadline may result in failing the course.
5. Students are required to perform a minimum of one studio and/or area recital per semester.
6. Additionally, one off-campus performance is required each Spring semester. This performance must include repertory studied, and ideally, also includes a pedagogical component presented in an area school.

7. Any student who fulfills all requirements and performs on a *departmental* or degree recital may be excused from end of semester juries at the discretion of the instructor.
8. Perform an end of semester jury during finals week.
9. Double Jury Policy from Student Handbook: Students enrolled in MUSA 1195 Individual Instruction must attempt entry to Upper-Level lessons through a barrier jury after the fourth semester of study in MUSA 1195 Individual Instruction. Students have a maximum of two attempts to successfully pass the barrier jury and gain entry into upper-level lessons.
10. Student is required to own their own method books and sheet music for published materials. Show proof by jury performance to receive a passing grade.

Required Materials

Students will be responsible for supplying their own mallets, music, and other lesson materials. Students are expected to purchase assigned methods and repertory in a timely manner. See suggested materials list in google drive. Students are expected to acquire and build a personal library of implements, instruments, and pedagogical materials over time, as required of a musician/ musician/educator.

Outcomes

Students will become proficient in sight reading, and performing on the core percussion instruments, sufficient to pass into upper division study. These instruments include snare drum (symphonic and rudimental), mallet keyboards (2–mallets and 4–mallets), timpani, vibraphone, multi-percussion, Afro-Cuban percussion, and drum-set. Students will meet expectations for scale proficiencies including all major scales, minor modes, and all modes based on the major scale. Specifics for each instrument can be found in the curriculum in the UTEP Percussion Google Drive.

Grading

The grade for applied lessons will be determined by

- 90% based upon weekly lesson to include
 - Weekly lesson preparation (see grading rubric below)
 - Completion of assigned materials
 - Attendance
- 10% based upon Jury and recital performances and attendance
- The 12 lesson minimum will allow for two absences (requiring appropriate communication). Each additional absence will result in lowering by one full letter grade.

Area and Departmental Recital Attendance Policy

1. All students enrolled in Applied Lessons must attend a minimum of twelve (12) Area and Departmental recitals scheduled every Friday at 1:30 p.m., in the Department of Music. **Failing to attend twelve (12) required recitals will lower the student's final Applied Lesson grade by one letter.** Students are responsible for signing in at each recital electronically. Students arriving late, or leaving early may have their attendance voided.
2. When a single area recital is canceled, students must either attend a different area recital held at the same time or attend a makeup event (see makeup procedures, below).

Recital Makeup Procedures

1. Students may make up Area and Departmental recital absences by attending UTEP Music Department concerts and recitals. Non-university concerts such as El Paso Opera, El Paso Symphony, El Paso Wind Symphony, and El Paso Pro-Musica, as well as any other performances given by our faculty and guests, will be accepted.
2. To receive credit for UTEP Music events with *electronic programs*, the student must complete the online **recital makeup form**, available by hyperlink within the electronic program.
 - o To receive credit for events with physical *paper programs*, the student's program must be **signed at the conclusion of the event by a music faculty member in attendance.**
 - o The student must submit the signed program with their name and ID number clearly written on the front page to the Music Office (M301). The student must also **sign the makeup log.** Without this information, the student will not receive credit. There will be no exceptions.
 - o The deadline to turn in signed programs **to the Music Office is Friday of finals week at 5:00 p.m.** There will be no exceptions.
3. Students are responsible for knowing how many recitals they have or have not received credit for attending. Students may check their recital attendance by visiting the Music Office.

Attendance at Percussion Events

Applied students are expected to attend all formal percussion recitals and percussion ensemble concerts. It is also a common courtesy to help tear down and assist in moving equipment after performances.

Applied Music Juries

Students are required to perform a jury each semester. Students are exempt from performing a jury following the successful performance of a departmental or senior recital in the same semester (at the discretion of the instructor). They serve as the semester examination and give students an opportunity to demonstrate their progress in performance skills to the applied music faculty. The applied music jury consists of the applied music faculty who teach in the area of the student's concentration. Juries typically last 15 minutes including scales and technical skills, excerpts from assigned methods and performance repertory studied. See the Percussion Studio Handbook for standardized Jury Barriers by semester.

B – The student has fulfilled all requirements as specified by the syllabus. This includes any supplemental material assigned by the instructor. The student has performed the required material consistently with two to three mistakes or breaks. The student has done this with acceptable quality and musicianship. The student has demonstrated noticeable improvement in technique and understanding of the material relative to the performer's abilities at the beginning of the semester.

Performer has not demonstrated some acceptable degree of improvement in technique and understanding of the material relative to the performer's abilities at the beginning of the semester as determined by the instructor.

Attendance: One days notice is expected for any absence. It is at the discretion of the instructor to excuse an absence with exception to university policy. Any unexcused absences will result in the semester grade being lowered by one half-letter grade.
