Course Description

Students will study the interpretation of percussion literature and develop the skills necessary to ensure accurate and expressive performance. Students receive one 60-minute lesson per week. A minimum of twelve lessons are required for the fifteen week semester. Faculty reserve the right to schedule students in a group-lesson format as deemed necessary. Students are also required to attend studio, area, and departmental recitals, peer degree recitals, and guest artist clinics. The UTEP Percussion Faculty provides a standardized curriculum for percussion studies within a 4-year degree program, found in the Percussion Studio Google Drive. The UTEP Percussion Curriculum is broken down into UNITS of study for snare drum, keyboards, timpani, drum-set, and Afro-Cuban Percussion. In Upper Division Study, students will complete Units 2 and 3 for each instrument and then continue into areas of interest and specialization. At a minimum, every Percussion Major must complete UNIT 2 on each instrument and UNIT 3 on one instrument before performing a degree recital and graduating. This curriculum outlines jury barriers and provides a guide for study. Solo repertoire will vary according to the level and ability of each student. See the UTEP Percussion Studio handbook for required and suggested materials per UNIT and level of study. Students will study at least two major areas of percussion during the course

of one semester (see sample instrument rotation below). None of the credits can be repeated for credit toward graduation. An individual instruction music fee is charged each semester (see fees and financial information).

Goals

The percussion student will develop technical proficiency and musicianship on the core instruments suitable to prepare and perform a successful senior recital. Selection and preparation of degree recital repertory should begin several months before the performance, e.g. the Summer before a Spring recital. The core instrument study will include snare drum (symphonic, solo, and rudimental), mallet keyboards, timpani, drum-set, Afro-Cuban percussion, and multi-percussion. Orchestral excerpts and occupational technology will be incorporated. These skills shall be developed in combination with pedagogical and practical knowledge, and augmented by a comprehensive degree program with the end goal of graduating a versatile, adaptive percussionist and complete musician prepared for a career in music as well as graduate study.

Objectives

- Complete methods and solo repertoire consistent with the curriculum and “selected repertoire” listed in the UTEP Percussion Studio Handbook (Google Drive).
- Perform a senior recital (3rd or 4th semester of Upper Division) meeting standards and specifications outlined in the UTEP Percussion Studio Handbook.
- Complete UNIT 2 in all areas, and UNIT 3 in at least one area before performing a degree recital and graduating.

Policies

1. Recommended practice time - minimum 12 hours per week Music Education and Commercial Music Major; 21 hours Music Performance Major
2. All students are encouraged to keep a practice journal and to bring the practice journal to each lesson. Periodically, any student may be required to produce this journal as determined by the instructor.
3. You must show up to lessons to get a grade. Being professional is the key. If you need to reschedule, please contact me as soon as possible in advance of the lesson. Alternate lesson times will be arranged when the instructor has a conflict. Unexcused absences will not be made-up and will be treated as a failing grade for that week of study.
4. Excessive absence before the course drop deadline may result in the student being dropped; after the deadline may result in failing the course.
5. Students are required to perform a minimum of one studio and/or area recital per semester.
6. Additionally, one off-campus performance is required each Spring semester. This performance must include repertory studied, and ideally, also includes a pedagogical component presented in an area school.
7. Any student who fulfills all requirements and performs on a *departmental* or degree recital may be excused from end of semester juries at the discretion of the instructor.
8. Perform an end of semester jury during finals week.
9. Exchanging of recordings may be used to supplement instruction or as “asynchronous” learning in place of a scheduled real-time lesson as needed with instructor approval.

Required Materials

Students will be responsible for supplying their own mallets, music, and other lesson materials. Students are expected to purchase assigned methods and repertoire in a timely manner. See suggested materials list in google drive. Students are expected to acquire and build a personal library of implements, instruments, and pedagogical materials over time, as required of a musician/ musician/educator.

Membership in the Percussive Arts Society is recommended for all students taking applied lessons in percussion. Backstage Pass recommended; VIP Pass preferred. <http://www.pas.org/membership/member-services/individualmembership.aspx>

See UTEP Percussion Studio Handbook (Google Folder) for a list of suggested repertoire specific to each instrument.

Smart Music Subscription (\$40) if assigned by instructor.

Membership, dues paid (\$30 annual), in the RSO, West Texas Percussion Group (WTPG), is expected. Any percussion student who is not current with dues will be charged a fee to any guest artist clinics and performances supported by the WTPG.

Outcomes

- Successful performance of semester juries and area recitals
- Graduate a versatile, adaptive percussionist and complete musician prepared for a career in music as well as graduate study.
- Successful performance of Senior Recital (and Junior recital for Performance Majors).

Grading

The grade for applied lessons will be determined by

- 80% based upon weekly lesson to include
 - Weekly lesson preparation (see grading rubric below)
 - Completion of assigned materials
 - Attendance
- 20% based upon Jury and recital performances and attendance
 - Studio event attendance
 - Area and departmental attendance (see below)
 - Completion of required performances
 - Semester Jury
- The 12 lesson minimum will allow for two absences (requiring appropriate communication). Each additional absence will result in lowering by one full letter grade.

Area and Departmental Recitals Attendance Policy

1. All students enrolled in Applied Lessons must attend a minimum of twelve (12) Area and Departmental which take place every Friday at 1:30 p.m. in the Department of Music or online. **Failing to attend twelve (12) required recitals will result in lowering Applied Lessons' final grade by one letter.**
2. Make up absences are accomplished by attending UTEP Music Department concerts and recitals. Non-University recitals such as El Paso Music Forum, El Paso Symphony, El Paso Wind Symphony, and Pro-Musica as well as any other performances given by our faculty and guests will be accepted.
3. To receive credit for the make-up, a student must attend a music event. The program must be signed by a music faculty member who attended the same event. The program must be brought to the Music Office to record the attendance. Student name and ID# must be on the program. Without this information students will not receive credit.
4. It is the student's responsibility to turn in the signed programs to the main office by 5 p.m. on Friday's Finals week . There will be no exceptions.
5. Students must sign the makeup sheet every time they turn in a program. At the end, the office must have both, the program with the student's information and their signature matching the date. There will be no exceptions.
6. Please notice: When a single area recital is cancelled, students will need to replace the cancelled recital by either going to a different area recital held at the same time or turning in a makeup recital.
7. At the end of the semester, all students will have the same number of expected recitals.

Attendance at Percussion Events

Applied students are required to attend all formal percussion recitals and percussion ensemble concerts. Unexcused absences will result in lowering the applied lesson grade. It is also a common courtesy to help tear down and assist in moving equipment after performances.

Applied Music Juries

Students are required to perform a jury each semester. Students are exempt from performing a jury following the successful performance of a departmental or senior recital in the same semester (at the discretion of the instructor). They serve as the semester examination and give students an opportunity to demonstrate their progress in performance skills to the applied music faculty. The applied music jury consists of the applied music faculty who teach in the area of the student's concentration. Juries typically last 15 minutes including scales and technical skills, excerpts from assigned methods and performance repertory studied. See the Percussion Studio Handbook for standardized Jury Barriers by semester.
