III. COURSE ASSIGNMENTS AND GRADING PROCEDURES

**Attendance & Participation**
Attendance is **MANDATORY** for seminar. The hours in seminar count towards the completion of the required 240 hours per semester (14-16 hours are seminar classes). Participation is an essential element of the course to receive the full credit. In the event that an absence is unavoidable, you must first contact your instructor and receive permission to reschedule your absence.

**Time Sheets**
Time sheets should be completed and submitted in Tevera **WEEKLY**. Week runs from Sunday to Saturday. It is the student’s responsibility to make sure time sheets are accurate and are completed in a timely manner. 240 hours per semester (14 seminar hours included) must be completed from the first day of class until the last day of class, this **does not** include finals week or the winter break. All time sheets will be submitted via Tevera weekly.

Please be aware that submission of timesheet and approval by field instructor in Tevera **indicates that this is a true and accurate reflection of the student’s time**. Providing false information on this time sheet constitutes a violation of the Code of Ethics as well as a violation of the UTEP Standards of Conduct. Violations will be reported to the Office of Student Conduct and Conflict Resolution. It may also result in your removal from the program.

**Learning Agreement**
The student is required to complete a Learning Agreement in a thoughtful and meaningful manner in collaboration with their field supervisor, field liaison and/or seminar instructor. The Learning Agreement must include the activity the student will perform to address the behavior (competency) which is to be focused on for that semester. The Learning Agreement is available in Tevera. You can download, develop and submit via Tevera for your field supervisor to approve. Remember you must upload and your field instructor must electronically approve your Learning Agreement in order to receive a final Pass or Fail grade.

Due Date for signed, completed Learning Agreement is **OCTOBER 9, 2020**.
Participation is essential to the seminar experience. You MUST have an excused absence and a plan of how missed hours will be made up.

Journal Assignments (2)
The student is required to complete two journal assignments throughout the semester. Use a 12 Font and double space. Please submit these assignments, on due dates, via Tevera. Mark these dates on your calendars!!! Late papers will not be accepted! If you are unable to complete any assignment in this seminar you will not receive passing grade.

Due Date for Journal #1: 10/16/2020
Due Date for Journal #2: 12/04/2020

Your journals will consist of the progress you have seen in yourself as a social worker at your internship site. What has surprised you, what has moved you, what has been the most difficult, what has been the most positive experience, does your internship provide you the learning experience you expected, and has this internship helped you with your future goals? Make comparisons to where you’ve gained social work experience in the past.

TED Talk
A TEDtalk is usually in the form of short, powerful talks (usually 18 minutes or less). You will present a 6-8 minute TEDtalk. Select a social issue that you are passionate about. Or present on a social issue where you or someone you know was impacted. Educate us on this issue. You can find these examples such as the ones below at TEDtalks website

Confidentiality
Information shared in class about agencies and clients is considered to be covered by the NASW Code of Ethics regarding the sharing of information for supervisory purposes. Gossip is idle talk or rumor, especially about the personal or private affairs of others; the act of is also known as dishing or tattling. Gossip is usually not fact and can be hurtful. We can certainly discuss in class to clarify issues.

Title IX
Title IX of the Education Amendments of 1972 (Title IX), prohibit discrimination on the basis of sex in education programs or activities operated by recipients of Federal financial assistance. Classroom Behavior:
Students are expected to treat all others in the classroom with respect. This includes paying attention during class activities and discussions, not holding side conversations or engaging in any activities that disturb other members of the classroom (e.g., texting, emailing, typing on laptop). This is especially stressed for days we have presenters. Please be attentive and respectful. The culture of the learning environment is one of challenging ideas not individuals. Personal attacks will not be tolerated.

UTEP expects students to maintain standards of personal integrity that are in harmony with the educational goals of the institution; to observe national, state, and local laws and University regulations; and to respect the rights, privileges, and property of other people. Any disruptive behavior that interrupts faculty’s ability to teach, compromises the safety of the learning environment, and/or inhibits students’ ability to learn could lead to deductions in participation points, removal from the classroom and reporting the behavior to the Dean of Students.
**Academic Dishonesty**

It is the philosophy of UTEP that academic dishonesty is a completely unacceptable mode of conduct and will not be tolerated in any form. All persons involved in academic dishonesty will be disciplined in accordance with University regulations and procedures.

Scholastic dishonesty includes but is not limited to falsifying information on timesheets, cheating, plagiarism, collusion, submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or attempt to commit such acts.
