Course Management System

Backboard Ultra is the online course management system we will use throughout the semester if we are forced into an online only environment. You can access Blackboard through my.utep.edu. In Blackboard you can view the syllabus, course calendar, and other supplemental materials related to the course. You can also send e-mails to your classmates or instructional team. You must check Blackboard daily for course announcements, assignments and updates.

The Blackboard app is great for course announcements, emails, and discussions. However, a desktop or laptop computer is recommended for downloading and/or reading course materials, uploading documents or submitting assignments. Call the Help Desk, 747-5257, if you need help with access. Should Blackboard go down for maintenance or other interruptions, email your instructor for assistance.

**Technical Requirements**

- A computer with internet access. This course cannot be completed without access to a computer or the Internet. Inability to complete an assignment due to the limitations of the Blackboard app on phones or tablets is not an acceptable reason to miss an assignment or to not follow deadlines or directions.

- A web browser that supports Blackboard, YouTube, TED Talks, Yuja, Kanopy, and other forms of media as needed throughout the course.
Microsoft Office365 or equivalent. Assignments must be submitted as a Word document (doc or docx) or PDF. Attachments in any other format will not be graded.

You can download a free copy of Microsoft Office as a UTEP student here.

Classroom policies:

**ATTENDANCE:**
Students are required to attend class. 100 points is allocated to daily attendance. Every class period student attendance will be tracked. An unexcused absence will result in a loss of 5 points, 2 unexcused absences will result in a loss of 10 points, 3 unexcused absences will result in a loss of 15 points, 5 will result in a loss of 20 points, 6 in a loss of 35 and 7 absences will result in a loss of all remaining attendance points. You may also lose points at your instructors’ discretion for lack of participation or excessive tardiness. If you are going to miss a class session you must notify myself AND your peer leader before the start of class or your absence will be considered unexcused. Failure to attend multiple weeks may result in being dropped from the course. This includes medical emergencies, doctor’s appointments, family emergencies, etc. Students who fail to login into the course Blackboard shell and take part in class sessions are required to meet with the instructor via phone or Blackboard Collaborate to discuss their options. Always speak to your instructor if you anticipate time away from class. Exceptions to this rule are at the instructor’s discretion **ONLY**, and will require documentation in order to be excused. The student will still be responsible for any and all assignments regardless of an excused or unexcused absence.

**Excused Absences for University-Recognized Activities**
[From the university catalog] "Students who will be absent while representing the University in officially recognized University activities (sports, band, professional conferences, etc.) must notify the Dean of Students not less than ten (10) days prior to the absence. The Dean of Students will provide the student with a letter of excuse for the professors. It is the student’s responsibility to give the letter to the professors prior to the official recognized activity. Students following these procedures will be permitted to make up both assignments and examinations in consultation with faculty."

**Military Leave**
[From the university catalog] * “Section 51.9111, Texas Education Code, and 19 Texas Administrative Code 4.9 provides that students be excused from scheduled classes or other required activities if the student is called to and participates in active military service for a reasonably brief period and that the student shall be allowed to complete an assignment or exam within a reasonable time after the absence. The excused absence is permitted only if the student will not miss more than 25% of the total number of class meetings or the contact-hour equivalent (not including the final examination period) for the specific course or courses in which the student is enrolled at the beginning of the period of active military service. * Students called to active military service must provide a copy of their military orders to the instructor of each course. Further information is available under Complete Withdrawal Due to Active Military Service.”

**Absence from Examinations**
[From university catalog] * “A student absent from a test during the semester is graded zero (0) unless another policy is set by the instructor.”

**ACADEMIC EXPECTATIONS AND POLICIES:**

**Late Work**
All assignments for that given week are due by 11:30 PM Sunday of that week. Late work will be accepted at a loss of ten percent of the total grade for every 24 hours an assignment is late. After ten days, if an assignment has not been turned in the assignment will be graded at a zero.

### Netiquette Guidelines

Be respectful of other’s ideas, opinions, and beliefs. It’s fine to disagree with someone, but please respect their right to think differently. Do not attack or insult your classmates, peer leader, or instructor.

When responding to posts, be sure to address the idea and not the person. You should never use insults or resort to name-calling, as neither are appropriate in an academic setting.

With that said, keep in mind that interacting online doesn’t allow for the use of facial expressions and other non-verbal cues to convey meaning; be cautious of the tone used in your posts and don’t assume an emoticon (😊) will convey your tone or intent.

All inappropriate posts/emails will be reported to UTEP’s Office of Student Conduct & Conflict Resolution office for review.

### COVID-19

**COVID-19 PRECAUTION STATEMENT**

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El
Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

CHANGE is the only constant in life. Except for changes that substantially affect the grading statement, this syllabus is a guide for the course and is subject to change. Any changes to the syllabus will be announced in class and/or on Blackboard. It is your responsibility to stay updated.
