## Prerequisite

Successfully passing MUSA 2263 Diction I

## Course Description

The study of IPA transcription, pronunciation and singing in German and French

## Course Content

- Lectures and reading assignments introducing the sounds of the German and French Languages and the unique rules for their transcription into IPA.
- Written homework to demonstrate understanding of transcription rules and symbols.
- Listening Homework
- In-class guidance on the correct pronunciation of German and French vowels, consonants, words and phrases
- Regular aural assessments
- Singing project in both German and French
- Transcription project in both German and French
- Quizzes
- German Mid-term Exam
- French Final Exam

## Course Objectives

- Introduce the student to the IPA transcription rules for German and French.
- Enable the student to properly pronounce IPA transcriptions in German and French.
- Enable the student to successfully perform music in German and French.

## Course Outcomes

Students who successfully complete the course will be equipped to achieve the following outcomes.

- Create a correct IPA transcription of any song text in German or French.
- Correctly pronounce an IPA transcription of German or French texts
- Incorporate the correct pronunciation into their singing of German Lieder, French Chanson and oratorio/operatic arias.

## Course Requirements

- Attend all class meetings
- Recording of aural work in class is encouraged
- Complete reading assignments
- Complete written, listening and aural assessment homework
- Prepare and sing one memorized song in both German and French. It is encouraged that this song be part of your private voice study.
- Prepare one major IPA transcription project in both German and French

## Materials and Personal Equipment

- TEXT BOOK: Diction for Singers by Joan Wall, 2<sup>nd</sup> Edition (REQUIRED)
- TEXT BOOK: International Phonetic Alphabet for Singers by Joan Wall (RECOMMENDED)
