Repertoire Guidelines

Present a 60-minute recital (16 selections or 50 minutes of music) of graduate level Classical repertoire that demonstrates growth in technical skills, artistic expression, as well as proficiency in French, German, Italian, Spanish, and English, and represents all major style periods. This recital should be balanced toward art song, but include at least one aria from an opera and one aria from an oratorio.

Student Responsibilities

- Independently practice assigned vocal exercises specifically designed to promote vocal growth and a better understanding of the fundamental concepts of classical vocal technique.
- For all assigned repertoire:
 - Learn and memorize assigned repertoire with accurate pitches, rhythm, diction, appropriate vocal style, and musical expression.
 - Research the composer, poet, or lyricist, historical period, and context of the piece.
 - Study several recordings performed by recognized professionals in the genre of each piece using sources such as YouTube, Spotify, etc.
 - Obtain and type (using Microsoft Word or similar) a literal (not poetic) line-by-line English translation in a side-by-side format with the original text for use in study, presentation in studio class, and for use in recital notes and translation document. ([Link to Sample Program and Notes and Translations Document](#))
 - Write the literal (not poetic) line-by-line translation and the International Phonetic Alphabet (IPA) symbols for the text into your music for any language in which you are not fluent.
 - Write the original language with literal (not poetic) line-by-line translation below (for any language in which you are not fluent), and International Phonetic Alphabet (IPA) symbols above in your studio journal. (example attached)
- For repertoire from a musical or an opera:
 - Obtain and read a synopsis of the complete work.

- Research the character and understand who he/she is in the context of the work.
- Research the scene to which the piece belongs.

Course Requirements

- Attend all scheduled lessons.
- Audio or video record all lessons.
- Review your personal recording of each lesson, taking note of assigned vocalises, corrections made in music, etc.
- Practice 1–2 hours daily in order to master vocal exercises assigned in lessons and to study and learn assigned repertoire. Total practice per week: 7–9 hours. Not all practice is singing!
- Record all practice on page 2 of your weekly assignment page provided by Mr. Downen.
- Maintain a research journal for each assigned piece that includes your three- line text translations into English and IPA, synopsis, character analysis, acting notes, and your own thoughts about the text, music, recordings listened to, arrangements, ideas for performance, and the emotional or theatrical landscape of the piece.
- Perform at least twice on Voice Area Recital.
- Attend weekly studio classes and perform at least twice.

Materials and Personal Equipment

- Copies of your music either in a three-ring binder or on a tablet large enough for you to read.
- Research Journal (composition notebook)
- Audio or Video recording device (iPhone or similar okay)
- A copy of the International Phonetic Alphabet pronunciation guide for English, Spanish, Italian, French and German
- Access to the Internet and to Blackboard

Accompanists

You are expected to retain the services of a qualified pianist at your own expense to play for the second half of each voice lesson. You are also expected to rehearse with your accompanist for one half hour each week for a one-hour commitment per week.

Program and Notes and Translation Documents

You are required to create a program and a Notes and Translations document and present it to the instructor no later than one week prior to your recital hearing. [See Program and Notes and Translation Templates Here.](#)

Recital Hearing

All degree recitals require a hearing in front of the voice faculty at least three weeks prior to the recital date to demonstrate memorization of all repertoire and level-appropriate technical, linguistic and performance skills. The applied teacher will schedule the time and venue for the hearing in consultation with the student, pianist, and other participants. Students will present five copies of both their program and notes and translations. All performers should be present. A majority of at least 3 faculty members must vote to pass. Students who do not pass may be asked to repeat the hearing or the recital may be postponed. Remedies may vary as needed.

Dress Rehearsal

A dress rehearsal of the recital is to take place within one week of the recital date. The applied teacher will schedule the date, time and venue in consultation with the student, pianist, and other performers. The applied teacher may postpone the recital if the complete program is not ready for performance.

Payment of Fees

Degree recitals require the hiring of student employees to stage manage, video record and live stream the performance. Fees for these services must be paid no later than two weeks prior to the recital date in the Music Office. The fee schedule is available [here](#).

Recital Preparation Guide

Students are strongly encouraged to follow the guide found [here](#) containing step by step information for successfully planning, preparing and performing a degree recital.

Area and Departmental Recital Attendance Policy

1. All students enrolled in Applied Lessons must attend a minimum of twelve (12) Area and Departmental recitals scheduled every Friday at 1:30 p.m., in the Department of Music. **Failing to attend twelve (12) required recitals will lower the student's final Applied Lesson grade by one letter.** Students are responsible for signing in at each recital electronically. Students arriving late, or leaving early may have their attendance voided.
2. When a single area recital is canceled, students must either attend a different area recital held at the same time or attend a makeup event (see makeup procedures, below).

Recital Makeup Procedures

1. Students may make up Area and Departmental recital absences by attending UTEP Music Department concerts and recitals. Non-university concerts such as El Paso Opera, El Paso Symphony, El Paso Wind Symphony, and El Paso Pro-Musica, as well as any other performances given by our faculty and guests, will be accepted.
2. To receive credit for UTEP Music events with *electronic programs*, the student must complete the online **recital makeup form**, available by hyperlink within the electronic program.
 - To receive credit for events with physical *paper programs*, the student's program must be **signed at the conclusion of the event by a music faculty member in attendance.**
 - The student must submit the signed program with their name and ID number clearly written on the front page to the Music Office (M301). The student must also **sign the makeup log.** Without this information, the student will not receive credit. There will be no exceptions.
 - The deadline to turn in signed programs **to the Music Office is Friday of finals week at 5:00 p.m.** There will be no exceptions.
3. Students are responsible for knowing how many recitals they have or have not received credit for attending. Students may check their recital attendance by visiting the Music Office.

Extracurricular Performance Policy

According to the UTEP Vocal Area Handbook, all performance and/or coaching opportunities outside the UTEP Vocal Area should be discussed with Mr. Downen before accepting. This includes: UTEP Dinner Theater, Theatre Department productions, professional choirs, master classes with guest artists or local teachers.

Vocal Health

Effective practice is very important in order to progress toward your vocal and performance potential. However, excessive practice or singing in excess of two hours per day can be counterproductive and dangerous to your vocal health. Listen to your body. Give yourself appropriate rest periods. Hydrate, do not smoke, avoid overuse of caffeine and alcohol, get adequate sleep, stay healthy and do not abuse your voice (i.e., talking over loud environments, yelling at sporting events or concerts, etc.).
