Course Description

Participate in concert performances of historically significant orchestral repertoire as a player of the UTEP Symphony Orchestra.

Course Goals and Objectives

Comprehend and perform various musical styles, including those of Baroque, Classical, Romantic and Modern and Contemporary periods.

Examine individual thinking and behavior on the micro and macro levels to develop musical progress.

Develop technical and musical skills pertinent to the instrument.

Rehearsal and Performance Outcomes

Develop visual and non-verbal communication, critical thinking, and the physical and aesthetic attributes required for orchestral performance.

Acquire the technical ability to learn and perform instrumental parts of orchestral works for public performance.

Gain collaborative skills through coaching and rehearsing within sectionals and with the orchestra as a whole.

Develop the ability to solve technical problems and apply those solutions to a public performance.

Perform music expressively as part of an orchestra.
Course Requirements

ATTENDANCE and MANDATORY REHEARSALS

Rehearsal Expectations
Each student is expected to be in his/her chair with their instrument ready to play at the beginning of the class. Anyone not seated and prepared to perform at that time will be considered tardy.

Each student is expected to have their folder with all instructional materials (music, rehearsal technique books, etc.) and a pencil for every rehearsal. No baseball caps or similar head wear will be allowed during rehearsal. Each student is responsible for the preparation of his/her ensemble music outside of scheduled rehearsals.

Rehearsals are for developing ensemble concepts, not individual practice. If a student has not prepared his/her music within an acceptable timeframe, grade point reductions will result. Talking and/or discussions that do not concern the betterment of the music will not be allowed in rehearsal. Conduct that is not conducive to a good rehearsal environment will not be allowed. Each student is expected to strive for improvement in every rehearsal. Failure to do so may result in grade point reductions and/or removal from a rehearsal or ensemble.

In addition to the regular Monday through Thursday rehearsals, each member of the orchestra (strings) will participate in an hour-long sectional rehearsal that will be organized outside of rehearsal time by the leader of the respective section.

Course Policies

Ensemble Attendance and Grading Policy
Concert ensembles are graded using the same letter grading system as classroom courses. Concert ensemble grades are based primarily on the following four factors, all of which are considered when assigning ensemble grades:
- Performance and preparation
- Contribution to the ensemble
- Cooperation and professionalism
- Attendance

Due to the importance of regular attendance by every member of the ensemble in creating a unified and consistent ensemble sound, each student’s attendance record will be a major factor – but not the only factor – in determining their grade.
Unexcused absences or tardies to ensemble services will cause a student to accrue grade reduction points as indicated below:

Late to a regular rehearsal: 2 points
Absent from a regular rehearsal: 4 point
Late to a dress rehearsal: 3 points
Absent from a dress rehearsal: 6 points
Late to a performance call: 5 points
Absent from a performance: a grade of F for the semester and a loss of scholarship/service award.

Point system:
93 to 100 A
84 to 92 B
76 to 83 C
68 to 75 D

If a student receives an ensemble grade of C or less for the semester, the service award/scholarship for that student will be reduced the following semester. The amount of reduction will be determined by the ensemble conductor.

Any student who misses a dress rehearsal, or who misses a week or more of rehearsals in preparation for a program, may also be removed from the concert at the conductor’s discretion. Also, any student who misses a dress rehearsal or a concert may be expelled from the ensemble for the remainder of the semester. Willful neglect of ensemble responsibilities may also subject a student to expulsion from the ensemble.

Concert ensembles will have occasional rehearsals that fall outside of the ensemble’s regular rehearsal days and times. These out-of-sequence rehearsals are usually very critical rehearsals, such as dress rehearsals or combined orchestra/chorus rehearsals. All out-of-sequence rehearsals are in the schedule from the very beginning of the school year and students are expected to make note of them and plan to attend them.

Ensemble members arriving at rehearsal after tuning has begun will be marked late. Leaving a rehearsal prior to its scheduled completion is considered the same as being late in terms of the grade reduction points assessed.

To request permission to be excused from a concert ensemble rehearsal, or to be excused from being late or leaving early, students are required to fill out and submit an Excuse Request Form. Paper versions of the form are available in the Orchestra Office. These requests are reviewed by the conductor of the ensemble who will either approve or deny the request. Any absences or tardiness not documented by an approved Excuse Request
Form will be considered unexcused. Forms submitted later than the day following the date of the absence or tardiness will not be approved.

In accordance with Ensemble policy, absence or tardiness due to schedule conflicts with classes or private lessons are not excused. This also applies to make-up lessons. Department faculty is aware of this policy and should not attempt to schedule a lesson that would conflict with your large ensemble rehearsals. It is each student’s responsibility to arrange their schedule to avoid conflicts with ensemble services. It is particularly important that students schedule their recitals so as to ensure that no conflicts are created with any ensemble rehearsal or performance, as no excuse requests will be approved under these circumstances.

Music
Music is expensive and a valuable resource for our orchestra. Should your part NOT be returned, $50 will be subtracted from your service award.
