Course Objectives:

- Students will learn and understand the basic knowledge of theatre.
- Students will develop the understanding of the aesthetic of performing arts and theatre as an art form and its role in society.
- Students will learn about theatre etiquette and appreciation of performing arts.
- Students will learn to communicate a critical view of social and cultural influences of productions that they will see.

Teaching Philosophy

My teaching philosophy is to allow students to experience personal responsibility in the university setting. It will be the student's responsibility to actively participate in their job as a college student by attending class everyday, coming prepared, actively participating in the both the classroom and online, and completing all assignments. My job is to provide a positive environment that encourages the desire to learn, guide the students through the course and make sure that the students feel comfortable coming to me in person and asking any questions or to talk about the class.

Show attendance:

It is mandatory for you to attend three (3) out of the five (5) Department Productions. Please purchase your tickets early, some shows will sell out fast and or specific performances will sell out. If you wait to buy tickets until the last minute, it is possible that tickets will be sold out and then you will get a zero for the assignment.

Remember to save your tickets and programs. You will need to turn them into me to get credit for attending the production. You will be writing a review on one (1) of these. More information included on handout and on Blackboard. See handout for productions, location, date, time, and ticket prices. All productions must be seen by Sunday, May 7th because the last day to submit work is Monday, May 8th at noon.

Assignments – You are responsible for turning all work in on time, even if you are absent.

See handouts provided for more detailed information and instructions. You can also find the information on blackboard. Refer to end of syllabus for due dates.

- Three (3) online multiple choice exams = totaling 300 points.
- One (1) review of any of the above UTEP Productions = totaling 125 points.

- Two (2) additional play viewings from list provided = totaling 50 points
- Two (2) online plays and mini review = totaling 100 points.
- Three (3) Discussion Boards (Video and or Article Reading Required) = totaling 150 points.
- Three (3) quizzes on articles and or videos = totaling 75 points

Grading:

I grade using a point system. Assignments will range in value. There is no weight to work. It is a simple point received/potential points earned system. You must make at least a C to receive credit for the class.

Grading Scale: 720-800 =A; 640-719= B, 560-639 = C, 480-559 = D, 0-479 = F.

Please Note: Be sure to save ALL graded work that is returned to you and verify your grade periodically throughout the semester. Errors in your grade can be corrected if you can provide your graded work.

Late Work

I do not accept late work! No Excuses Allowed! I teach 120 Intro to Theatre students and do not have time to catch up on assignments turned in late.

Get out of Jail Free Card

I allow every student one (1) "Get out of Jail Free Card" – This is your opportunity to save yourself in the event you forget, have a computer crash or any crazy problem. You can use it on any assignment but Discussion Boards and the reason is because the discussion boards are a group assignment and therefore can only be in done in real time, not late. I will give you each a "card". You must submit it to me within 24 hours of missed assignment, once submitted and request processed you cannot use it again. More instructions will be on the "card". Use wisely.

Extra Credit

The only extra credit I will allow is you viewing other theatre productions on campus, around El Paso and Las Cruces. See handout for more information. I give you up to 8 additional plays at up to 10 points, this is an entire letter grade for improvement. Take advantage of this and start seeing shows early in semester.

Attendance

I take attendance for the sole purpose of keeping track of your commitment to the class. Make sure you sign in.

Late

I start class on time with announcements and questions. Once lecture starts I will close and lock door – you will not be allowed in class at this point. Do not knock, do not sneak in, if you try, I will stop lecture and tell you to leave.

Technical Support: If you do not know how to use Blackboard – go to Tech Support Room 300 at Library immediately. Do not wait until you do not understand how to do assignments. If you are having technical problems with Digital Theatre Plus, do not email me asking me about it – contact the Library.
