Course Objectives:

- Students will learn and understand the basic knowledge of theatre.
- Students will develop the understanding of the aesthetic of performing arts and theatre as an art form and its role in society.
- Students will learn about theatre etiquette and appreciation of performing arts.
- Students will learn to communicate a critical view of social and cultural influences of productions that they view online.

Teaching Philosophy

My teaching philosophy is to allow students to experience personal responsibility in the online university setting. It will be the student's responsibility to actively participate in their job as a college student by actively participating in the online class several times over the course of the week, checking blackboard daily, being prepared for and completing all assignments and test. My job is to provide a positive environment that encourages the desire to learn, guide the students through the course and make sure that the students feel comfortable coming to me via online tools or in person and asking any questions or to talk about the class.

Grading:

I grade using a point system. Assignments will range in value. There is no weight to work. It is a simple point received/potential points earned system. You must make at least a C (560 points) to receive credit for the class.

Grading Scale: 720-800 = A; 640-719 = B, 560-639 = C, 480-559 = D, 0-479 = F.

Late Work

I do not accept late work! No Excuses Allowed! I teach 150 Intro to Theatre students and do not have time to catch up on assignments turned in late. However, you are more than welcome to do work early and get ahead on assignments.

Get out of Jail Free Card

I allow every student one (1) "Get out of Jail Free Card" – This is your opportunity to save yourself in the event you have a computer crash. **You can only use it on exams.** You simply email me the instant it happens explaining the situation, your email should be written in proper format, proper subject and be written in a nice and polite tone because you are asking a favor from me. Once submitted and I process the request you cannot use it again, even if you miss the window I have opened for you (usually 24 hours-36 hours from processing). If your computer crashes at 11:55pm on due date, I expect to see email by 8am the next day. You cannot request after that time has passed. This is not for those who just forget to do the exam.

Assignments:

You are responsible for turning all work in on time. Instructions/Rubrics are available on Blackboard with the actual assignment. If you have any questions before you begin, please contact me.

You can turn work early and get ahead on assignments, they may not be graded until the after the due dates.

Due Dates for assignments/exams are at 11:59pm the night before our class meeting.

Monday Section – all work is due Sunday at 11:59pm

Wednesday Section – all work is due Tuesday at 11:59pm

Friday Section –all work is due Thursday at 11:59pm

Discussion Boards are the exception – please see the Blackboard Shell for a breakdown of the due dates with a discussion board – there are parts, each with different due dates within the week.

Attendance

We meet once a week for a total of 13 classes. There is no reason for you to miss class. I will take attendance. After 2 absences your grade will be reduced one letter grade for each absence above the two. The only excused absence is university sanctioned events in which you need to provide a letter from a university head, like the dean or head of athletics to get the absence excused. Military students, if you miss class due to military commitment, you must provide letters from your CO to allow it to be excused or if it is a VA issue, also a letter must be provided. Do not schedule doctor appointments during my class, I don't do it, so you can't. Save your two absences that I allow for emergencies, like sick kids, death in the family or your sisters wedding in Las Vegas.

Extra Credit

The only extra credit I allow is for students to see extra productions and turn in ticket stub and program. You can see all the department shows in addition to the one required show. You can also see shows at EPCC, NMSU and professional and community theatres in El Paso and Las Cruces. No high school productions allowed. All extra credit programs and tickets will be due no later Friday, December 8th at 9am in my office or mailbox. You can see up to 8 shows at 10 points each. That is 80 points total which is the difference in a whole letter grade. Trust me – bank these, start seeing the shows at the beginning of the semester, do not wait until the semester is almost over because there may not be any shows to see.

Grade Rounding

At the end of the semester many of you might be a few points shy of a better grade. I do not round up unless you meet all the following criteria.

1. You are 5 points away from a better grade – do not email me if you are 6 points away.
2. You completed every assignment
3. You have PERFECT attendance
4. You did all 8 extra credit possibilities

So don't ask me to do so unless you have met all 4 requirements.

Technical Support

If you do not know how to use Blackboard – go to Tech Support Room 300 at Library immediately. Do not wait until you do not understand until you are having problems. You can contact Help Desk via email, helpdesk@utep.edu, by phone 747-5257. Hours are M-F 7a-8p, Sat 9a-10p and Sun 12-4p.
