Introduction

Art 1300 is an introductory course to visual literacy. We will explore how the Visual Arts have been interpreted, valued, and what functions they have played in distinct societies through a variety of cultural contexts and historical periods from pre-modern to contemporary society. Students will be introduced to a basic overview of art history, but the main objective will be to develop skills for discussion and active engagement with art.

Course Goals

- Learn basic art terminology and apply it to do a formal analysis of an artwork.
- Understand some of the processes and media used to create visual arts.
- Develop the ability to identify artistic styles, techniques, conceptual issues, and traditions related to visual art.
- Discuss the meaning and function of art within distinct cultural contexts and/or time periods.
- Develop the ability to think and write critically about visual art by making intelligent and informed analyses and interpretations of works of art using appropriate terminology.
Required Textbook (used copies are fine)

- *Gateways to Art* by Debra J. DeWitte, Ralph M. Larmann and M. Kathryn Shields, 2nd or 3rd ed. ISBNs: 0-500292037 or 0-500-841150.
- **Supplementary readings, class notes and images will be provided online.**

Communication Channels

As an online class, all lectures, readings and course work will be done independently on Blackboard. When you have questions about the class, the readings or the assignments, consider the following options:

- If you have trouble with Blackboard, email the helpdesk@utep.edu; Phone: 915-747-5257 or Chat through the website: http://helpdesk.utep.edu. or the BB technical support hotline (t-877-382-0491).
- Post all questions that are not about grades or personal matters to the General Questions forum in the Discussion Board. This way everyone can benefit from the discussion. I will check the Discussion Board every 24 hours and the academic coaches will also check the DB periodically.
- **E-MAIL:** You should email your academic coach first if you have questions about grades or a personal matter first. If you still need further assistance you may email me cafoerster@utep.edu. I check my email once a day. Therefore, if you email me, I will respond within 24 hours time.
- If everything fails, and you need to reach me, call the UTEP Art Department at (915)747-5181 during business hours.

Guidelines

Students will be required to actively participate in multiple levels. Each week, the course material will be presented as online lectures supplemented with readings, links and short videos. Students will be required to participate on the Discussion Board to demonstrate their comprehension of the material and earn class participation credit. Your learning and ultimate performance will depend on careful listening and reading of the lectures and texts, responding critically to them, and engaging with other students' ideas in the virtual classroom.
