Grading Information

Grades in this course will be calculated on a 100-point scale:

- 100-90 points: A
- 89-80 points: B
- 79-75 points: C
- 74-70 points: D
- 69 and below: F

Quizzes:

- Worth 50% of your final grade
- Most quizzes will have ten (10) questions; however, some may have as many as twenty questions.
- Untimed
- I may curve the quiz grades.

Discussion/Journal Entries (Excludes Case Briefs):

- Worth 50% of your final grade
- In order to earn full credit for each post, you will be required to answer each component. Your responses must be substantive and contain textual evidence (citations from reliable sources). You may NOT cite Wikipedia or a website unless the assignment clearly requires you to cite website. You are required to use the UTEP library for your research, either in person or online.
- Each discussion post must be at least five hundred (500) words in length, at least five full paragraphs (see example of Five Paragraph Essay Graphic Organizer at the end of this Syllabus), and contain a valid thesis statement that addresses the topic. A paragraph consists of five (5) to seven (7) sentences with appropriate transitions.

- Responses must be made using complete sentences and proper grammar/spelling. Language commonly used in text messages and in casual speech is not appropriate and will not receive a passing grade.
- Please respect your classmates' opinions. While I encourage you to support your opinion(s) and engage in meaningful discussions and debates, derogatory comments will not be tolerated and may result in a grade of "0" for that discussion.
- **You are required to comment on two (2) of your classmates' Discussion posts for every discussion post assignment.** (No comments on Journals as only the student who wrote the journal entry may view it).
- Please review and refer to the *Discussion Grading Rubric*, located on your homepage, for a detailed description of criteria I will use to grade your discussion posts.

Note: It is your responsibility to check your grades. If you do not see a grade for an assignment one week after the module closed, that means that your assignment was not received. You will have seven days after a module closes to contact me regarding the previous week's assignments. If you do not contact me within that time by email, your grade will remain a "0." **I do not accept late work.** It will be your responsibility to communicate with tech support to recover lost documents.

Drop Policy

If unforeseen circumstances happen where a drop is necessary, *students* are responsible for initiating any course drop. It is the student's responsibility to determine how dropping courses may affect financial aid. **Students are limited to dropping no more than 6 courses over their entire academic career of all courses taken at any public college or University in Texas.**

- Students who drop a course within the first 2 weeks ***before the "official census date,"*** the course will not appear on the transcript, and doesn't count toward the 6-course drop limit.

- b) Dropping a course ***after the official census date, but before the “course drop date”*** will generate a “W” in the course—although the drop shows on your transcript, a “W” does not lower your GPA. However, this type of drop counts against your 6 drop limit.
- c) If the course is dropped ***after the “course drop date”*** or if the student just stops coming/taking tests, etc., UTEP requires the instructor to issue an “F” in the course that permanently remains on the transcript. This type of drop counts against the 6 drop limit.
- d) UTEP also allows instructors to administratively drop any student because of excessive absences, lack of effort, or disciplinary reasons. In this case, the student will be notified of the course drop through their UTEP email account. A “W” will be issued if the drop occurs before the course drop date, and an “F” will be issued if a student is administratively dropped for disciplinary reasons or after the course drop date. This type of drop counts against the 6 drop limit.
- e) If circumstances occur where a student must miss an excessive number of classes and/or is unable to submit multiple assignments (e.g., student medical reasons, medical conditions of a family member, death of a family member, active military service), they should first discuss the possibility of withdrawal from all classes with their academic advisor. If a student withdraws completely from all classes, kindly notify Carey Antwine at: cathornberry@utep.edu . Complete withdrawals from all classes in the same semester do not count against the 6 drop limit.

Academic Dishonesty

The UTEP Handbook of Operating Procedures defines plagiarism as “the appropriation, buying, receiving as a gift, or obtaining by any means another’s work and the unacknowledged submission or incorporation of it in one’s own academic work offered for credit in another course without direct permission of all involved instructors. It is the official policy of the university that all suspected cases or acts of alleged scholastic dishonesty must be referred to the Dean of Students.”

Incomplete Grade Policy

Incomplete grades may be requested only in exceptional circumstances after you have completed at least half of the course requirements. Talk to me immediately if you believe an incomplete is warranted. If granted, we will establish a contract of work to be completed with deadlines.

Accommodations Policy

The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented disabilities in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a disability must register with the UTEP Center for Accommodations and Support Services (CASS). Contact the Center for Accommodations and Support Services at 915-747- 5148, or email them at cass@utep.edu, or apply for accommodations online via the CASS portal.
