## Prerequisites

---

Placement audition for voice faculty. Upper level sections (3295 and 3391) must have had 4 semesters of MUSA 1195 and successful completion of barrier jury.

## Course Description

---

This course is designed to enhance students' ability to use their singing voices in the healthiest and most efficient manner possible, to advance their communication and performance skills, develop their knowledge of vocal pedagogy, and to expand their knowledge of vocal literature.

Vocal performance as a means of artistic communication is emphasized and will be tailored to the individual student's goals, whether those goals are vocational or recreational.

## Course Materials

---

- A student account with CollabraMusic.com (usually \$24/semester; fee is waived for Spring 2017) for recording and reviewing lessons, practices, etc. [COURSE CODE: g3ngg8aj37bg4 -- further sign up instructions to be provided.]
- Pencil with eraser, highlighter marker, and water, as you should take to any rehearsal.
- 3 copies of each assigned piece (for self, accompanist and instructor).
  - Provide binder with your music for instructor, who will keep that binder.
  - Keep your own copies of music organized in a binder, where you will also keep copies of exercises, song research, translations, etc.
  - Ask your accompanist how they prefer to receive your music (in a binder, single-sided vs. double sided, etc.).
  - Be sure your photocopies are clear and legible, and include ALL the notes and words.
- Any purchased music anthologies you were asked to buy for each semester. You will only be asked to purchase one per semester, however you may choose to supplement your own musical library with more.
- Metronome (there's an app for that).
- Bring all your assigned music with translations, pronunciation guide (IPA), and character analysis to *every* lesson.

no career."

## Course Content

---

*Student shall:*

- **Independently practice** assigned vocal exercises/vocalizes specifically designed to promote vocal growth and a better understanding of the fundamental concepts of vocal technique.
- **Independently prepare** and memorize assigned vocal repertoire.
  - For all repertoire:
    - Learn and memorize assigned music and text with accuracy of pitch, rhythm, diction, appropriate vocal style and dramatic expression.
    - Research the composer, poet or lyricist, historical period and context of the piece as it was originally performed.
  - For repertoire in a language other than those spoken fluently by the student:
    - Obtain and write a literal (not poetic) line-by-line/word-for-word translation into *all* copies of the music. It is also helpful to write the paraphrased meaning of each line into the music as well.

- Write pronunciation (ideally using International Phonetic Alphabet (IPA) symbols) for the text in your copy of the music.
  - For repertoire from a dramatic work (musical, opera, film or oratorio):
    - Obtain and study a synopsis of the work.
    - If possible, watch a video of a staging or movie of the entire work.
    - Research the character and understand who he/she is in the context of the story.
    - Research the scene to which the piece belongs.
  - For pop, jazz or rock repertoire:
    - Study as many recordings, arrangements and remakes of the song as one can find, using sources such as YouTube, Spotify, recordings available in UTEP libraries, etc.
- **Perform** the assigned vocal repertoire to a level acceptable for public presentation with accuracy of pitch, rhythm, diction and with dramatic expression appropriate for the piece.
- **Evaluate** self and peer performances with appropriate terminology and constructive commentary, in person and in writing (see provided “Peer Evaluation Form”).
- **Listen** to, discuss, and write about recordings by professional singers.
- **Attend** all lessons, as well as weekly studio and recital classes.

---

## Course Goals

*The goals of this course are to help the student to:*

- Identify, discuss and demonstrate consistent practice of the primary vocal concepts of posture, respiration, phonation and resonance.
- Develop and utilize research skills in order to adequately prepare a piece of music for study and performance.
- Develop and utilize efficient practice skills.
- Develop listening skills.
- Develop the skills necessary to combine technical and expressive qualities of singing to create an artistically fulfilling performance.
- Identify, discuss, and demonstrate consistent practice of essential performance skills including character/mood development and presentation, and recital/jury etiquette.
- Objectively assess their own performances and those of their peers through in-person discussion and written essay.
- Develop organizational skills necessary for the performing artist.

---

## Course Outcomes

*At the completion of this course, the student will be able to:*

- Effectively vocalize to balance the voice and body in preparation for practice or performance.
- Identify and utilize specific vocal exercises in order to promote vocal growth.
- Perform assigned songs from memory with accuracy of pitch, rhythm, diction, appropriate tone quality and musical expression.
- Critique self and others verbally and writing.

---

## Course Requirements

*In order to achieve these objectives, the student will:*

### Practice & Study

- Your lessons will be video recorded using Collabra. I suggest you also audio record with your smartphone.
- Review lessons at least three times, preferably *daily*, before the next lesson.
- Practice a minimum of 30 minutes *daily* outside of the weekly lesson to keep consistency in your voice. A minimum of 1 hour daily is recommended for improvement beyond simple consistency.
- Log your practice using the form provided in each lesson. Return the completed practice form to your professor at your next lesson.
- Divide your practices into a portion for working on vocalization exercises assigned in lessons and a portion for studying and learning assigned repertoire. Assign some practice time for just experimentation.
- Total suggested practice per week: 7–10 hours.

- Prepare and memorize minimum 5–7 songs (upper level) or minimum 3–5 songs (lower level) for performance on area/departmental recital as well as studio class and juries. Refer to Voice Area handbook for specific repertoire requirements.
- Read assigned materials on singing and related concepts.
- Listen to recommended singers and performances on YouTube, Spotify, etc.

## Written Work

For each assigned piece, be prepared to show the following during the *first* lesson in which you sing each piece:

- 1) **IPA & Translation** (write into your music and the copies for teacher & pianist):
  - a) Phonetic transcription (International Phonetic Alphabet preferred) above lyrics.
  - b) Word-by-word translations into English (and/or Spanish if needed).
- 2) **“Program Notes”** to be kept in notebook with songs, including:
  - a) Synopsis of song.
  - b) Poem/lyrics written out (with poetic translation) separate from the music, in two columns, like you would print in a recital program. (See attached example.)
  - c) Biography of composer.
  - d) Biography of poet/lyricist.
- 3) **Personal research** (to be kept in your music notebook or in a journal) including character analysis; your own thoughts about each poem, the music and/or the arrangement; ideas for performance; and the emotional landscape of the piece. See attached schedule for due dates.
- 4) **Peer Evaluations.** Provide at least 5 written critiques of live performances of peer singers from area recital, departmental recital, or studio class. (“Peer Evaluation Form” is attached. Photocopy it as needed.)

## Performance

Students will perform a minimum number of times each semester (see below). This can be accomplished by singing in studio/master class, performing at NATS, as a soloist on a choir concert, in departmental/area recital, church services and Opera Workshop performances.

- Vocal performance majors will perform 3 times IN ADDITION to their jury.
- Music Education majors will perform 2 times IN ADDITION to their jury.
- Bachelor of Arts and Commercial Music majors will perform 2 times IN ADDITION to their jury.

**IMPORTANT:** You must have worked on whatever piece you will perform a minimum of 2 times in lessons for it to count towards a required performance.

## Attendance

1. Attend all scheduled lessons (see attendance policy below).
2. Attend all scheduled studio classes and perform as assigned.

## Pianist

- Students are required to hire a pianist at their own expense to attend the *last* half of each voice lesson, beginning at the latest during the second full lesson of each semester. This is to ensure student can work on required repertoire with appropriate accompaniment, enabling the instructor to focus on your vocal technique and style.
- Students are further expected to work with their pianist a minimum of one additional half hour each week on their assigned repertoire.
- You alone are responsible for paying your pianist on time, according to the schedule you agreed to with them. Pianists who are owed money will opt not to play juries. It is unacceptable to hire a different pianist to avoid paying one you owe.

## Concert Attendance

Observation of your peers and professionals in your field is one of the surest ways to improve your perspective and musicianship. To that end:

- Attend all choral music concerts and at least one performance of each of the Opera Workshop productions.
- Attend at least 3 outside professional level concerts of varying genres and at least one concert should be classical.
- Attend all recitals of fellow Duke Studio members, and have a faculty member in attendance sign your program.

## Final Exam

Perform a jury for the voice faculty.

## Evaluation

---

Grades will be based on the following criteria:

(Scale: 90-100% = A, 80-89% = B, 70-79% = C, 60-69% = D, Below 60% = F)

### 50%: Weekly lesson grades

- Attendance and punctuality (see attendance policy below).
- Preparation (includes evidence of having worked with your pianist, and ensuring your pianist is present at lessons as required).
- Evidence of regular and consistent practice (turn in Lesson Form from prior lesson).
- Mastery of assigned exercises and concepts.
- Prompt response to all instructor communications.

### 25%: Written and other assignments

- Written critiques of peer performances (use form provided in this syllabus).
- Completion and quality of research, including journal, translations, composer biography, IPA in music, etc.
- Listening assignments.
- Other scholarly work (recital programs, etc.).
- On-time submission required. See attached schedule.
- Concert attendance

### 25%: Jury Grade

- Average of grades assigned by the voice area faculty.

## Studio Policies

---

### Studio Class: Fridays from 2:30–3:45pm

1. Weekly studio class provides necessary performance opportunities and additional time to explore performance-related technical and acting issues.
2. All students will split the cost of the pianist for the class. Exact cost to be determined by number of students, and should be nominal (around \$25).
3. If Recital Class runs late, Studio Class will start late and run the full time period.
4. If Recital Class ends early, Studio Class will still start at 2:30.
5. Location of class will be posted on the studio schedule, on the instructor's door.

### Lesson Attendance

1. Students are expected to arrive physically and mentally ready and able to sing at the designated start time, with all materials and assignments, prepared to work. Since much of the learning and course work is accomplished during lesson time, attendance and engagement are critical to your success. If you know this will be difficult for you, please discuss this with me ahead of time.
2. Students are required to attend fourteen (14) 50-minute lessons each semester. Lessons will be scheduled at the beginning of the semester and constitute a class that meets weekly at the same time.
3. Occasionally, your teacher may need to reschedule your weekly lesson. Be sure to mark your personal calendar and notify your pianist.

### Absences & Tardies

1. One absence per semester is allowed, regardless of the reason. All other absences will impact your lesson grade.
2. If you are sick, contagious and/or unable to sing, do not come to your lesson. Such an absence is not excused, but your presence could do more harm than good.
3. If you are more than 10 minutes late for an agreed upon lesson time, the lesson will be forfeited and recorded as an absence.
4. If you are tardy, that does not mean you will get extra time at the end to make up for your lateness. Every lesson counts, and lateness will impact your lesson grade.

### **Lesson Cancellation**

1. Contact your teacher as soon as possible, but **no later than 8:00 a.m. the day of your lesson.**
2. Text your teacher and briefly describe the reason you cannot be at your lesson. Be sure to include your name and make certain you receive a confirmation from Ms. Duke that your message has been received. If you do not receive a reply, keep trying to reach her (via text, email or phone) until you receive a reply.

### **Make-up Lessons**

1. Makeups are not guaranteed, and may be offered at the teacher's discretion.
2. Lessons missed or cancelled by the student will not be made up.

### **Communication**

Please communicate with your teacher by phone, text or email. When time is of the essence, call or send a text message. In all communications, be sure to include your name and be sure that you receive confirmation that your message was received. *If you do not receive a reply, follow up* using a different method of communication.

Official communications from your teacher will be sent to your university email account. Please check this account twice daily. (I can show you how to set it up on your smartphone.) *A prompt reply (within 24 hours) is expected.* If time is of the essence or in case of emergency, communication will be by text message or by phone call.

### **Vocal Health**

**PRACTICE.** Regular, effective practice is very important in order to progress toward your vocal and performance potential. However, excessive practice or singing "full out" in excess of two hours per day can be counterproductive and dangerous to your vocal health. Listen to your body. Give yourself appropriate rest periods.

**CARE FOR YOUR BODY.** Stay hydrated, do not smoke, avoid overuse of caffeine and alcohol, get adequate sleep (7 hours per night should be a *minimum* goal), stay healthy and do not abuse your voice (i.e. talking over loud environments, yelling at sporting events, concerts, etc.). Wash your hands frequently and avoid contact with sick people.

**HYDRATION.** Many singers find it necessary to use a humidifier, especially in a dry climate, to keep their voice working at their best. For chronic sinus trouble, a saline rinse (neti pot) can be very useful and economical.

**WHEN TO SEE A DOCTOR:** If your voice is compromised by infection or overuse, see an otolaryngologist or ear, nose and throat doctor (ENT) who knows the specific challenges of singers. Dr. Kevin Bright (915) 544-1350 is the recommended ENT for singers in El Paso.

### **Extracurricular Opportunities**

According to the Vocal Area Handbook, **your applied voice teacher must approve all performance and/or coaching opportunities outside this studio and its assignments.**

This includes, but is not limited to: El Paso Opera, UTEP Dinner Theater, Theatre Department productions, volunteer or professional choruses (such as El Paso Chorale, Bruce Nehring Consort, church choirs), Viva! El Paso, El Paso Gilbert & Sullivan Society, master classes with guest artists or local teachers. **AUDITION FOR EVERYTHING**, and check with your teacher before accepting anything.

## **Program Notes (Example)**

### ***Alma Schindler Mahler (1879–1964)***

---

Born in 1879, the daughter of a Viennese painter, Alma Mahler inspired the passionate love and devotion of an astonishing array of creative artists of *fin-de-siècle* Vienna. She married three of them—the composer Gustav Mahler, the architect Walter Gropius, and the writer Franz Werfel—and had a host of admirers and lovers, including the painters Oscar Kokoschka, Egon Schiele, and Gustav Klimt. The composer Alban Berg dedicated his opera *Wozzeck* to her and a violin concerto to the memory of her daughter, Manon, who died of polio.

Despite showing promise as a composer under the tutelage of Alexander von Zemlinsky, she agreed to stop composing after marrying Gustav Mahler. Not unsurprisingly, this limitation put a strain on the marriage, which perhaps led to her dizzying array of lovers. Later in life, Mahler recanted and encouraged his wife to compose, even helping her to publish some of her songs. Only fourteen songs have survived to be published and recorded. | O zürne nicht, wenn mein Begehren<br>Dunkel aus seinen Grenzen bricht,<br>Soll es uns selber nicht verzehren,<br>Muß es heraus ans Licht!                         | Oh be not angry, when my desire<br>Darkly breaks through its boundaries,<br>If it is not to consume us,<br>It has to come out to the light!                                 |

- 3) What is the trigger for you, your character, or the song's implied narrator to sing these words with these music?
- 4) What actions are suggested by the words of the song?
