Weekly Discussions

There will be 2 group discussion exercise per week (total 7 discussions for the semester) after careful reading and analysis of the assigned texts, you must individually write a response to the assigned question(s). **Discussions will open on Sundays at 5 a.m. and close on Saturdays at 11:00 p.m...**

In order to receive any credit for weekly discussions all of the following mentioned below must be met: NO EXCEPTIONS

Is the commentary to **initial question at minimum 100 words?**

Is the commentary to **classmate at minimum 100 word?**

Does the commentary show evidence of having read the material?

Does the commentary show evidence of thinking about the reading beyond just summarizing it? (This may include extension to new circumstances extension to new circumstances/other readings, contradictory evidence, internal (in) consistency, and analyses of assumptions.)

Does the commentary include relevant evidence to support its own argument? **HINT YOU WILL NEED CITATIONS**

The standard practice ("netiquette") for participation in networked discussion requires that all participation is focused on the topic at hand, not become personalized, and be substantive in nature.

Ex. Author's last name, year, and page number

Discussion questions grades are based on response quality and WORD COUNT and that an in-text citation is provided for each original response. Integrate various main ideas from the book, thoughtfully describe what the concept and/or issues mean to you, evaluate/analyze the reasonableness or quality of ideas, identify hidden assumptions, fallacies, or things take for granted.

EXAM STRUCTURE

There will be 2 exams.

Exams will contain a combination of true/false, multiple choice, fill-in the blank, short answer, and essay questions at a rather high degree of difficulty, and reflects your understanding rather than ability to memorize and/or look up information. The instructor reserves the right to override any disagreement over right answers.

Exams are open book, and open note. Exams will be based on both discussions and assigned reading materials.

Failing to complete exam because you forgot, or you were not aware is not a valid excuse. I have outlined for you when exams are, and it is crucial that you make note of week 2 and week 4 for this course.

UTEP DROP POLICY

If unforeseen circumstances happen where a drop is necessary, students are responsible for initiating any course drop. It is the student's responsibility to determine how dropping courses may affect financial aid. **Students are limited to dropping no more than 6 courses over their entire academic career of all courses taken at any public college or University in Texas.**

- a) Students who drop a course within the first 2 weeks before the “official census date,” the course will not appear on the transcript, and doesn't count toward the 6-course drop limit.
- b) Dropping a course after the official census date, but before the “course drop date” will generate a “W” in the course—although the drop shows on your transcript, a “W” does not lower your GPA. However, this type of drop counts against your 6 drop limit.
- c) If the course is dropped after the “course drop date” or if the student just stops coming/taking tests, etc., UTEP requires the instructor to issue an “F” in the course that permanently remains on the transcript. This type of drop counts against the 6 drop limit.
- d) UTEP also allows instructors to administratively drop any student because of excessive absences, lack of effort, or disciplinary reasons. In this case, the student will be notified of the course drop through their UTEP email account. A “W” will be issued if the drop occurs before the course drop date, and an “F” will be issued if a student is administratively dropped for disciplinary reasons or after the course drop date. This type of drop counts against the 6 drop limit.
- e) If circumstances occur where a student must miss an excessive number of classes and/or is unable to submit multiple assignments (e.g., student medical reasons, medical conditions of a family member, death of a family member, active military service), they should first discuss the possibility of withdrawal from all classes with their academic advisor. If a student withdraws completely from all classes, kindly notify Ms. Ordaz at: clordaz@utep.edu . Complete withdrawals from all classes in the same semester do not count against the 6 drop limit.

SCHOLASTIC INTEGRITY

Any student who commits an act of scholastic dishonesty is subject to discipline. **Scholastic dishonesty includes, but is not limited to, cheating, plagiarism, the submission for credit of any work or any materials that are attributable in whole or in part to another person, taking an examination for another person, and act designed to give unfair advantage to a student to the attempting to commit such acts.** Proven violations of the detailed regulations, as

printed in the Handbook of Operating Procedures, may result in sanctions ranging from disciplinary probation, to a failing on the work in questions, to a failing grade in the course, to suspension or dismissal, among others. ** THIS ALSO INCLUDES submitting work from a previous class and using it for this class (that is cheating) refer to handbook for further clarification.
