check your email daily. Assignments will be due on blackboard so make sure your blackboard account is working.

Also, I will be covering certain topics pertaining to each chapter so be advised that even though I may not cover a certain topic it does not exclude it from your exam so be sure to read your chapters entirely. **Please note that any work that may be assigned for whatever the circumstance may be must be in APA format ONLY (this is to include in text citations).** I encourage you to visit the writing center and familiarize yourself with APA format.

Please note that if you have an assignment due you must submit through blackboard. If you fail to submit by deadline then your work is late and you will receive a grade of 0. It is your responsibility to know deadlines and be aware of time frame to submit.

Writing Center Information

The University Writing Center is located in Library, Room 227. It is a great place to receive help with editing your written papers, and with APA style assistance. They are open M-Th 9:00-5:00 pm, Fr 9:00-2:00 pm, and Sundays 12:00-5:00pm. Appointments are recommended well before the deadline, but they will take walk-ins.

- Owl Purdue- This website helps with APA format and you will be required to know and write in this format. **No other format will be accepted!** (We will cover this in class). **Failing to submit in APA format will result in you receiving a 0. I will be emailing sample research paper for your convenience**

Examples of in text citations:

According to Jones (1998), "Students often had difficulty using APA style, especially when it was their first time" (p. 199).

Jones (1998) found "students often had difficulty using APA style" (p. 199); what implications does this have for teachers?

According to Jones (1998), APA style is a difficult citation format for first-time learners. APA style is a difficult citation format for first-time learners (Jones, 1998, p. 199)

Simple rules for class:

Please be in class on time. Class begins at 9:00 a.m. and I will begin promptly at 9:00 a.m.

Repeated tardiness, cell phone ringing, texting, sleeping, reading material unrelated to class, will not be tolerated and I will ask you to leave the classroom if you are conducting this type of behavior.

Laptops are not necessary in my class and ARE NOT ALLOWED.

Electronic devices = tape recorders; you are not allowed to tape record my lectures and if I suspect that you are conducting this behavior I will ask you to leave the classroom.

The first five minutes of class will be used to go over any questions you may have on readings. I will randomly call on you to answer questions pertaining to chapter.

****It is crucial that you have read the assigned chapter for that day so that you are prepared for if I call on you.**

Attendance:

Attendance is not required in this class as an official portion of your overall grade. Given the rather specialized subject matter of the course, those who do attend class regularly will be more likely to understand the material and will therefore be in a better position to do well in the class. **If you miss class, obtain the lecture notes from one of your fellow classmates. I will not provide you with copies of my notes nor will I discuss with you what information was missed.** If in the event you have missed class due to a death of an immediate family member OR an emergency that can be verified... I will provide you with the necessary information. An immediate family member includes the following: mother, father, brother, sister, grandmother, grandfather. The note or informing me must be brought to my attention by the next class lecture.

**** Please be aware that I will be verifying if your note is valid ****

Note to Student

Please be mindful and courteous when reaching out to me or your classmates. Think before you write, spell check, and READ what you write out loud...any yelling, cursing, or disruptive behavior in my class will result in you being sent to The Office of Student Conduct and Conflict Resolution. This is a classroom and we will respect one another at ALL times.

UTEP Drop Policy

If unforeseen circumstances happen where a drop is necessary, *students* are responsible for initiating any course drop. It is the student's responsibility to determine how dropping courses may affect financial aid. **Students are limited to dropping no more than 6 courses over their entire academic career of all courses taken at any public college or University in Texas.**

- a) Students who drop a course within the first 2 weeks *before the "official census date,"* the course will not appear on the transcript, and doesn't count toward the 6-course drop limit.
- b) Dropping a course *after the official census date, but before the "course drop date"* will generate a "W" in the course—although the drop shows on your transcript, a "W" does not lower your GPA. However, this type of drop counts against your 6 drop limit.
- c) If the course is dropped *after the "course drop date"* or if the student just stops coming/taking tests, etc., UTEP requires the instructor to issue an "F" in the course that permanently remains on the transcript. This type of drop counts against the 6 drop limit.
- d) UTEP also allows instructors to administratively drop any student because of excessive absences, lack of effort, or disciplinary reasons. In this case, the student will be notified of the course drop through their UTEP email account. A "W" will be issued if the drop occurs before the course drop date, and an "F" will be issued if a student is administratively dropped for disciplinary reasons or after the course drop date. This type of drop counts against the 6 drop limit.
- e) If circumstances occur where a student must miss an excessive number of classes and/or is unable to submit multiple assignments (e.g., student medical reasons, medical conditions of a family member, death of a family member, active military service), they should first discuss the possibility of withdrawal from all classes with their academic advisor. If a student withdraws completely from all classes, kindly notify Ms. Ordaz at: clordaz@utep.edu . Complete withdrawals from all classes in the same semester do not count against the 6 drop limit.

**** These dates are in your calendar.**
