POLICIES AND PROCEDURES

Inclusiveness, equity, and language policy for this course

This seminar course is designed to develop ways to ensure students (your K-12 students and yourselves as students in this course) are in a safe learning environment where everyone feels valued and accepted. We will focus on learning to value students' (and each other's) diverse backgrounds, including language, culture, perspectives, experiences, challenges, resources, gender identities, sexual orientations, religions, race, ethnicities, economic statuses, immigration statuses, parenthoods, veteran statuses, ages, abilities and disabilities, etc. Your knowledge of and appreciation diversity in your future students, in yourselves, and in our community is essential for the development of safe learning environments. Please know that all the characteristics of your identity are welcome in our learning community. We will show respect for each other at all times and make sure our *whole self* is valued.

College of Education, Teacher Education
University of Texas at El Paso

As a way to integrate our backgrounds in this course, you are encouraged to use and develop your own biliteracy skills. *You may submit any formal assignment in English or in Spanish.* For discussions, the most important criterion is that everyone has the opportunity to understand and to be understood—thus, any form of discussion group may use any variety(ies) of Spanish, English, both, or any other language, as long as the members of the group agree.

Food insecurity, mental health, and access to support services

Learning happens only when our bodies and minds are well—and all of us occasionally face challenges to wellness that interfere with our learning. I want you to be aware of a variety of support services on campus that can help you navigate these challenges and obstacles. **The UTEP Food Pantry** is available to help address students' basic food needs, as well as needs for personal hygiene items and access to additional support programs for students and their families. It is located at Memorial Gym Room 105, hours and more information posted online at <https://www.utep.edu/student-affairs/foodpantry/>. The office of **Counseling and Psychological Services** offers mental health counseling, crisis counseling, and many workshops on wellness topics—all of which are free to UTEP students. Their hours and services are posted online at <https://www.utep.edu/student-affairs/counsel/resources/services-students.html>. Additional support services and resources are listed at <https://www.utep.edu/student-affairs/resources/index.html>. If you are facing an obstacle to your learning, I encourage you to check out these resources, or let me know, and I will be happy to help you find the supports you need. You are not alone.

Changes to the syllabus

I strive to respond in my teaching to the shifting conditions of our class community: current events, our discussions, our interests, our extant experiences, and needs for growth. Some changes may be made to the syllabus along the way. I will always notify you or ask you to participate in the decision to make changes. If there are significant changes, the updated syllabus will be made available on Blackboard.

COURSE ASSIGNMENTS/REQUIREMENTS

POP Cycles

Completion of POP Cycles involves several steps with deadlines. The Resident is expected to complete each step and provide the Site Coordinator with the necessary deliverables (e.g., lesson plan) by the due dates. Residents will schedule 2 POP Cycles with the Site Coordinator early in the semester.

Walk-throughs

In addition to the two formal POP Cycles, the Site Coordinator will conduct four informal observations per semester. Walkthroughs are meant to serve as opportunities for reflection and growth as you progress through your Miner Residency experience and well into your teaching career.

- Walkthroughs will not be scheduled, but the Teacher Candidate will be provided a two-week window of when they may expect a 10-15-minute observation by their Site Coordinator.
- Residents do not need to prepare for the visit. The Site Coordinator will capture whatever is happening at the time in the classroom and will give the Teacher Candidate feedback and an opportunity to reflect.
- The Site Coordinator will complete the Walkthrough Form and upload it online to make it accessible to the Resident. The Resident is expected to meet with the Site Coordinator after each walkthrough to receive feedback, coaching, and support.
- The Walkthrough Form will have a Reflection portion for the Resident to complete after each of the four observations. The completion and quality of these reflections will be factored into the overall final grade for the course. (Miner Assessment Tool: Domain 4, Criteria 4.2.3: Reflection)

Student Perception Survey

Residents will administer a [Student Perception Survey](#) (pre/post-test format) in their field placement, with the pre-survey happening the first weeks of October-November, and the post-survey by the end of April. Based on data gleaned from this survey, Residents will develop an intervention to be implemented during the semester.

PERFORMANCE GATES AND FINAL GRADE

S – Satisfactory

U – Unsatisfactory

You are preparing to be an elementary or middle school teacher, so you must work at the level and with the integrity you would intend your future students to demonstrate! At the end of your Student Teaching Residency II course, Residents are assigned a grade of Satisfactory 'S' or Unsatisfactory 'U'. No letter grade is assigned, and this course grade does not impact your overall GPA. In order to pass Student Teaching Residency II and be recommended for certification, the resident must meet the following criteria:

- All excused and unexcused absences have been made up by the end of the semester.
- By POP Cycle #4, Residents must have scored at least a 3 ("Proficient") on each of the Miner Assessment Tool indicators.

Teacher Candidates who fail to achieve or maintain ratings in this manner may have the option to complete one additional POP cycle to reach the standard, at the discretion of their Site Coordinator and in collaboration with program leadership.

**College of Education, Teacher Education
University of Texas at El Paso**

If a resident does not meet this performance standard (“3- Proficient” on all indicators), s/he will not be recommended for certification. Students who do not meet program requirements may still graduate with a non-certified undergraduate degree and will need to meet with their academic advisor to determine the next steps.

240 Tutoring Hours/ State Certificationn Exams

Residents must also meet the criteria for all other course assignments,
including online discussions and Walkthrough reflections to pass this course.
