Respect and courtesy must be provided to classmates and to the instructor at all times. No harassment or inappropriate postings will be tolerated.

When reacting to someone else’s message, address the ideas, not the person. Post only what anyone would comfortably state in a F2F situation.

Blackboard is not a public internet venue; all postings to it should be considered private and confidential. The information posted on these online spaces is intended for classmates and professors only. Please do not copy documents and paste them to a publicly accessible website, blog, or other space. If students wish to do so, they have the ethical obligation to first request the permission of the writer(s).

LATE WORK POLICY

Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a disability must register with the UTEP Center for Accommodations and Support Services.

COVID-19 INFORMATION AND ACCOMMODATIONS
During this difficult time filled with uncertainty, your health and well-being is very important. I want to support you in ensuring that you remain safe. If you feel you may need accommodations as you deal with COVID-19, please let me know by emailing me at csantillano@utep.edu. My main focus is to assist and be a resource for you to ensure your overall well-being and the successful completion of this course. *The UTEP Health Services Center does offer Covid-19 testing for UTEP students. COVID-19 Vaccinations are offered many places throughout our community and may be required by the district you are completing your residency at.

SCHOLASTIC INTEGRITY
College of Education, Teacher Education  
University of Texas at El Paso

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as one’s own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for possible disciplinary action. POLICIES AND PROCEDURES

**Food insecurity, mental health, and access to support services**

Learning happens only when our bodies and minds are well—and all of us occasionally face challenges to wellness that interfere with our learning. I want you to be aware of a variety of support services on campus that can help you navigate these challenges and obstacles. **The UTEP Food Pantry** is available to help address students’ basic food needs, as well as needs for personal hygiene items and access to additional support programs for students and their families. It is located at Memorial Gym Room 105, hours and more information posted online at
https://www.utep.edu/student-affairs/foodpantry/. The office of Counseling and Psychological Services offers mental health counseling, crisis counseling, and many workshops on wellness topics—all of which are free to UTEP students. Their hours and services are posted online at https://www.utep.edu/student-affairs/counsel/resources/services-students.html. Additional support services and resources are listed at https://www.utep.edu/student-affairs/resources/index.html. If you are facing an obstacle to your learning, I encourage you to check out these resources or let me know, and I will be happy to help you find the supports you need. You are not alone.

*Changes to the syllabus*

I strive to respond in my teaching to the shifting conditions of our class community: current events, our discussions, our interests, our extant experiences, and needs for growth. Some changes may be made to the syllabus along the way. I will always notify you or ask you to participate in the decision to make changes. If there are significant changes, the updated syllabus will be made available to you.

**COURSE ASSIGNMENTS/REQUIREMENTS**

**POP Cycles**

Completion of POP Cycles involves several steps with deadlines. The teacher candidate is expected to complete each step and provide the Site Coordinator with the necessary deliverables (e.g., lesson plan) by the due dates. Teacher Candidates will schedule 2 POP Cycles with the Site Coordinator early in the semester.

- **Pre-Conference**
  - Student will submit lesson plans to Mentor Teachers and Site Coordinators 48 hours prior to the scheduled Pre-Conference.
  - Prepare necessary documents for the conference:
    1. Lesson plan with aligned state standards
    2. Assessment sample
    3. Student Achievement Chart (SAC) with proficiency levels
    4. Lesson Materials (i.e. texts, manipulatives, links to websites, videos, etc.)
    5. Student Perception Survey (SPS) for POP Cycles 2 – 4 only

- **Observation**
  - TC will implement the lesson with the suggestions made by the MT and SC.
  - Capture the instructional event via video (Swivl devices may be borrowed from the College of Ed and used in conjunction with the Swivl app). *Collaboration with your MT may be necessary for this.
  - Upload the video within 24 hours of the observation.
  - Review the lesson and gather evidence for reinforcement and refinement based on domains in the Miner Assessment Tool.

- **Post Conference**
  - Within 48 hours of the observation, attend post-conference with SC.
  - Prepare necessary documents for the conference
    1. Student Achievement Chart (SAC)
Walk-throughs

In addition to the two formal POP Cycles, four informal observations per semester will be conducted by the Site Coordinator. Walkthroughs are meant to serve as opportunities for reflection and growth as you progress through your Miner Residency experience and well into your teaching career.

- Walkthroughs will not be scheduled, but the Teacher Candidate will be provided a two-week window of when they may expect a 15-20 minute observation by their Site Coordinator.
- Teacher Candidates do not need to prepare for the visit. The Site Coordinator will capture whatever is happening at the time in the classroom and will give the Teacher Candidate feedback and an opportunity to reflect.
- The Site Coordinator will complete the Walkthrough Form and upload it online to make it accessible to the Teacher Candidate. The Teacher Candidate may be expected to meet with the Site Coordinator after each walkthrough to receive feedback, coaching, and support.
- The Walkthrough Form will have a Reflection portion for the Teacher Candidate to complete after each of the four observations. The completion and quality of these reflections will be factored into the overall final grade for the course. (Miner Assessment Tool: Domain 4, Criteria 4.2.3: Reflection)

Student Perception Survey

Teacher Candidates will administer a Student Perception Survey (pre/post-test format) in their field placement, with the pre-survey happening by the beginning of February and the post-survey by the end of April. Based on data gleaned from this survey, Teacher Candidates will develop an intervention to be implemented during the semester.

Mentor Teacher Evaluation

Your Mentor Teacher will complete an assessment of your progress and professionalism (as per the UTEP MAT-Domain4) once a month. This evaluation will be focused on the teacher candidate’s ability to exhibit professional behavior in all actions, settings, interactions, and communications. It is the teacher candidate’s responsibility to notify and remind their mentor teacher to complete it in the UTEP student portal. **It is your responsibility to remind your Mentor Teacher to complete this form as scheduled by your Site Coordinator.** You will be required to schedule a Domain 4 conference with your mentor teacher. Please discuss the progress report assessment with your mentor teacher as by POP Cycle 3 all domains must be at level 2 and by POP Cycle 4 all domains must be at level 3.
Online Discussions

Using various platforms such as Flipgrid, you will participate in whole class and small group online discussions for topics and questions that arise throughout the semester. Details will be provided each week during seminar via zoom.

PERFORMANCE GATES AND FINAL GRADE

*S – Satisfactory  
U – Unsatisfactory*

You are preparing to be an elementary teacher, so you must work at the level and with the integrity you would intend your future students to demonstrate! At the end of your Student Teaching Residency I course, Teacher Candidates are assigned a grade of Satisfactory ‘S’ or Unsatisfactory ‘U’. No letter grade is assigned, and this course grade does not impact your overall GPA. In order to pass Student Teaching Residency I, the Teacher Candidate must meet the following criteria:

- All excused and unexcused absences have been made up by the end of the semester.
- By POP Cycle #4, Teacher Candidates must have scored at least a 3 (“Proficient”) on each of the Miner Assessment Tool indicators to include Domain 4 assessed by your mentor teacher.

Teacher Candidates who fail to achieve or maintain ratings in this manner may have the option to complete one additional POP cycle to reach the standard, at the discretion of their Site Coordinator and in collaboration with program leadership.

If a Teacher Candidate does not meet this performance standard (“3-Proficient” on all indicators), for completion of the Miner Teacher Residency.

Teacher Candidates must also meet the criteria for all other course assignments, including online discussions and Walkthrough reflections to pass this course.

**TExES: Texas Examinations of Educator Standards**

**TExES Standards Incorporation:** Class activities and assignments use the best practice methods that support the competencies from the TExES Standards. Discussions will focus on how the lesson/activity/assignment addresses the competencies that support best practice while also providing pre-service teachers insight into questions that may appear on TExES.

**TExES Elementary Professional Development Standards**

* **Standard I.** The teacher-designed instruction appropriate for all students that reflects an understanding of relevant content and is based on continuous and appropriate assessment. 
**Students, Content and Pedagogy, Selection of Instructional Goals and Objectives**  
**Resources, Designing Coherent Instruction, Assessment of Student Learning**

* **Standard II.** The teacher creates a classroom environment of respect and rapport that fosters a positive climate for learning, equity, and excellence. 
**Creating an Environment of Respect and Rapport, Establishing an Environment for Learning and Excellence, Managing Classroom Procedures, Managing Student Behavior, Maintaining a Physical and Emotional Environment that is Safe and Productive**

* **Standard III.** The teacher promotes student learning by providing responsive instruction that makes use of effective communication techniques, instructional strategies that actively engage students in the learning process, and timely, high-quality feedback. 
**Communication, Engaging Students in Learning, Providing Feedback to Students, Demonstrating Flexibility and Responsiveness**

* **Standard IV.** The teacher fulfills professional roles and responsibilities and adheres to legal and ethical requirements of the profession. 
**Interacting and Communicating with Families, Interacting with Other Educators and Contributing to the School and District, Continuing Professional Development, Legal and Ethical Requirements and the Structure of Education in Texas**

To demonstrate the incorporation of standards students will be practicing teaching using a constructivist and a multicultural curriculum designed to provide successful learning experiences for all the children. Through actual classroom teaching experience, students will be practicing concepts from all four standards listed above.
