Subject: RE: CEL Program: Congratulations, CRN Question, and invites

Importance: High

Dear Carolina,

The CRN info has now been processed... Congratulations, I can now officially inform you that your CEL designation has been fully approved and added into the system and is ready to go for the Fall semester – thanks so much for joining our Fall 2021 CEL program!

On behalf of the CEL Task Force, we greatly appreciate your time and dedication in providing curricular innovations to enhance student community-engaged learning and leadership skill-building! We now have over 30 CEL faculty from Liberal Arts and Health Sciences for this coming Fall semester offering 40+ CEL designated sections of courses and counting! 😊

As we get closer to the start of the semester, we are very excited to get to see everyone on campus and please know we are here to help as we all get back into the swing of things... Please feel free to reach out to me at any time and from our end we'll also be reaching out to share opportunities for trainings/workshops, collaborations, and more social networking events. Many more of these activities will be in-person face-to-face, but I'm also happy to connect virtually with colleagues whenever it may be preferred. We are excited about getting colleagues together, learning from each other, and opening up more opportunities along the way...

Welcome and let's stay in touch 😊

Hasta luego & take care,

--Jose
