Course Description

This course is an introduction to the visual arts, and will cover basic concepts, terminology and styles in a manner intended to accommodate a variety of learning styles. Students will be exposed to several historical western and non-western cultural styles of art in a variety of media, including architecture. Prior to the art historical study of these styles, students will devote several weeks to the study of the fundamental concepts and terminology of art, as well as methods of making and issues surrounding the creation of art.

Although frequently used to fulfill freshman core requirements, Art Appreciation is geared to students at all levels, from all academic disciplines. Students need not have had any prior experience in art to succeed in this class, and there are no pre-requisites for enrollment. However, regular attendance at lectures and participation in class discussions and activities are fundamental to an active appreciation of the material presented in this course.

Course Format

Course material will be presented in a lecture format, utilizing visual support in the form of slides, videos, and works exhibited at the Rubin Center for Visual Arts, and other venues.

Course Prerequisite Information

There are no prerequisites for enrollment in this course.

Course Goals and Objectives

The following goals and objectives have been targeted for this course. Students will gain:

- experience in the formal and iconographic analysis of art objects.
- a fundamental understanding of the concepts and terminology of art.
- a knowledge of the methods of making and issues surrounding the creation of art.
- a knowledge of some of the major monuments of western and non-western art.

a developing awareness of the significance of individual and historical styles and the manner in which they reflect personal and cultural values.

Course Outcomes

Students who successfully complete this course will have a basic understanding of the nature of art, the issues surrounding the creation of art and the ways in which art objects and monuments reflect their respective temporal and cultural contexts. They will also have an introductory level knowledge of art historical study of specific works and cultural styles. The study of the visual and symbolic language of art, including the visual elements, principles of design and iconography, will enable students to formally and conceptually analyze works of art; the result will be a heightened sense of visual/perceptual awareness and a marked improvement in critical thinking and communication skills. In learning to appreciate the visual arts, students will explore the nature of self-expression and the emotional aspects of visual communication and will experience greater self-awareness.

Course Requirements

Exams (80% of your final grade)

There will be four exams given in this course. All exams will include questions that require the student to refer to images, as well as questions that do not refer to slides. The objective format will be used, and tests may include slide identifications, multiple choice, true/false or matching type questions.

Tentative dates for the first three examinations appear in the course calendar. Any changes regarding these dates will be announced in class well in advance of the actual test date. The final examination date is set and cannot be changed.

Each of the four exams covers a different section of the lecture/text material and comprises 20% of your overall grade in this course. Exam 1 will be done ONLINE, exams 2,3 and the final will be done during class time and on paper.

Participation Assignments (20% of your final grade)

Participation is a vitally important component of each student's overall performance in this course. The participation grade consists of scores on assignments performed independently. Participation assignments are indicated in the course calendar and will be discussed during class. *Details of each individual assignment can be found posted on Blackboard.* All participation assignments are due on time. Assignments should be turned in electronically on Blackboard only. **Assignments turned in by e-mail won't be graded.**

When working on your assignments consider the visual elements and design principles. As the semester progresses and you have more knowledge on the subject, your assignments should show that and be more complex and precise with the Principles of Design and Elements of Art. The more elements and principles you state correctly, as well as art terms learned during class, the better your grade. **Start your assignments with time in advance.** Do not leave them to the last minute. This will affect the quality of your work and your grade. Most assignments require selfies and photographs.

Assignment 1

Introduction Survey to be completed and returned. Agreement form to be signed and returned. Submit on Blackboard.

Details for this assignment can be found posted on Blackboard.

Assignment 2

Independent Visit to an Exhibition/Reaction on a Video. Discuss your reaction to the show in general and pick **one** work of art to do a Formal Analysis. Create a video, upload it to YouTube and submit your link on Blackboard.

Visit: El Paso Museum of Art

Details for this assignment can be found posted on Blackboard.

Assignment 3

Cultural event IN THE ARTS. Not crafts. Attend a cultural event that is happening right now in the El Paso/Juarez/Las Cruces area. Report your experience in writing and with a selfie. Submit on Blackboard.

Details for this assignment can be found posted on Blackboard.

DO NOT EMAIL your assignment. You won't get a grade if you do. Prepare with time and do not give me any "flash drive," "computer," "Blackboard" or any other type of excuses.

Extra Credit

All the pop-up quizzes done during class count as extra credit points that will be added to the exam grades. Extra credit questions may also be present on the exams. Make-ups for these opportunities won't be offered. No other extra credit will be given in this class.

Peers Assisting Student Success

This is a free tutoring program that consists of student led review sessions for historically *difficult courses*. The weekly review sessions are led by a student who has previously taken the course and is working closely with the professor to help provide individualized academic support to students.

At the beginning of the semester you will receive an email from Miner Learning Center (MLC) asking for your availability during the semester to attend PASS sessions. *Answer by the second class* in order to best provide you with sessions that will fit your schedule. Normally, there will be three scheduled sessions per week, so you can attend as many sessions as you would like.

It is mandatory to assist two PASS sessions, but you are highly encouraged to assist as many sessions as possible, one before Exam 1 and another one before Exam 3. These sessions will add 5 extra credit points to Exam 1, and 5 extra credit points to the Final Exam. If you **do not attend** the mandatory sessions, 10 points will be taken off from Assignment 3.

These class PASS sessions are led by Estefania Castillo. **She is not a TA (teaching assistant)**. She is your peer leader. Estefania cannot extend deadlines, inform you of your grades or give you extra credit. She is here to assist you academically, but not to provide you with notes. For help with any of the issues mentioned above you will have to talk to the professor.

Communication with the instructor.

Remind for emergencies and personal issues.

This is a text message service that keeps the phone numbers hidden and **it is private**. You are only texting the instructor. Use the software for **emergencies**. i.e. My water broke and won't be able to make it to the exam. Could I get a make up for it? Or when you need a **quick and fast answer**. i.e. I did not make an appointment with you but could I go see you in about ten minutes at your office? Do not use Remind to ask me about a due date or if I have your exam grade.

Please keep in mind that I have a life. I teach other classes, drive from school to school, go to the movies, have meals and shower. If I am in one of those activities, I won't be able to text back immediately. Have patience. I will try to get back to you as soon as possible.

If you text me after 9:00 pm you will get your answer the next day.

To access the service: Text from your phone @utart730 to the following number 810-10

Remind can be downloaded free from the Google Play Store or the Apple App Store.

Blackboard Messages (email)

Do not send me emails through the regular UTEP email. It is usually very crowded with College information and is easy to miss emails send from the students. Please only use the email system provided by Blackboard. That will assure a prompt response. Sometimes it may take me up to 48 hours to answer you back, so please prepare with time.

This is also a private channel. Here you can ask me questions that are not urgent, make appointments to see me, and send me images or comments if you like.

Blackboard Learn

Knowledge of Blackboard is a requirement for this class. If you don't have it, contact "Technology Support Help Desk" at 915-747-5257 or <http://admin.utep.edu/Default.aspx?tabid=74092> for help with the software.

Please make sure you can access your Art Appreciation Blackboard link.

Quizzes, important information, announcements, instructional videos, web links to art sites, the syllabus and the class schedule as well as grades will be posted there. You will have to access Blackboard often, in order to not miss any important information. All course work will be completed through **Blackboard**. You must have access to a strong Internet connection either at home, school, or a reliable wireless

location. A strong Internet connection is especially important when taking exams. **Google Chrome, Mozilla Firefox, Microsoft Edge** (Windows 10) and **Safari** (Mac) are the best browsers to use with Blackboard. ***Do not use Internet Explorer.***

If you find your computer needs updates or features enabled, call the Technology Support Help Desk for assistance.

Bb Student is the **Blackboard** app that can be downloaded from the Google Play Store or the Apple App Store.
