ACCOUNTING 5304 – PROFESSIONAL MBA
ACCOUNTING ANALYSIS FOR MBAS
COLLEGE OF BUSINESS ADMINISTRATION
UNIVERSITY OF TEXAS AT EL PASO
SPRING 2021

Instructor Contact Information
Instructor: Dr. David Folsom, Ph.D., Assistant Professor of Accounting
Office: 254 Business Administration Building (Main Campus)
Telephone: (915) 747-7759
Email (best): dfolsom@utep.edu (Please note I do not check my email on Sundays.)
Office Hours: Tuesdays and Thursdays from 11:00 am to 1:00 pm via Zoom, or by appointment as needed (email me for an alternate appointment).

Office Hours Zoom Link
Office Hours Meeting ID: 821 4117 6572
Office Hours Passcode: Folsom21

Class Meetings: Class Meeting Zoom Link
Class Meeting ID: 817 8927 4290
Class Meeting Passcode: Debit2021

Required Course Materials
**Students must have access to myBusinessCourse.

Cases: Two Harvard Business cases to be purchased at https://hbsp.harvard.edu/import/803926.

Websites: (1) Blackboard Webpage.
(3) myBusinessCourse – See included sign-up instructions at the end of this document.

Course Description
A foundation in the fundamentals of financial and managerial accounting designed for the planning, assessment, and control of business entities. Emphasizes the use of accounting information for making informed business decisions.

Course Learning Objectives
After completing this course, students will:
1. Exhibit an increased understanding the importance of accounting in business decision-making.
2. Have a basic understanding of how to record assets, liabilities, and owner’s equity (including revenues and expenses) in a double-entry accounting system.
3. Understand how the income statement, balance sheet, and statement of cash flows interrelate.
4. Be able to perform basic financial statement analyses to make business and investment decisions.
5. Understand how to use basic managerial accounting techniques to make operational decisions.
6. Be able to calculate and interpret basic variance analyses.
Grades
Final letter grades will be based on the following items (weighted as follows):

**Major Individual Assessments**
- LLJ Case: Sunday, April 11th  200 points

**Quizzes (to be completed individually)**
- Balance Sheet and Income Statement Quiz: Monday, March 8th  70 points
- Cash Flow and Revenue Recognition Quiz: Monday, March 22nd  70 points
- Budgeting and Variance Quiz: Monday, March 29th  70 points
- CVP and Business Decisions Quiz: Monday, April 5th  70 points

**Assignments and Discussions**
- Introduction Video Assignment: Wednesday, February 24th  10 points
- Nichols and Whalen Discussion Board: Monday, March 1st  15 points
- Elements of Financial Reporting Discussion Board: Monday, March 8th  15 points
- Identify the Industry Discussion Board: Thursday, March 11th  15 points
- Revenue Recognition Discussion Board: Monday, March 22nd  15 points
- Bob’s Baloney Case: Monday, March 22nd  100 points
- Budgeting Assignment: Monday, March 22nd  45 points
- Basketball Variance Case: Thursday, March 25th  45 points
- CVP and Business Decisions Assignment: Thursday, April 1st  45 points
- Business Decisions Discussion Board: Thursday, April 1st  15 points

**Total Possible Points**  1,000 points

Grades are assigned using the following scale:

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Achievement</th>
<th>Percentage of Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>90.0 to 100.0%</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>80.0 to 89.9%</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>70.0 to 79.9%</td>
</tr>
<tr>
<td>D</td>
<td>Below Average but Passing</td>
<td>60.0 to 60.9%</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>&lt; 60%</td>
</tr>
</tbody>
</table>

Please note that Pr. Folsom reserves the right to relax (but not increase) these cut-off points depending upon class performance.

**Course Deadlines:** Assignment and assessment deadlines must be met as described in the syllabus to receive course credit.

**Academic Standing Rules (from UTEP Graduate Catalog)**
Students admitted into graduate programs must remove all admissions conditions within one semester. Failure to meet conditions within one semester can result in dismissal from the Graduate School. Students admitted into a graduate program must maintain a 3.0 or better cumulative grade point average in all coursework including undergraduate courses approved for graduate credit.

A student admitted into a graduate program and whose cumulative grade point average drops below 3.0 will be placed on academic probation. The student must return the cumulative grade point average to a 3.0 by the next nine (9) hours of study. Failure to meet the 3.0 grade point average requirement during the probationary period will result in dismissal from the Graduate School.
Assessment Descriptions, Requirements, and Expectations

Fundamentals of Financial Accounting Tutorial (200 points)
This tutorial in an online review of materials found in the textbook modules one through five. Module six in the online review introduces basic time value of money concepts that will be helpful to students for future courses in the MBA program. Please begin these modules ASAP – the publisher of this tutorial estimates students will require 15 to 25 hours to complete the modules, on average. Students with little accounting or business experience may require significantly more time.

To receive full credit, students must complete all homework assignments and all quizzes for modules one through five, and the comprehensive post-test in the online tutorial. Completion of the online homework assignments in the tutorial will be worth 100 points, the quizzes will be worth 60 points (i.e., 15 points each), and the post-test 40 points. Additional practice problems are not required, but students may complete any additional problems provided in the tutorial for extra practice.

LLJ Case (200 points)
This case write-up must be done individually and will be given in place of a final exam. Students must submit case write-up as a Microsoft Word file on Blackboard. Please note, the case write-up will be submitted to UTEP’s anti-plagiarism tool “Turn-It-In.” The write-up will be graded on the quality of the analysis and the professionalism of the written document (including, but not limited to, grammar, organization, spelling, readability, conciseness, etc.). The case write-up should be written in a memo format with associated tables, charts, or other exhibits clearly listed.

Quizzes (280 Points)
Timed, online quizzes will be given via Blackboard. Quizzes should reflect students’ individual efforts. Quizzes may be administered using the lockdown browser approved by UTEP, including via a web camera. If a student does not have access to a computer with a web camera, contact Pr. Folsom as soon as possible so alternate arrangements can be made.

Cases (100 points for Bob’s Baloney)
Besides the LLJ Case, three additional cases will be used during semester. Students can complete the case questions individually or in groups. For two (Identify the Industry and Basketball Variances), students will be asked to answer simple questions and provide a copy of their analyses in class discussion forums and will be graded as assignments (see below).

For the Bob’s Baloney case, students will be asked to submit a formal case write-up. Please note, the case write-up will be submitted to UTEP’s anti-plagiarism tool “Turn-It-In.” The write-up will be graded on the quality of analysis and the professionalism of the written document (including, but not limited to, grammar, organization, spelling, readability, conciseness, etc.). The case write-up should be written in a memo format with associated tables, charts, or other exhibits clearly listed. Students are encouraged, but not required, to work in groups for this case. Groups can be no larger than four students. If working in the group, the case write-ups should reflect collaborative efforts of all group members and should be written coherently (e.g., the reader should not be able to discern if different groups members wrote different sections or pieces of the report).

Assignments (275 points)
Various online assignments will be required throughout the course, including online problems and various discussion forums. Details for these assignments will be given on Blackboard.
**Virtual Class Meeting Expectations**

The course will have ten online class meetings using Zoom. Students are expected to attend virtual classes. Admittance to these meetings will require students to have a certified Zoom account (i.e., to have signed up for a free Zoom account). When attending class meetings, students are expected to participate. Questions and comments are expected and welcome. Please be in an area without distractions and with access to paper, pencils, and a computer with word processing and spreadsheet programs ready to use for these meetings.

Unexplained absences/tardiness will result in negative credit. If you cannot attend class for any reason, please communicate with me the reason for your absence before class. If you are absent without proper communication, you will lose ten class points per absence. Due to the accelerated schedule of this course, if you are absent for more than three class periods for any reason (except university-approved absences), you will receive a failing grade (F).

All virtual class meetings will be recorded and uploaded to Blackboard. The use of such technology is governed by the Federal Educational Rights and Privacy Act (FERPA) and UTEP’s acceptable-use policy. A recording of class sessions will be kept and stored by UTEP, in accordance with FERPA and UTEP policies. The instructor will not share the recordings of class activities outside of course participants (i.e., students, teaching assistants, graduate assistants, and any guest faculty or community-based learning partners that are engaged during a class session). Students may not share recordings outside of this course. Doing so may result in disciplinary action.

**Extra Credit – Web Cameras (30 points)**

Students who have web cameras on during virtual classes tend to learn materials better. Due to privacy concerns, requiring web cameras to be on during virtual classes cannot be prescribed. However, students can earn a bonus of up to three points per class meeting (30 points) if their web cameras are on. Pr. Folsom will randomly take a screen shot of the Zoom gallery during virtual classes to assign these bonuses.

No other extra credit will be offered to any student, for any reason.

**Plagiarism and Cheating**

Students are encouraged to discuss assignments with other classmates. However, copying work from any source, including classmates, homework files, the Internet, etc. is NOT acceptable. Submitting material that has been copied constitutes plagiarism and will be treated as cheating. All students are expected to complete their own work and to abide by the Handbook of Operating Procedures available in the Office of the Dean of Students. Additional information can be found at https://www.utep.edu/student-affairs/osccr/student-conduct/academic-integrity.html. Any suspected cheating will be reported to the Office of Student Conduct and Conflict Resolution.

Two technologies may used to ensure the integrity of student-submitted work. For uploaded assignments, the coursework will be submitted through Turn-It-In, a plagiarism detecting software. Turn-It-In is used review assignment submissions for originality to ensure sources are properly attributed rather than paraphrased. Quizzes and exams will either be administered via myBusinessCourse or using Respondus Lock Down Browser and Respondus Monitor, a UTEP-approved test proctoring software. Students will need a reliable internet connection and a web camera.
Technology Requirements
Course content is delivered via the Internet through the Blackboard learning management system and via myBusinessCourse. Virtual class meetings will be held using Zoom. Students will need to be authenticated users of Zoom (i.e., have a free Zoom account) to participate in virtual class meetings. Students also need to ensure their UTEP e-mail accounts are working and that they have access to the Web using a stable web browser for other course communications. Google Chrome and Mozilla Firefox are the best browsers for Blackboard and myBusinessCourse; other browsers may cause complications. When having technical difficulties, students should first update their browsers, clear the browser cache, or try switching to another browser.

Students will need to have access to a computer/laptop, scanner, a webcam, and a microphone. Students will need access to various computer software including (but not limited to) Microsoft Word, Microsoft Excel, Adobe Acrobat Reader, and Windows Media Player (or another audio/video player). Students can download Microsoft Office for free via UTEP’s Microsoft Office Portal. IMPORTANT: For technical difficulties, please contact the UTEP Help Desk to work with staff who are trained specifically in assisting with technological needs of students. In general, the Help Desk is much better equipped than Professor Folsom to assist students! For technical issues with myBusinessCourse, please submit these issues to the publisher directly.

Online Class Etiquette
Sometimes communication online can be challenging. Sometimes one may miscommunicate what is meant, or one may misunderstand what others mean because of the lack of body language and immediate feedback. Therefore, please keep these netiquette (network etiquette) guidelines in mind. Failure to observe these guidelines may result in disciplinary action and reporting to the Office of Student Conduct and Conflict Resolution.

- Always consider audience. This is a Master’s-level educational forum and all communication should reflect polite consideration of other’s ideas.
- Respect and courtesy must be provided to classmates and to the instructor at all times. No harassment or inappropriate postings will be tolerated.
- When reacting to someone else’s message, address the ideas, not the person. Post only what anyone would comfortably state in a face-to-face situation.
- Blackboard and Zoom meetings are not public internet venues; all postings and communication should be considered private and confidential. Whatever is posted in these online spaces is intended for classmates and the professor only. Please do not copy documents and paste them to a publicly accessible website, blog, or other space.

COVID-19 Precautions
You must STAY AT HOME and REPORT if you (1) have been diagnosed with COVID-19, (2) are experiencing COVID-19 symptoms, or (3) have had recent contact with a person who has received a positive coronavirus test. Reports should be made at screening.utep.edu. If you know of anyone who should report any of these three criteria, you should encourage them to report. If the individual cannot report, you can report on their behalf by sending an email to COVIDaction@utep.edu.

For each day that you attend campus – for any reason – you must complete the questions on the UTEP screening website (screening.utep.edu) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to class when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let your instructor know as soon as possible, and alternative instruction will be provided. Students are advised to minimize the number of encounters with others to avoid infection.
Wear face coverings when in common areas of campus or when others are present. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from the class and will be subject to disciplinary action according to Section 1.2.3 *Health and Safety* and Section 1.2.2.5 *Disruptions* in the UTEP Handbook of Operating Procedures.

**Course Timing**
To receive a grade in this course, students must complete all course requirements within the term of the course according to the outline and schedule given in the syllabus.

**Accommodations for Students with Disabilities**
If you have or suspect a disability and need accommodations, you should contact Center for Accommodations and Support Services (CASS) at 747-5148. You may also email the office at cass@utep.edu or visit the office in the Union Building East, Room 106. For additional information, please visit the CASS website at http://sa.utep.edu/cass/.
### Course Calendar
A preliminary course calendar with a class-by-class description of activities is below. Be aware that predicting the precise flow of the course is impossible and these dates may have to be adjusted slightly from time to time. Modifications to the schedule and changes in course requirements will be announced during class meetings and through Blackboard.

Pr. Folsom reserves the right to change any assignment if circumstances dictate. Students will be notified of such changes through an announcement via Blackboard. Students have the responsibility to be aware of such changes by checking Blackboard regularly.
