Content Description:  This course covers the techniques needed to fabricate semiconductor devices. The course will include lectures, hands-on laboratories and computer simulations.

Learning Objectives:  After completion of this course, students should be able to:
- Understand the essential fabrication techniques including; Substrate Preparation, Diffusion, Thermal Oxidation, Ion Implantation, Lithography, Etching, and Deposition.
- Apply the principles of fabrication processes and their integration to create functional semiconductor structures.
- For Graduate Students: Setup of laboratory experiments or computer exercises and assist with fabrication or simulation of semiconductor devices.

Student Tasks:
- **Attend Lectures**: twice per week
- **Read**: Assigned textbook chapters
- **View**: View lecture presentations
- **Discuss**: Discuss concepts and methods from textbook and presentations
- **Complete**: Question Sets (~13 sets. 1 set per week)
  - Answer conceptual and calculation questions
  - Can collaborate but submit individually and on-line
- **Complete**: Parameter Studies (4 studies)
  - Study processing parameter relationships using graphs
  - Work in teams and submit on-line as a team
- **Mid-Term Exam**: 8th week (on-line)
- **Final Exam**: Finals week (on-line)

Course Work Evaluation:

Lab Safety Training:
All students will be required to register and complete UTEP’s Lab Safety Training before entering the cleanroom. The Lab Safety training will be given during class in the first week. Click on the following link to register for the Lab Training: [http://ehs.utep.edu/training.html](http://ehs.utep.edu/training.html)

Cleanroom Safety and Rules:
All students will be required to attend the Cleanroom Safety and Rules training session before entering the cleanroom. The training session will be given during class in the first week.

Required Textbooks:
* Silicon VLSI Technology, Plummer, Prentice Hall, 2000

Prerequisites:
EE 3329 with grade of "C" or better.

***************

Content Delivery:
- The course is listed as in-person however if needed all content will be delivered online through synchronous lectures and other online materials.
- Content will be provided in modules on a chapter-by-chapter basis and will follow a weekly routine.

Technology Requirements:
Course content is delivered via through the Blackboard learning management system. All assignments will require use of a computer and software. The table below shows the hardware and software that will be needed.

<table>
<thead>
<tr>
<th>UTEP Email</th>
<th>Laptop Computer</th>
<th>Web browser</th>
<th>Microsoft Office</th>
<th>Matlab or MathCAD</th>
<th>Adobe Acrobat</th>
<th>Media Player</th>
</tr>
</thead>
</table>

- Web Browser: Google Chrome and Mozilla Firefox are the best browsers for Blackboard.
- Microsoft Office: Download Microsoft Office programs (including Excel, PowerPoint, Teams, Outlook, and more) for free via UTEP’s [Microsoft Office 365 Portal](http://microsoft.com).
- Matlab or MathCAD: Contact the [Engineering Technology Center](http://etc.utep.edu) to install software.

Technical Difficulties Policy:
- If you are experiencing difficulties submitting your work through Blackboard, please contact the UTEP Help Desk or ETC. You can email me your backup document as a last resort.
- I strongly suggest that you submit your work with plenty of time to spare in the event that you have a technical issue with the course website, network, and/or your computer.
I also suggest you save all your work (answers to discussion points, quizzes, exams, and essays) in a separate Word document as a backup. This way, you will have evidence that you completed the work and will not lose credit.

Non-Compliance Policies:
- **Late Work**: Late course work will not be accepted or unless it is the result of a documented emergency or official university event.
- **Make-up Work**: Make-up work will be given only in the case of a documented emergency or official university event.
- **Posting Netiquette**: Postings that violate UTEP policy will be investigated and appropriate actions will be taken.
- **Group Work**: Lack of significant contribution to group (team) work will result in zero credit. If lack of contribution persists for any one or more than one exercise, the instructor will take action to ensure equity for group members that are contributing significantly and meaningfully.

Instructor-Student Communications:
- We will use formal English in all our written communications
- **Announcements**: 
  - Check the Blackboard announcements frequently for any updates, deadlines, or other important messages.
- **Office Hours**: 
  - Hours are in-person; however, you can request a virtual meeting. Please see the days and times at the top of this syllabus.
- **Email**: 
  - UTEP e-mail is the best way to contact me. I will make every attempt to respond to your e-mail within 24 hours of receipt.

**ILLNESS PRECAUTIONS**
Please stay home if you have symptoms of a communicable illness. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations.

**EXCUSED ABSENCES AND/OR COURSE DROP POLICY**
According to UTEP Catalog,

“At the discretion of the instructor, a student can be dropped from a course because of excessive absences or lack of effort. A grade of “W” will be assigned before the course drop deadline and a grade of “F” after the course drop deadline.”

See Policies and Regulations in the UTEP Undergraduate Catalog for a list of excuse absences. Therefore, if I find that, due to non-performance in the course, you are at risk of failing, I may drop you from the course. I will provide 24 hours advance notice via email.

However, if you feel that you are unable to complete the course successfully, please let me know and then contact the Registrar’s Office to initiate the drop process. If you do not, you are at risk of receiving an “F” for the course.

**INCOMPLETE GRADE POLICY**
I do not give incomplete grade grades.

**ACCOMMODATIONS POLICY**
The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented disabilities in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a disability must register with the UTEP Center for Accommodations and Support Services (CASS). Contact the Center for Accommodations and Support Services at 915-747-5148, email them at cass@utep.edu, or apply for accommodations online via the CASS portal.

*SCHOLASTIC INTEGRITY*
Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as one's own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for possible disciplinary action. To learn more, please visit HOOP: Student Conduct and Discipline.

PLAGIARISM DETECTING SOFTWARE
Some of your course work and assessments may submitted to SafeAssign, a plagiarism detecting software. SafeAssign is used review assignment submissions for originality and will help you learn how to properly attribute sources rather than paraphrase.

*COURSE RESOURCES: Where you can go for assistance*
UTEP provides a variety of student services and support:

**Technology Resources**
- **ETC:** The ENGINEERING TECHNOLOGY CENTER, College of Engineering
- **Help Desk:** Students experiencing technological challenges (email, Blackboard, software, etc.) can submit a ticket to the UTEP Helpdesk for assistance. Contact the Helpdesk via phone, email, chat, website, or in person if on campus.

**Academic Resources**
- **UTEP Library:** Access a wide range of resources including online, full-text access to thousands of journals and eBooks plus reference service and librarian assistance for enrolled students.
- **University Writing Center (UWC):** Submit papers here for assistance with writing style and formatting, ask a tutor for help and explore other writing resources.
- **Math Tutoring Center (MaRCS):** Ask a tutor for help and explore other available math resources.
- **History Tutoring Center (HTC):** Receive assistance with writing history papers, get help from a tutor and explore other history resources.
- **RefWorks:** A bibliographic citation tool; check out the RefWorks tutorial and Fact Sheet and Quick-Start Guide.
- **The Miner Learning Center**: Join peer-led study sessions in person or online to review content and discover study strategies in core curriculum courses.
- **UTEP Edge**: UTEP’s cross-campus framework for student success and empowerment – develops students’ assets through high-impact experiences made possible by the expertise and dedication of faculty, staff, alumni, and community partners.

**Individual Resources**
- **Student Success Help Desk (SSHD)**: Students experiencing challenges or obstacles to academic success including registration, financial, food, housing, and transposition resources may submit a ticket request assistance to studentsuccess@utep.edu
- **Military Student Success Center**: Assists personnel in any branch of service to reach their educational goals.
- **Center for Accommodations and Support Services**: Assists students with ADA-related accommodations for coursework, housing, and internships.
- **Counseling and Psychological Services**: Provides a variety of counseling services including individual, couples, and group sessions as well as career and disability assessments.
- **UTEP Food Pantry**: Non-perishable food items are available to students who are currently enrolled in classes. Bring a Miner Gold Card to Memorial Gym, Room 105, Monday through Friday, 10 a.m. to 2 p.m.

**Syllabus Changes**: The content in the syllabus is subject to change for improvements or other factors. Any changes will be communicated.
