Expectations and Policies

What to Expect from the Instructor

The best way to communicate with your instructor is via email. Always include in the subject of your email “Online COMM 3321” When sending and email and your name. All emails will be answered within 48 hrs. Graded assignments will be posted a week after the submission date.

Participation

Your active participation extremely important! There will be an opportunity to discuss and interact with classmates through discussion questions and assignments, which will be graded. Please refer to the “method of evaluation” section for discussion questions and assignments’ points and value.

Academic Dishonesty Statement

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion.

- **Cheating** may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports.
- **Plagiarism** occurs when someone intentionally or knowingly represents another person’s words or ideas as his or her own.
• **Collusion** involves unauthorized collaboration with another person or group to commit any academically dishonest act.

Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. Violations will be taken seriously and will be referred to the Office of Student Conduct and Conflict Resolution for possible disciplinary action. Students may be suspended or expelled from UTEP for such actions. You can find more information in the UTEP Handbook of Operating Procedures, under the heading “**Alleged Student Scholastic Dishonesty**,” and in the Regents’ Rules and Regulations.

**Late Policy**

Deadlines for all quizzes, discussion questions and written assignments will be strictly enforced. No quizzes, discussion questions or written assignments will be accepted after deadline. Missing a deadline is equivalent of not doing the assignment. PR professionals must meet strict deadlines. Students are expected to do the same.

**Library Information**

Access the UTEP Library by visiting [http://libraryweb.utep.edu/](http://libraryweb.utep.edu/).

**Responsible, Ethical and Effective Electronic Communication**

It is important to share a word of caution so we can become wiser about interpersonal distance learning communications. In an online environment, many of the feelings or impressions that are transmitted via body language in face-to-face communications are lost. Consequently, interpreting emotions and innuendos can be difficult. Only what is written, or drawn, carries the message. Often, excitement can be misinterpreted as anger or insult. We all need to keep this in mind as we communicate.

Words in print may seem harmless, but they can injure us emotionally when working at a distance. Hence, we must be conscious of how we communicate while working at a distance and use good netiquette, that is, online communication etiquette. For example, your classmates may not know who is posting a comment, so clearly identify yourself when posting to a discussion board. Furthermore, avoid using all capital letters in electronic communication, as all caps come across as shouting.

The standard netiquette for participation in networked discussion requires that all comments focus on the topic at hand, without becoming personalized, and be substantive in nature. **In other words, you certainly may disagree with others, but you must do so respectfully.** You may express strong beliefs or emotions, but you may not get so carried away that you lose all perspective on the course itself.

You can find more information on netiquette, the etiquette of Internet communication, at [www.albion.com/netiquette](http://www.albion.com/netiquette).

**Disability Statement**
If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email at cass@utep.edu, or visit the office located in UTEP Union East, Room 106.

Have a great learning experience!
