Course Requirements

There are certain requirements that will be necessary to pass this class. The requirements are explained in this syllabus. Students will be given four exams and four written assignments during the semester.

Class Structure, Important Announcements, and Participation

You are responsible for keeping up with the assigned readings and being prepared for class discussions. The textbook readings are intended to provide background information to my lectures. Because I like to have class discussions when I am lecturing, it is of utmost importance that you read the assigned reading for that particular lecture in the textbook. If for some reason, due to the class discussion, I am unable to lecture on a particular topic in the textbook you are still responsible for knowing that particular section of the assigned reading. So please be aware that you will be tested on what the textbook covers as well as my lectures. The readings will be from the textbook listed above, as well as any other material that I may handout during the semester. I will not be posting my lecture slides online.

Simple Rules for Class Behavior

PLEASE BE IN CLASS ON TIME! Class starts at 9:20AM. If you are unable to make it to class at 9:20AM during this semester because of work or other commitments, I recommend you drop this class. Repeated tardiness, cell phones ringing, sleeping, talking, reading material unrelated to class, (i.e. distracting behavior), will not be tolerated and I will ask you to leave the classroom if you are conducting this type of behavior.

Use of Laptops and Other Technology In My Class

Laptops are not necessary in my class. However, the use of laptops will be allowed in my class for note taking ONLY. I also ask that you put all electronic devices away. When entering my class, I ask that you put your electronic devices in your purse/backpack. Furthermore, text messaging via cell phone or any other device will not be allowed in my class. Cell phones and any other devices should be in silent mode while in my class. If, for some reason, you need your phone on because of a particular emergency that day, please speak to me before class, and then, and only then, are you allowed to have your phone on. However, please still have it in silent mode.

Attendance

Attendance is not required in this class as an official portion of your overall grade. *However, it is mandatory.* Given the rather specialized subject matter of the course those who do attend class regularly will be more likely to understand the material and will therefore be in a better position to do well in the class. If you miss class, please obtain the lecture notes from one of your fellow classmates. I will not provide you with copies of my notes.

Exams

Your grade in this class will be based on 4 exams and 4 written assignments. Make-up exams may only be acceptable under extreme circumstances, such as a medical or personal emergency. I must warn you, however, that I base these decisions on a very narrow definition of extreme. The student must provide me with proper documentation to qualify for a make-up (documentation does not, unfortunately, guarantee that a make-up will be given). Missed exams will be assigned a grade of zero (0). All makeup exams, if granted, must be completed within one week of the original exam date. Exams will cover material from lectures, textbook, and any other material discussed in class.

Written Assignments

Students will be given a written assignment. These written assignments consist of answering a specific question regarding one chapter covered for that week. Answers are limited to no more than 500 words. There will be 4 written assignments and is worth 10 points each. More details will be provided when the assignment is distributed to students. Missed assignments will assigned a grade of zero (0).

Scholastic Integrity

In all matters of intellectual pursuit, UTEP faculty and students must strive to achieve excellence based on the quality of work produced by the individual. In the classroom and in all academic activities, students are expected to uphold the highest standards of academic integrity. Any form of scholastic dishonesty is an affront to the pursuit of knowledge and jeopardizes the quality of the degree awarded to all graduates of UTEP.

Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to, cheating, plagiarism, the submission for credit of any work or any materials that are attributable in whole or in part to another person, taking an examination for

another person, an act designed to give unfair advantage to a student or the attempt to commit such acts. Proven violations of the detailed regulations, as printed in the Handbook of Operating Procedures, and available in the Office of Student Conduct and Conflict Resolution, may result in sanctions ranging from disciplinary probation, to a failing grade on the work in question, to a failing grade in the course, to suspension or dismissal, and other sanctions.

Note for Students with Disabilities

If you are registered with the *Center for Accommodations and Support Services (CASS)*, please let me know so I can accommodate your needs. Students with disabilities are responsible for making their needs known to the instructor, and seeking available assistance in a timely manner.
