

**THE UNIVERSITY OF TEXAS AT EL PASO**  
**COLLEGE OF SCIENCE**  
**DEPARTMENT OF MATH**

Course #: M1508  
Course Title: Pre-Calculus  
Credit Hrs: 5  
Term: Fall 2018  
Course Meetings & Location: M 7:30 – 8:20AM BUSN 326, TR 7:30-8:50AM PM BUSN 321,  
F 7:30-9:20AM BUSN 321.  
Prerequisite Courses: M0311 or TSI score between 350 – 390 or placement by previous  
Accuplacer scores

Instructor: Francisco Avila  
Office Location: Library 521  
Contact Info: 747-8752  
E-mail address: favila2@utep.edu  
Emergency Contact: 747-5761  
Office Hrs: TR 4:30 – 5:50PM or by appointment

Textbook(s), Materials: **Required: Pre-Calculus by Larson, 10th edition**  
(available as e-book and hardcover)

Suggested: Laptop and Graphing Calculator

Course Objectives (Learning Outcomes): Students are expected to have a clear understanding of the ideas of  
Precalculus as a solid foundation for subsequent courses in mathematics  
and other disciplines as well as for direct application to real life  
situations.

The content of the entire course covers topics from basic mathematics  
and develop them using practical and theoretical tools, building  
applications and making a strong support for Calculus classes.

A student passing MATH1508 Precalculus course will be able to work  
with the concepts of functions (functions in general, exponential and  
logarithmic functions, polynomial and rational functions, trigonometric  
functions, etc), to solve a system of linear and non-linear equations and  
inequalities, to make basic operations with matrices, to apply  
mathematical induction method, to work with trigonometric functions  
and their properties, and to apply them in problems related to other  
branches of Science: Calculus, Algebra, Physics, Chemistry, Biology,  
Pharmacy, Engineering, Statistics, etc.

Course Activities/Assignments: You will find all assignments on <http://webassign.net/> . Please use Mozilla Firefox or Google Chrome since WebAssign works best with these browsers. Unannounced quizzes may be administered in the classroom.

Assessment of Course Objectives: There will be 3 exams. All exams, written by a committee, are administered in the classroom. A WebAssign Retake Exam will be administered in the library after each exam.

To register for a retake exam go to <http://math.utep.edu/classes/retake>. Failure to register means that you may not take this optional exam. Students must attempt the written exams, failure to take the first two written exam will result in the student to be dropped from this class.

If a student receives a grade of D or F, they may register for wintermester or take a comprehensive TestOut exam after wintermester. A grade of 70% or better on the comprehensive wintermester exam or a 70% or better on the TestOut exam will replace a failing course grade with a grade of C. (A grade change form will be signed and submitted by Dr. Julian Viera.)

Grading Policy: Your grade will be calculated as follows:

WebAssign assignments	12%
In Class Quizzes	13%
Workshop Attendance	5%
13 = 100	
12 = 90	
11 = 80	
10 = 70	
9 or less = 0	
Exam 1	25%
Exam 2	25%
Exam 3	25%

The grading scale for this course is:

90 – 100 = A
80 – 89 = B
70 – 79 = C
60 – 69 = D
0 – 59 = F.

**The Drop Date for this semester is Friday November 2, 2018. No drops will be approved after this date.**

Make-up Policy: No makeup exams will be allowed except with proper documentation, i.e. doctor's note, hospital's note, or UTEP excused absence document.

Attendance Policy: Students must attend every class and attend all lectures and workshops. Attendance will be taken. A student will be dropped if he/she misses 3 lectures or 4 workshop sessions. Students are to arrive to class on time. It is the student's responsibility to make up missed assignments as determined by their instructor.

Civility Statement: Please turn off cell phones when you enter class and participate in class, active participation in this class is a vital part of your success.

Disability Statement: If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to [cass@utep.edu](mailto:cass@utep.edu), or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at [www.utep.edu/CASS](http://www.utep.edu/CASS). *CASS' Staff are the only individuals who can validate and if need be, authorize accommodations for students with disabilities.*

Academic Integrity Policy: Each student is responsible for notice of and compliance with the provisions of the Regents' [Rules and Regulations](#), which are available for inspection electronically at <http://www.utsystem.edu/bor/rules/homepage.htm>.

All students are expected and required to obey the law, to comply with the Regents' [Rules and Regulations](#), with System and University rules, with directives issued by an administrative official in the course of his or her authorized duties, and to observe standards of conduct appropriate for the University. A student who enrolls at the University is charged with the obligation to conduct himself/herself in a manner compatible with the University's function as an educational institution.

Any student who engages in conduct that is prohibited by Regents' [Rules and Regulations](#), U. T. System or University rules, specific instructions issued by an administrative official or by federal, state, or local laws is subject to discipline, whether such conduct takes place on or off campus or whether civil or criminal penalties are also imposed for such conduct.

Military Statement: If you are a military student with the potential of being called to military service and /or training during the course of the semester, you must contact me as soon as possible **before** you leave.
