

THE UNIVERSITY OF TEXAS AT EL PASO
COLLEGE OF SCIENCE
DEPARTMENT OF MATHEMATICAL SCIENCES

Course Number: Math 1320, CRN 11334
Course Title: Mathematics for Social Sciences I
Credit Hours: 3
Term: Fall 2019
Course Meeting Time: MW 9:30am – 10:50am at EDUC 303
Prerequisite Courses: M0311 or TSI score between 350 – 390 or placement by previous Accuplacer scores
Instructor: Francis Biney
Office Location: Bell Hall 215
Contact Info: 9157477004
E-mail: fbiney@utep.edu
Office Hours: TR 9.30am -11am
Textbook, Materials: Finite Mathematics & Applied Calculus, Waner and Constenoble, 7th Edition with a WebAssign access code.
WebAssign Class Key: utep 9026 5802

Required Technology: MS Excel and a WebAssign account.
Course Information: Math 1320 is a pre-calculus course for liberal arts, business and other non-science majors. The topics covered include:

- Linear, quadratic, exponential, and logarithmic functions
- Systems of linear equations
- Matrix algebra
- The mathematics of finance
- The algebra of sets
- Probability

Students will learn mathematical concepts and methods used in management, social science, and business. Students will develop the view that mathematics is an evolving discipline that is interrelated with human culture. Students will also understand the connections of mathematics to other disciplines.

Assignments: Determined by instructor. (There will be an in-class assignment every class period, which we will work on during class time. You are encouraged to work in groups on these assignments. You don't need to turn these in; they are for your own benefit. In addition, homework assignments will be given at the start of each new chapter. There will be a quiz once or twice a week that will be either taken directly from the homework assignments or very similar to them so it is definitely to your advantage to attempt all the problems on the homework assignments on your own. The lowest two quiz scores will be dropped.)

Assessment:

Your overall grade will consist of the weighted average of your scores on three exams, quizzes, WebAssign homework, and the final exam. **If it benefits you, the score you receive on the final exam will replace your lowest exam score.**

If a student receives a grade of “D” or “F”, then they may register for Wintermester workshop or take a comprehensive TestOut exam. A grade of 70% or better on the written comprehensive Wintermester final exam or a 70% or better on the comprehensive TestOut exam, will replace a failing course grade with a grade of “C”. (A grade change form will be signed and submitted by the coordinator for Math 1320, Tuesday J. Johnson.)

Grading Policy:

The usual grading scale will be used for this course (90%-100% is an A, 80%-89% is a B, etc.)

Three exams	45% (15% each)
WebAssign homework	15%
Quizzes	15%
<u>Comprehensive final exam</u>	<u>25%</u>
Total	100%

Make-up Policy:

Make-up quizzes will only be given for students attending university sponsored events (such as student athletes traveling to meets), and only with prior notification and appropriate documentation. A make-up exam will only be given in extraordinary circumstances (severe illness, death in immediate family), and with appropriate documentation (e.g. doctor’s note).

Attendance Policy:

As with every college course, attendance is essential for success. Try not to be absent unless it is absolutely necessary. If possible, it is better to let me know ahead of time when you will be absent. If you are absent, it is your responsibility to find out which assignments you need to make up.

Academic Integrity Policy:

The University policy is that all suspected cases or acts of alleged scholastic dishonesty must be referred to the Dean of Students for investigation and appropriate disposition. Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. Each student is responsible for notice of and compliance with the provisions of the Regents' Rules and Regulations, which are available for inspection electronically at <https://www.utsystem.edu/offices/board-regents/regents-rules-and-regulations>.

All students are expected and required to obey the law, to comply with the Regents' Rules and Regulations, with System and University rules, with directives issued by an administrative official in the course of his or her authorized duties, and to observe standards of conduct appropriate for the University. A student who enrolls at the University is charged with the obligation to conduct himself/herself in a manner compatible with the University's function as an educational institution.

Any student who engages in conduct that is prohibited by Regents' Rules and Regulations, U. T. System or University rules, specific instructions issued by an administrative official or by federal, state, or local laws is subject to discipline, whether such conduct takes place on or off campus or whether civil or criminal penalties are also imposed for such conduct.

Civility Statement:

Please do not use smart phones, smart watches, iPads, blue tooth or any smart device during quizzes and exams. While in class, cell phones and tablets should be set to silent or vibrate, and any calls should be taken outside of class. Please do not wear headsets or blue tooth devices during class. Please don't talk in class. Cell phone calculators may not be used on quizzes or exams. Active participation in class is expected, teamwork in class will be implemented. Videos or pictures of lectures must have written consent from the instructor and student(s).

Disability Statement:

If a student has or suspects she/he has a disability and needs an accommodation, he/she should contact The Center for Accommodations and Support services (CASS) at 747-5148 or at

<cass@utep.edu> or go to Room 106 Union East Building. The student is responsible for presenting to the instructor any CASS accommodation letters and instructions.

Military Statement: If you are a military student with the potential of being called to military service and/or training during the semester, please contact me by the end of the first week of class

Course Schedule: See last page.

Technology: A TI-83 or TI-84 (or similar) graphing calculator is recommended.

Drop Deadlines: The last day to drop the course without a "W" is Wednesday, September 11th. The last day to drop the course with a "W" is Friday, November 1st. Students who decide to drop the course must process a drop form, in person, at the Registrar's Office, November 1st. Please note that the College of Science will remain aligned with the University and **will not approve any drop requests after that date.**

Tutoring: The MaRCS tutoring center offers free tutoring and is located at the UTEP library room 218. There are several useful features of WebAssign designed to give extra help. Please also make use of the instructor's office hours.

Websites: WebAssign, www.webassign.net. UTEP Math 1320 website: <http://www.math.utep.edu/classes/math1320/>

Week	Dates	Sections Covered	Events
1	8/26 - 8/30	1.1 Functions from 3 viewpoints	
		1.2 Functions and Models	
2	9/2-9/6	1.2 Functions and Models	9/2 Labor Day - No Class
		1.3 Linear Functions and Models	
3	9/9-9/13	1.3 Linear Functions and Models	9/11 – Census Day (Last day to drop w/o a W)
		1.4 Linear Regression	
		2.1 Quadratic Functions & Models	
4	9/16-9/20	2.2 Exponential Functions & Models	
		2.3 Logarithmic Functions & Models	
5	9/23-9/27	2.3 Logarithmic Functions & Models	
		Exam #1 Review	

6	9/30-10/4	Exam 1	Monday 9/30
		3.1 Simple Interest	
7	10/7-10/11	3.2 Compound Interest	
		3.3 Annuities, Loans, and Bonds	
8	10/14-10/18	4.1 Systems of 2 Eqs./2 unknowns	
		4.2 Using Matrices to Solve Systems	
9	10/21-10/25	4.3 Applications of Systems of Eqns	
		Exam 2 Review	
10	10/28-11/1	Exam 2	Monday 10/28
		7.1 Sets and Set Operations 7.2 Cardinality	
			11/1 Fall Drop/Withdrawal Deadline
11	11/4-11/8	7.3 Decision Algorithms	
		7.4 Permutations & Combinations	
12	11/11-11/15	8.1 Sample Spaces and Events 8.2 Relative Frequency	
		8.2 Relative Frequency 8.3 Probability and Probability Models	
13	11/18-11/22	8.4 Prob. & Counting Techniques	
		8.5 Conditional Probability	
14	11/25-11/29	Exam #3 Review	11/28-11/29 Thanksgiving Holiday
15	12/2-12/6	Exam 3	Monday 12/2
		Final Exam Review	
			12/6 – Dead Day, no classes
16	12/9-12/13	Wednesday, December 11 th 10:00 am – 12:45 pm	Final exam week
