COURSE DESCRIPTION

Welcome to Elementary Arabic! This course is an introduction to the Arabic language and the cultures of the Arabic speaking world. Elementary Arabic I is designed to provide students who have little to no knowledge of the Arabic language with a solid foundation of the structure, pronunciation, and vocabulary of Modern Standard Arabic. A NOTE ABOUT THIS COURSE

This course is designed for non-native speakers / novice learners of the Arabic language. Students enrolled in this course who have experience with the Arabic language from previous academic courses must report to the instructor and take a placement test to assess their appropriate level of Arabic. Failure to adequately self-report can result in removal from the course.

CLASS THEME

Based on the Sustainable Development Goals of the United Nations, each Arabic course at UTEP is thematically designed to relate to a particular goal. You can read more about the UN's SDG Goals [here](#). The theme of this class is Good Health and Well-Being. In addition to learning the basics of the Arabic language, students will investigate the ways in which good health and well-being are perceived in the Arab world and the United States, uncovering cultural similarities along the way. ACADEMIC INTEGRITY**

The University of Texas at El Paso prides itself on its standards of academic excellence. In the classroom and in all other academic activities, students are expected to uphold the highest standards of academic integrity. Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for

credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, and any act designed to give unfair advantage to a student or the attempt to commit such acts.

In this class, academic dishonesty includes the use of on-line translation services (i.e.: Google Translate) to complete coursework. If I suspect that Google Translate is being used as a primary means of completing assignments, I will introduce measures to monitor student progress, including, but not limited to: using Respondus Lockdown Browser for assignments and tests; check-ins with the Arabic tutor and instructor; and pop quizzes.

IMPORTANT:

IF YOU ARE FOUND TO BE CHEATING, COLLUDING, PLAGIARIZING, USING GOOGLE TRANSLATE, OR TAKING CREDIT FOR SOMEONE ELSE'S WORK IN MY CLASS YOU WILL RECEIVE A "0" FOR THE ASSIGNMENT IN QUESTION AND A CASE WILL BE OPENED WITH THE OFFICE OF STUDENT CONDUCT AND CONFLICT RESOLUTION.

ACCOMMODATIONS

Your success in this class is important to me. We will all need accommodations because we all learn differently. If there are aspects of this course that prevent you from learning or exclude you, please let me know as soon as possible. Together we'll develop strategies to meet both your needs and the requirements of the course. I also encourage you to visit the Center for Accommodations and Support Services (CASS) in room 106, Union East Building or contact them at 747-5148 or cass@utep.edu. If you need official accommodations, you have a right to have these met. There are also a range of resources on campus, including the Writing Center, Counseling Center, Military Student Success Center and Academic Advising Center.

MILITARY STUDENTS

If you are a military student (veteran, dependent, active) please visit the [Military Student Success Center](#). I also recognize the complexities of being a student veteran. If you are a student veteran, please inform me if you need special accommodations. If you make me aware of a complication related to your military status, I will do everything I can to assist you or put you in contact with university staff who are trained to assist you.

COURSE CALENDAR

A course calendar for this class is available on Blackboard. There, you will find the due dates for all assignments and readings for this course.

I will give announcements and reminders in class about homework

and assignments, but it is your responsibility to keep track of those dates, too.

Click [here](#) for the UTEP Fall 2021 Academic Calendar.

EMAIL POLICY

If you send me an email, always include a greeting, your name, and which class you are in.

I check my email daily but please allow a 48-hour period for replies.

Emails sent on weekends will be replied to on the next business day.

***Census Day:** I reserve the right to drop students for lack of effort, multiple absences, multiple missed assignments, and missed lab time. If I drop students who fall into these categories **before** Census Day I will determine whether the drop will be an "F" or a "W." Any drops made **after** Census Day will automatically be an "F," regardless of the reason for the drop.

**Update to Academic Integrity Policies:

All content, resources, exams, quizzes, and answer keys for this course are considered privileged information and should only be used by students registered for the course. No student should distribute, share, or upload these materials to a publicly available platform. Cloud services, storage drives, and any other platform where these digital or printed materials are stored should be **private** and only accessible by the student using them. Uploading and sharing answers to exams, quizzes, and homework assignments is not allowed and is considered colluding and cheating. Copying work from other students' materials is considered plagiarism and is prohibited.

Any student who is found to be distributing course materials, including - but not limited to - exam and quiz answers; assignment answer keys; and the PDF resources made available to students in the course via Blackboard, will be reported to the Office of Student Conflict and Conduct Resolution.

Final Note: Policies in this syllabus are all subject to change at instructor's discretion. I will notify you in writing if anything in this syllabus is updated.

SPRING 2022: COVID-19 STATEMENTS

As we continue to deal with the impact of the COVID-19 virus and its variants, it has become even more important to clearly outline and communicate the safety precautions I intend to follow in our course. Please read the following statements carefully and understand that your enrollment in my course indicates agreement with all the policies within this syllabus.

COVID-19 PRECAUTION STATEMENT

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

UTEP COVID-19 Information

Keep up with the latest information about COVID-19 through UTEP's website: <https://www.utep.edu/chs/shc/covid-19-information.html>

Class Communication

I have mentioned this already in the earlier parts of the syllabus, but it warrants repetition: I will always communicate with you through Blackboard or through UTEP email. It is extremely important that you check your email daily, especially on days we have class. I do not plan on it, but there may be moments in the semester where I will have to make emergency changes to the class meetings or how the assignments will be completed. I will always communicate these changes through Blackboard and by emailing to your student email (ending in @miners.utep.edu). If you do not have access to Blackboard or to your student email, you need to contact the Help Desk and fix that as soon as possible.
