Elementary Arabic II

LOCATION: ONLINE CRN: 21710

COURSE DESCRIPTION

Welcome to Elementary Arabic II. This course is continuation of Elementary Arabic I, an introduction to the Arabic language and the cultures of the Arabic speaking world. Designed for students who have a novice proficiency level of Arabic, Elementary Arabic II will allow students to reinforce their basic Arabic skills. Students will build on their foundational knowledge of Arabic to expand their vocabulary, understand more complex grammatical structures, and converse in basic Arabic with one another. By the end of this course, students will, among other skills, be able to identify and understand basic Arabic speech and compositions, read and write in basic Arabic, and speak with others on a variety of memorized topics in Modern Standard Arabic.

A NOTE ABOUT THIS COURSE

This course is designed for **non-native speakers / novice learners** of the Arabic language. Students enrolled in this course who have experience with the Arabic language from previous academic courses must report to the instructor and take a placement test to assess their appropriate level of Arabic. Failure to adequately self-report can result in removal from the course.

CLASS THEME

Based on the Sustainable Development Goals of the United Nations, each Arabic course at UTEP is thematically designed to relate to a particular goal. You can read more about the UN's SDG Goals [here](#). The theme of this class is Quality Education. In addition to continuing to build on the basics of the Arabic language, students will learn about education and communities in the Arab world, discovering cultural similarities along the way. Elementary Arabic II is the second of four courses that are thematically focused and designed to introduce students to the Arabic language and cultural and societal frameworks that exist in the Arab world.

ACADEMIC INTEGRITYⁱ

The University of Texas at El Paso prides itself on its standards of academic excellence. In the classroom and in all other academic activities, students are expected to uphold the highest standards of academic integrity. Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, and any act designed to give unfair advantage to a student or the attempt to commit such acts.

In this class, academic dishonesty includes the use of on-line translation services (i.e: Google Translate) to complete coursework. If I suspect that Google Translate is being used as a primary means of completing assignments, I will introduce measures to monitor student progress, including, but not limited to: using Respondus Lockdown Browser for assignments and tests; check-ins with the Arabic tutor and instructor; and pop quizzes.

IMPORTANT:

IF YOU ARE FOUND TO BE CHEATING, COLLUDING, PLAGIARIZING, USING GOOGLE TRANSLATE, OR TAKING CREDIT FOR SOMEONE ELSE'S WORK IN MY CLASS YOU WILL RECEIVE A "0" FOR THE ASSIGNMENT IN QUESTION AND A CASE WILL BE OPENED WITH THE OFFICE OF STUDENT CONDUCT AND CONFLICT RESOLUTION.

ACCOMMODATIONS

Your success in this class is important to me. We will all need accommodations because we all learn differently. If there are aspects of this course that prevent you from learning or exclude you, please let me know as soon as possible. Together we'll develop strategies to meet both your needs and the requirements of the course. I also encourage you to visit the Center for Accommodations and Support Services (CASS) in room 106, Union East Building or contact them at 747-5148 or cass@utep.edu. If you need official accommodations, you have a right to have these met. There are also a range of resources on campus, including the Writing Center, Counseling Center, Military Student Success Center and Academic Advising Center.

MILITARY STUDENTS

If you are a military student (veteran, dependent, active) please visit the Military Student Success Center. I also recognize the complexities of being a student veteran. If you are a student veteran, please inform me if you need special accommodations. If you make me aware of a complication related to your military status, I will do everything I can to assist you or put you in contact with university staff who are trained to assist you.
