Students will employ these concepts to break down problems common in STEM careers.

Course Activities/Assignments:

Students will find all homework assignments for each chapter and quizzes on http://webassign.net/. Please use Mozilla Firefox, or Google Chrome since WebAssign works best with these browsers.

To register for a retake exam go to http://www.math.utep.edu/classes/retake/. Failure to register means that you may not take this optional exam. Students must attempt the written exams, failure to take the first two written exam will result in the student to be dropped from this class.

If a student receives a grade of D or F, they may register for Maymester or take a comprehensive Test Out exam after Maymester. A grade of 70% or better on the comprehensive Maymester exam or a 70% or better on the Test Out exam will replace a failing course grade with a grade of C. (A grade change form will be signed and submitted by the coordinator for Calculus, Ms. Tuesday J. Johnson.)
