## FALL 2020

### Course Learning Outcomes

Upon completion of this course, you should be able to:

### Course objectives according to ACTFL:

A. **Listening:** At the end of Spanish 1301, the student will be able to understand sentence-length utterances consisting of re-combinations of learned elements in a limited number of content areas, particularly if strongly supported by the situational context. Content refers to basic personal background and needs, social conventions, and routine tasks, such as getting meals and receiving simple instructions and directions. Listening tasks pertain primarily to spontaneous face-to-face conversations.

B. **Writing:** Student will be characterized by the speaker's ability to create with the language by combining and recombining learned elements, though primarily in a reactive mode; initiate, minimally sustain, and close in a simple way basic communicative tasks; and ask and answer questions.

C. **Reading:** Able to understand main ideas and/or some facts from the simplest connected texts dealing with basic personal and social needs. Such texts are linguistically non complex and have a clear underlying internal structure—for example, chronological sequencing. They impart basic information about which the reader has to make only minimal suppositions or to which the reader brings personal interest and/or knowledge. Examples include messages with social purposes and information for the widest possible audience, such as public announcements and short, straightforward instructions dealing with public life. Some misunderstandings will occur.

D. **Speaking:** Able to partially satisfy the requirements of basic communicative exchanges by relying heavily on learned utterances but occasionally expanding these through simple re-combinations of their elements. Can ask questions or make statements involving learned material. Shows signs of spontaneity, although this falls short of real autonomy of expression. Speech continues to consist of learned utterances rather than of personalized, situational adapted ones. Vocabulary centers on areas such as basic objects, places, and most common kinship terms. Pronunciation may still be strongly influenced by first language. Errors are frequent and, in spite of repetition, some Novice-High speakers will have difficulty being understood even by sympathetic interlocutors.

### The role of grammar

Grammar is indeed important, but if all you do is grammar drills you'll never learn to speak the language. Instead, the student will be able to put the grammar to use in contextualized, communicative situations of the sort you'll encounter in the class. Although mechanical practice is necessary, it shouldn't dominate class time, which must be spent communicating in Spanish. To practice the grammar in class, please study the assigned pages of the textbook. If you are prepared, you'll find it easier to communicate in the target language. If you don't understand a particular grammar point, ask your instructor.

### Speech errors

# **SPAN 1301: Spanish One for Non-Natives CRN 17144**

## **FALL 2020**

Sometimes students are reluctant to speak for fear of making mistakes. It's a natural part of the language-learning process to make mistakes. Your instructor will not correct every error you make, for if he/she did so, it would take you forever to communicate anything. In class, your speech errors will be corrected when they interfere dramatically with your attempt to communicate, when they pertain to the grammar structures that are being studied that day, or when they are of a sort that could embarrass you socially.

### **Course Technology**

- SPAN 1301 requires the use of Contraseña. Links to course materials and electronic resources for each week of class are located on the Contraseña website (LingroHub)
- Also student needs UTEP Blackboard access

### **Technology Requirements/ Knowledge**

This course is presented in the Blackboard learning management system.

It is expected that you have basic Internet skills if you are in this course. Those skills include the ability to login to the course web site and send and receive email with attachments. Also, you must be familiar with Microsoft Office Word to complete the course and know how to save all assignments in RTF (rich text format). If you need to review any of the Internet basics, please go to the Microsoft site and brush up.

To ensure your success in accessing your course materials and completing your assignments, it is recommended that you ensure your computer setup for this class meets the following minimum requirements:

- Broadband Internet connection, such as cable or DSL
- A modern computer (PC or Mac), no more than four years old, with the following minimum configuration:
  - Processor: Dual-core or better, at least 2 GHZ
  - RAM: 2 GB or better
  - Operating System: Windows 7 or 8, or Mac OS X 10.3.9 or better
  - Computer headset is recommended (microphone and earphone set).
  - The hands-free option for your telephone will work in most cases.

### **Tech Support**

The University of Texas at El Paso offers complete technical information and online help desk support at <http://at.utep.edu/techsupport/>.

### **Preparation for Computer Emergencies**

Computer Crash: Not having a working computer or a crashed computer during the semester will NOT be considered as an acceptable reason for not completing course activities at a scheduled time. NOTE: Identify a second computer that you can use when/if your personal computer crashes.

## FALL 2020

Complete Loss of Contact: If you lose contact with me completely (i.e. you cannot contact me via Blackboard or email), please contact me at my telephone **9154221642** and explain the reason you cannot contact me and leave me a way to contact you.

Lost/Corrupt/Disappeared files: You must keep/save a copy of every project/assignment on an external disk or personal computer. In the event of any kind of failure (e.g., Blackboard server crash or virus infection, students own computer crashes, loss of files in cyberspace, etc.) or any contradictions/problems, I may/will request you to resubmit the files. In other words, if you submit a document to me, and I either do not receive it (lost in cyberspace) or it is corrupted when I open it, it is incumbent upon you to resend it to me, corrected, with little or no “downtime” in regard to the timeline for submission.

### Structure and sequence of Assessment and Learning activities

- You will be assigned a variety of activities from the Contraseña site, consisting of videos, grammar exercises, listening and writing practice, etc. You are responsible for completing all the assigned activities computer graded (3 attempts). The resulting grades of all activities assigned for each unit, and the grade for each unit project will be posted every two weeks in Blackboard (to help you know your current grade in the course).

To learn how each Contraseña unit is organized, and the type of activities you will be completing review the table below.

To learn the type of activities you will be completing for a grade in each unit review the descriptions below.

### Each unit in Contraseña is organized the same way!

On your own, you complete **independent preparation** for each section of a unit.

- In **Preparar**: you watch animated videos that explain concepts, read brief texts, and complete activities to check your comprehension.
- In **Aplicar**, you practice what you learned and complete self-checks.

# SPAN 1301: Spanish One for Non-Natives CRN 17144

## FALL 2020

- In **Comprobar**, you evaluate your learning.

The independent work prepares you for **Conversar (LinguaMeeting sessions)**, the engaging pair and group activities (**communicative practice**) where you put the language you learned to use with your classmates.

Each unit begins with the **Unit Goal**: what you will accomplish by the end of the unit.

At the end of each unit, you create a **Proyecto**, a written or oral project. All projects are posted in an ePortfolio called LingroFolio, so your instructor and classmates can see and comment on your work. The activities throughout the unit prepare you to be able to complete the **Proyecto** successfully.

**Learning Objectives** appear at the top of each section to remind you what you will learn in that section and represent one of the pieces needed to complete the Proyecto.

### Contraseña: Proyecto

**Preparar:** Guided preparation for planning and organizing your proyecto.

**Publicar:** Instructions and tools to create your proyecto.

**Comentar:** Guidance on how to comment on your classmates' proyectos.

- Because effective oral communication is one of the primary goals of the beginning Spanish sequence, and is often the primary goal of most beginning language students, there will be the following speaking task in order to develop and increase your proficiency.

**LinguaMeeting** (6 sessions required) This class includes a live Spanish language learning component—LinguaMeeting Conversation Sessions. This activity is an integral and mandatory part of the class. Students will sign up for (6) 15-minute individual or small group coaching sessions with a trained language coach from South America or Spain. Students will meet virtually using the LinguaMeeting website (<http://linguameeting.com/>). Students will need access to the web, a microphone, and a webcam.

These sessions are conversational in nature and are intended to be an opportunity to put into practice what students have been learning in Contraseña. They are not intended to be a “test” or tutorial of the grammatical aspects of class, but rather a time to practice students’ listening and speaking skills. The sessions are recorded and will be viewed by the instructor. Students should keep their notes from these sessions to be able to answer questions (in the Final exam) will be based on the knowledge they have gathered about their coach and his/her country during these sessions. Students should keep their notes from these sessions to be able to answer questions (in the Final exam) will be based on the knowledge they have gathered about their coach and his/her country during these sessions.

### Module components

Each module contains:

# SPAN 1301: Spanish One for Non-Natives CRN 17144

## FALL 2020

1. Learning Goals for the Unit.
2. An Activity Plan, which lists the assignments you need to complete to master that Unit's goal and complete the project. The Activity Plan will assign exercises in Contraseña. Each exercise is assigned a grade. The final grade for these exercises will be determined by adding all grades received for each activity completed. You are encouraged to complete additional exercises for further practice and review, but they will not be counted toward this portion of the grade. Contraseña is designed to provide immediate feedback and exercises can be completed three times. Therefore, you can (and should) practice an activity before submitting it for credit. The due date varies but it will always be at 11:59 pm, unless otherwise indicated. I suggest that you begin the assignments well before the due date.

### **Time management**

The tentative schedule contains all assignments and deadlines in detail so you can plan ahead. Expect to spend three hours on preparation and learning assignments for every semester credit hour. Since this class is a 3 credit hour class, expect to spend about 9 hours out of class on assignments for a total of about 12 hours per week to obtain a good grade in class. Please, combine the course schedules of all your classes, create your own study schedule and stick to it.

### **Expectations and Policies**

#### **What to Expect from the Instructor**

The instructor has provided you with her personal cell phone number. You may text her, and she will respond to you (or call you back if requested) as soon as possible. Be sure to include your name and the course to which you belong when sending an email or text.

#### **Participation**

**Announcements:** Students are responsible for reading any announcements posted to Course Announcements and to check UTEP student email daily (add your account to your cell phone to receive emails. These may include changes in policy, due dates, assignment requirements, etc.

**Assignment Due Dates and Grading:** A week in this class is from Monday at 12:00 a.m. Mountain Time (which is when you will be able to access the weekly unit) to Sunday at 11:59 p.m. Mountain Time. Check the "Week at a Glance" for the weekly assignments and due dates. Please be sure to start your assignments early enough to complete them by the posted due dates.

#### **Emails:**

You must use your university email for everything in this class. When sending me an email, please use this format in the subject: SPAN 1301online-Your Name. If you have questions on the material or about the class in general, I highly recommend contacting me so I can clear out and answer your questions.

#### **Online Courtesy:**

# **SPAN 1301: Spanish One for Non-Natives CRN 17144**

## **FALL 2020**

Students must engage in proper online courtesy. Please respect your fellow classmates and instructor. Even though we do not meet face-to-face, the same courtesies that are extended in a face-to-face learning environment are in place. Failure to engage in proper online courtesy will result in earning a zero for each assignment where the incident has occurred.

### **Effective Electronic Communication**

It is important to share a word of caution, so we can become wiser about interpersonal distance learning communications. In an online environment, many of the feelings or impressions that are transmitted via body language in face-to-face communications are lost. Consequently, interpreting emotions and innuendos can be difficult. Only what is written, or drawn, carries the message. Often, excitement can be misinterpreted as anger or insult. We all need to keep this in mind as we communicate.

Words in print may seem harmless, but they can emotionally injure us when working at a distance. Hence, we must be conscious of how we communicate while working at a distance and use good netiquette, that is, online communication etiquette. For example, your classmates may not know who is posting a comment, so clearly identify yourself when posting to a discussion board. Furthermore, avoid using all capital letters in electronic communication as all caps come across as shouting.

The standard netiquette for participation in networked discussion requires that all comments focus on the topic at hand, without becoming personalized, and be substantive in nature. In other words, you certainly may disagree with others, but you must do so respectfully. You may express strong beliefs or emotions, but you may not get so carried away that you lose all perspective on the course itself.

You can find more information on netiquette, the etiquette of Internet communication, at [www.albion.com/netiquette](http://www.albion.com/netiquette).

### **Academic Dishonesty Statement**

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion.

- Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports.
- Plagiarism occurs when someone intentionally or knowingly represents another person's words or ideas as his or her own.
- Collusion involves unauthorized collaboration with another person or group to commit any academically dishonest act.

Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. Violations will be taken seriously and will be referred to the Office of Student Conduct and Conflict Resolution for possible disciplinary action. Students may be suspended or expelled from UTEP for such actions. You can find more information in the UTEP Handbook of Operating Procedures, under the heading "Alleged Student Scholastic Dishonesty," and in the Regents' Rules and Regulations.

### **Attendance Policy: policy on Tardiness and Missing Class Sessions**

# SPAN 1301: Spanish One for Non-Natives CRN 17144

## FALL 2020

To expand your proficiency in a language, you must be consistent in the course so as to engage in active practice. Good consistency is a course requirement. Therefore, if you are not consistent, your instructor will drop you from the course. Here are the rules:

**1. If you miss to complete the homework exercises, projects and linguameetings for a period longer than a week (seven consecutive days) or if you miss homework for seven sporadic days (without not even late submissions) you will be immediately dropped from the class for Lack of Effort.**

Exceptions to the above-stated policies are only made under these circumstances: (1) a medical emergency requiring hospitalization, (2) jury duty or (3) official UTEP business such as athletics. Documentary proof of official UTEP business or jury duty must be provided ten calendar days before the fact; documentary proof of hospitalization must be provided on the day you return to class.

### Late Policy

The best way to prepare yourself for the next level of Spanish study is to complete all assignments in a timely manner. If you have special circumstances, bring them to the attention of your instructor immediately. Only in such special cases (such as a medical emergency or official university business) will exceptions be made. . Points might be deducted for late submissions at the instructor's discretion fi for any reason you did not complete the whole sets of activities. Sometimes it will be difficult for you to complete the entirety of the work, so yes, you are allowed to submit some late activities.

### COVID-19 PRECAUTIONS

## SPAN 1301: Spanish One for Non-Natives CRN 17144 FALL 2020

You must STAY AT HOME and REPORT if you (1) have been diagnosed with COVID-19, (2) are experiencing COVID-19 symptoms, or (3) have had recent contact with a person who has received a positive coronavirus test. Reports should be made at [screening.utep.edu](https://screening.utep.edu). If you know of anyone who should report any of these three criteria, you should encourage them to report. If the individual cannot report, you can report on their behalf by sending an email to [COVIDaction@utep.edu](mailto:COVIDaction@utep.edu).

For each day that you attend campus—for any reason—you must complete the questions on the UTEP screening website ([screening.utep.edu](https://screening.utep.edu)) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to class when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, and alternative instruction will be provided. Students are advised to minimize the number of encounters with others to avoid infection.

Wear face coverings when in common areas of campus or when others are present. You must wear a face covering over your nose and mouth at all times in this class. If you choose not to wear a face covering, you may not enter the classroom. If you remove your face covering, you will be asked to put it on or leave the classroom. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from the class and will be subject to disciplinary action according to Section 1.2.3 *Health and Safety* and Section 1.2.2.5 *Disruptions* in the UTEP Handbook of Operating Procedures.
