Course Description:
Students will meet one-on-one with instructor for 50 minutes of instruction per week and as a class every Friday from 2:30-4:00PM. This course requires a minimum of nine hours of individual practice per week.

Course Objectives:
Students will become technically proficient on their instruments and learn to perform varied styles of music. They will study traditional literature as well as learn jazz and commercial styles. This course will prepare students to pass their senior recital and ultimately provide the skills necessary for employment as a performer, composer, recording artist, and/or educator.

Required Materials:
Alto Saxophone
At least four functioning reeds
Spiral bound notebook

Prerequisites
This class requires petition for upper level applied lessons form with two signatures. Students must have successfully performed a double jury, performed all major and minor scales and arpeggios from memory and received the acceptance into upper level study by two woodwind professors.

Assessment:
Students will be assessed during weekly lessons with emphasis placed on preparedness. Playing assignments will be graded on technical accuracy including articulation, time, rhythm, tone, and intonation. Musicality, emotion, and attitude will also be considered in assessing lessons. The final exam is the Woodwind Jury, where the Woodwind Committee evaluates the progress and approves entrance to upper level status. The committee also approves a performance level adequate to pass students’ senior recital.

Attendance:
Students will schedule lessons during the first week of classes. Because applied lessons are one-on-one, attendance is imperative. A student's grade will drop one letter grade for each unexcused absence. If a student must miss a lesson (illness, family emergency, etc.), the instructor must be notified in advance and receive written documentation after the fact. Attendance is mandatory for saxophone studio class every Friday. A student’s grade will drop one letter grade for missing more than two studio classes.
Recitals, Juries and Accompanist Fees:

Friday recitals: Every student will perform on recital for a major grade. The student is responsible for contacting a university accompanist to rehearse the piece. All previous accompanist fees must be paid in full before you will be allowed to perform.

Juries: Schedule rehearsals with your accompanist at least 3-4 weeks prior to your jury performance.

Junior/Senior Recitals: All previous accompanist fees must be paid in full before the recital hall will be reserved.
