COURSE DESCRIPTION

Advanced Drawing 1: Life Drawing is a studio-based course that introduces students to drawing the human figure. Coursework will include direct observation and subsequent drawings from the model, with emphasis on achieving correct form and proportions. Other figurative subjects (students, mannequins, skeletons, etc.) will also be used as reference for drawings. Types of drawings to be done in class will include gestures, short studies, and prolonged drawings. Students will explore various media to create their drawings. The time devoted to the practice of drawing will also allow the student to develop and refine the drawing skills introduced in Basic Drawing I and II. Power points featuring figurative artworks that relate to coursework will be given throughout the session. Critical assessment of drawings will be offered through individual instruction, small group critiquies, peer critiquies, and/or class critiquies. Students will be expected to draw with concentration and commitment during class time and complete some out of class assignments.

Please note: although we make every effort to schedule a live model for most class sessions, there may be class days when no model is available. In those instances, other figurative source material may be used as subject matter. The instructor reserves the right to modify any aspect of the course syllabus or content. Any modifications will be communicated to students in advance.

Attendance will be taken at each class meeting. **All students will be allowed three (3) absences, excused or unexcused**. Students who have three (3) absences before midterm must provide a medical excuse or they will be dropped. A total of four (4) absences will lower the final grade a full letter grade. **Students will be dropped from the course on the fifth absence**. Extenuating circumstance such as incapacitating illness, military service, accident, or death in the immediate family should be supported by satisfactory documentation and will be dealt with on an individual basis. Grades will be lowered by excessive absences and/or tardiness: 4 absences = one grade lower (ex. A to B), each tardy = 1/2 absence. Remember that your success is very, very important to me but ultimately you are adults and your success in this class, and in life, is completely in your hands. If you have questions or need help it is your responsibility to see me during office hours.
