### COURSE DESCRIPTION

This course examines the dimensions and causes of the crime problem in America and the uses and limits of the criminal justice system in dealing with it. We will examine crime trends and a number of strategies aimed at preventing and controlling crime, both within our criminal justice system and beyond. The course will provide a broad overview of both past and present policies adopted by the police, the courts, legislators, correctional agencies, and the community. We will read, discuss, and critically evaluate several policy topics.

### COURSE OBJECTIVES OR EXPECTED LEARNING OUTCOMES

By the end of this course, students will be able to:

1. Explain the strategies used by the police, the courts, the correctional system and the community in various crime control efforts.
2. Describe and critically evaluate the justification and evidence for specific crime policies.
3. Analyze how scientific information enters into the criminal justice policy making process.
4. Articulate a coherent and persuasive argument for various crime and public policy strategies based on empirical research.

### *Exams (100 points \* 3 = 300 points total)*

There are three exams for this course. Each exam will cover approximately one-third of the course material. The exams will include a mix of multiple choice, true/false, and fill in the blank. They will cover material from the required readings and class lectures.

Important notes:

1. The exams are timed. Once you open them, you will have 120 minutes to complete them. They must be completed in one sitting, so please plan accordingly.
2. Please close all browser windows and applications before beginning the exam.
3. Exam 1 will open on 6/20 @12:00am MST and is due on 6/26 @11:59pm MST. This exam covers the material from chapters 1-5.
4. Exam 2 will open on 7/11 @12:00am MST and is due on 7/17@11:59pm MST. This exam covers the material from chapters 6-9.

### *Short Writing Assignments (30 points \* 3 = 90 points total)*

Three short writing assignments will be due during the course of the semester. Each assignment will be worth 30 points. The goal of these assignments is to ensure you are keeping up with class reading and to give you an opportunity to reflect and respond to course materials. Instruction for these assignments will be posted to Blackboard and should be turned in on Blackboard.

Please refer to the Writing Center if you need assistance with your written assignments. The University Writing Center is located in Library, Room 227. It is a great place to receive help with editing your written papers, and with APA style assistance. They are open M-Th 9:00-5:00 pm, Fr 9:00-2:00 pm, and Sundays 12:00-5:00pm. Appointments are recommended well before the deadline, but they will take walk-ins.

### *Discussion Posts (10 points \* 2 questions \* 5 weeks = 100 points)*

You will be required to create two discussion posts that refer to the assigned materials from that week, except the weeks that have exam (i.e., Week 3, 6, and 8). Each week's discussion posts will include instructions on what to put in the post for that week. You will be expected to also reply to two other students' post per question (no words limit). These posts are due by 11:59pm on Sunday of their respective weeks. Each discussion post worth up to 10 points (Original discussion post = 5 points; two responses =  $2.5 * 2 = 5$  points).

Please keep in mind that we will be discussing controversial and polarizing criminal justice policies/practices. If you are in any way uncomfortable reading or discussing any of the material, please let me know and I will try to arrange an alternative assignment. If you are offended by something that is said, please accept my apologies in advance and express your concern to me after class. I will not share your concerns with the class without your permission, but I will try to

respond to them. While we will encourage informal discussion, I will insist that you always speak to classmates in a respectful way (especially when their viewpoints differ from your own). Be mindful to avoid comments that disparage other students. Please refer to the Netiquette guide posted at the following website:

**TECHNOLOGY REQUIREMENTS**

Course content is delivered via the Internet through the Blackboard learning management system. Ensure your UTEP e-mail account is working and that you have access to the Web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.

You will need to download or update the following software: Microsoft Office, Adobe Acrobat Reader, Windows Media Player, QuickTime, and Java. Check that your computer hardware and software are up-to-date and able to access all parts of the course.

If you do not have a word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) for free via UTEP's Microsoft Office Portal. Click the following link for more information about [Microsoft Office 365](#) and follow the instructions.

**IMPORTANT:** If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP [Help Desk](#) as they are trained specifically in assisting with technological needs of students. Please do not contact me for this type of assistance. The Help Desk is much better equipped than I am to assist you!

## **COURSE POLICIES**

### *General*

This class will feature lectures, discussions, and a variety of activities to promote learning. To succeed in the class, it is essential that you keep up with readings, lectures, and assignments. The grade you earn in this course will be based on the amount of effort you exert. If you need a specific grade for this course, be proactive and contact me as early and often as possible. I will make every effort to assist you in achieving your goals.

### *Students with Disabilities*

If you require modifications to the course or testing environment, please inform me as soon as practical via email or during office hours. Accommodations are coordinated through the Center for Accommodations and Support Services (CASS). If you feel an accommodation is necessary please contact CASS at 915-747-5148 (tel) [cass@utep.edu](mailto:cass@utep.edu) (email) or visit them at Union Building East Room 106.

### *Dissemination Policy*

All the materials in this course, aside from that in the assigned text, should be considered as my intellectual property and, as such, under copyright protection. This includes my lectures, exams, written assignments, and notes. These are intended for your use during this course and may not be disseminated to anyone outside of the course without my explicit written permission.

### *Email Policy (Contacting the Instructor)*

There are two ways you can contact me in this course. 1) Through your institutional email address. 2) Through the "send email" function under the course tools tab in Blackboard. I expect you to identify yourself within the body of the email. I also expect you to compose emails using standard word and sentence structure (i.e., no acronyms, slang, etc.). In other words, do not email me as if you are texting your friends.

I will do my best to respond to your emails within 24 hours under most circumstances from Monday through Friday. I will also do my best to check my email at least once on Saturdays and Sundays; however, at times I may not be able to respond over the weekends. Please plan accordingly.

### *Course Drop Policy*

If circumstances arise where a student must drop this course, it is the student's responsibility to initiate the course drop. It is also the student's responsibility to determine how dropping courses may affect his or her financial aid. Students are limited to dropping no more than 6 courses over their entire academic career of all courses taken at any public college or University in Texas.

- a) If a course is dropped within the first 2 weeks before the "official census date":
  - a. the course will not appear on the transcript and

- b. the course will not count toward the 6-course drop limit.
- b) If a course is dropped after the official census data but before the “course drop date”:
  - a. the student will receive a “W” in the course
  - b. the drop will show on transcripts but will not lower GPA
  - c. the drop will count toward the 6 class drop limit
- c) If the course is dropped after the “course drop date” or if the student just stops coming/taking tests, etc.:
  - a. UTEP requires the instructor to issue an “F” in the course that permanently remains on the transcript.
  - b. the drop will count against the 6 class drop limit.
- d) UTEP also allows instructors to administratively drop any student because of excessive absences, lack of effort, or disciplinary reasons. In this case, the student will be notified of the course drop through their UTEP email account. A “W” will be issued if the drop occurs before the course drop date, and an “F” will be issued if a student is administratively dropped for disciplinary reasons or after the course drop date. This type of drop counts against the 6 drop limit.
- e) If circumstances occur where a student must miss an excessive number of classes and/or is unable to submit multiple assignments (e.g., student medical reasons, medical conditions of a family member, death of a family member, active military service), they should first discuss the possibility of withdrawal from all classes with their academic advisor. If a student withdraws completely from all classes, kindly notify me at: tedickinson@utep.edu. Complete withdrawals from all classes in the same semester do not count against the 6 drop limit.

OR

I will not drop you from the course. However, if you feel that you are unable to complete the course successfully, please let me know and then contact the [Registrar’s Office](#) to initiate the drop process. If you do not, you are at risk of receiving an “F” for the course.

### *Incomplete Grade Policy*

Incomplete grades may be requested only in exceptional circumstances after you have completed at least half of the course requirements. Talk to me immediately if you believe an incomplete is warranted. If granted, we will establish a contract of work to be completed with deadlines.

### *Accommodations Policy*

The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented disabilities in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a disability must register with the [UTEP Center for Accommodations and Support Services](#) (CASS). Contact the Center for Accommodations and Support Services at 915-747-5148, or email them at [cass@utep.edu](mailto:cass@utep.edu), or apply for accommodations online via the [CASS portal](#).

Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as ones' own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the [Office of Student Conduct and Conflict Resolution \(OSCCR\)](#) for possible disciplinary action. What you should know about sexual misconduct: UTEP does not tolerate acts of sexual misconduct, including sexual harassment and all forms of sexual violence. If you have experienced sexual misconduct, or know someone who has, the University can help. It is important to know that federal regulations and University policy require faculty to promptly report complaints of potential sexual misconduct known to them to their campus Title IX Coordinator(s) to ensure that appropriate measures are taken and resources are made available. The University will work with you to protect your privacy by sharing information with only those that need to know to ensure the University can respond and assist. Any student who believes that he or she may be experiencing sexual harassment or misconduct is encouraged to consult with or report such conduct immediately to the Title IX Coordinators.
