POLICIES AND PROCEDURES

Food insecurity, mental health, and access to support services

Learning happens only when our bodies and minds are well—and all of us occasionally face challenges to wellness that interfere with our learning. I want you to be aware of a variety of

College of Education, Teacher Education University of Texas at El Paso

support services on campus that can help you navigate these challenges and obstacles. **The UTEP Food Pantry** is available to help address students' basic food needs, as well as needs for personal hygiene items and access to additional support programs for students and their families. It is located at Memorial Gym Room 105, hours and more information posted online at <https://www.utep.edu/student-affairs/foodpantry/>. The office of **Counseling and Psychological Services** offers mental health counseling, crisis counseling, and many workshops on wellness topics—all of which are free to UTEP students. Their hours and services are posted online at <https://www.utep.edu/student-affairs/counsel/resources/services-students.html>. Additional support services and resources are listed at <https://www.utep.edu/student-affairs/resources/index.html>. If you are facing an obstacle to your learning, I encourage you to check out these resources, or let me know, and I will be happy to help you find the support you need. You are not alone.

Changes to the syllabus

I strive to respond in my teaching to the shifting conditions of our class community: current events, our discussions, our interests, our extant experiences, and needs for growth. Some changes may be made to the syllabus along the way. I will always notify you or ask you to participate in the decision to make changes. If there are significant changes, the updated syllabus will be made available to you.

COURSE ASSIGNMENTS/REQUIREMENTS

POP Cycles

Completion of POP Cycles involves several steps with deadlines. The resident is expected to complete each step and provide the Site Coordinator with the necessary deliverables (e.g., lesson plan, assessment exemplar, SAC) by the due dates. Residents will schedule 2 POP Cycles with the Site Coordinator early in the semester.

- o **Pre-Conference**

Student will submit lesson plans to Mentor Teachers and Site Coordinators 48 hours prior to the scheduled Pre-Conference.

 1. Prepare necessary documents for the conference:
 1. Lesson plan with aligned state standards
 2. Assessment exemplar
 3. Student Achievement Chart (SAC) with proficiency levels defined
 4. Lesson Materials (i.e. texts, manipulatives, links to websites, videos, etc.)
 5. Student Perception Survey (SPS) for POP Cycles 2 – 4 only
- o **Observation**
 - a. Resident will implement the lesson with the suggestions made by the MT and SC
 - b. Capture the instructional event via video (Swivl devices may be borrowed from the College of Ed and used in conjunction with the Swivl app). *Collaboration with your MT may be necessary for this.
 - c. Upload the video within 24 hours of the observation. Video and scripting of the lesson is to be included in your packet.

College of Education, Teacher Education University of Texas at El Paso

- d. Review the lesson, gather evidence for reinforcement and refinement based on domains in the Miner Assessment Tool (MAT), and rate your performance on each MAT dimension
- o **Post Conference**
 - a. Within 48 hours of the observation, participate in a post conference with SC.
 - b. Prepare necessary documents for the post conference
 1. Student Achievement Chart (SAC)
 2. Student Assessment Samples
 3. Analysis of video and script – lesson delivery – with dimension ratings and identified reinforcement and refinement areas based on domains in the Miner Assessment Tool.

Walk-throughs

In addition to the two formal POP Cycles, four informal observations per semester will be conducted by the Site Coordinator. Walkthroughs are meant to serve as opportunities for reflection and growth as you progress through your Miner Residency experience and well into your teaching career.

- Walkthroughs will not be scheduled, but the Resident will be provided a two-week window of when they may expect a 10-15 minute observation by their Site Coordinator.
- Residents do not need to prepare for the visit. The Site Coordinator will capture whatever is happening at the time in the classroom and will give the Resident feedback and an opportunity to reflect.
- The Site Coordinator will complete the Walkthrough Form and upload it to the EPOP system to make it accessible to the Teacher Resident. The Resident may be expected to meet with the Site Coordinator after each walkthrough to receive feedback, coaching, and support.
- The Walkthrough Form will have a Reflection portion for the Resident to complete via EPOP after each of the four observations. The completion and quality of these reflections will be factored into the overall final grade for the course. (Miner Assessment Tool: Domain 4, Criteria 4.2.3: Reflection)

Student Perception Survey

Residents will administer a Student Perception Survey (pre/post-test format) in their field placement, with the pre-survey happening at the beginning of February and the post-survey at the beginning of April. Based on data gleaned from this survey, Residents will develop an intervention to be implemented during the school year.

Mentor Teacher Evaluation

Your Mentor Teacher will complete an assessment of your progress and professionalism (as per the UTEP MAT-Domain4) once a month. This evaluation will focus on the resident's ability to exhibit professional behavior in all actions, settings, interactions, and

College of Education, Teacher Education University of Texas at El Paso

communications. It is the resident's responsibility to notify and remind their mentor teacher to complete it in the UTEP student portal (EPOP). ***It is your responsibility to remind your Mentor Teacher to complete this form as scheduled by your Site Coordinator.*** You will be required to schedule a Domain 4 conference with your mentor teacher. Please discuss your progress reports with your mentor teacher since you must be at level 2 for each MAT domain by POP Cycle 2; and by POP Cycle 4 all domains must be at level 3.

Online Discussions

Using the various platforms such as Flipgrid, you will participate in whole class and small group online discussions for topics and questions that arise throughout the semester. Details will be provided each week during seminar via zoom.

PERFORMANCE GATES AND FINAL GRADE

S – Satisfactory

U – Unsatisfactory

You are preparing to be a Texas certified elementary, secondary, or all levels teacher, so you must work at the level and with the integrity you would intend your future students to demonstrate! At the end of your Student Teaching Residency I course, Residents are assigned a grade of Satisfactory 'S' or Unsatisfactory 'U'. No letter grade is assigned, and this course grade does not impact your overall GPA. In order to pass Student Teaching Residency I, the Resident must meet the following criteria:

- All excused and unexcused absences have been made up by the end of the semester.
- By POP Cycle #2, Teacher Candidates must have scored at least a 2 ("Developing") on each of the Miner Assessment Tool indicators to include Domain 4 assessed by your mentor teacher.

Residents who fail to achieve or maintain ratings in this manner may have the option to complete one additional POP cycle to reach the standard, at the discretion of their Site Coordinator and in collaboration with UTEP Miner Teacher Residency program leadership.

If a Resident does not meet this performance standard ("2- Developing" on all dimensions), s/he will not advance to the second semester of the Student Teaching Residency Program (i.e. Residency II).

Residents must also meet the criteria for all other course assignments, including online discussions and Walkthrough reflections to pass this course.
