General Course Requirements

This includes being on time to class meetings and site visits as well as appointments. Respect for all members of the class is expected. Please allow for individual differences and opinions.

Attendance:

Regular class attendance is expected. For each absence after the second (2) absence your grade will be lowered one letter grade (A to B). Three (3) incidents of tardiness or leaving class early equals one absence.

Cleanup and Participation:

As such, it is an expectation that you will contribute to the overall cleanliness of the class and will be stewards of your environment and community. Furthermore, as a member of the community, the responsibility of stewardship extends to the well-being of all members and includes caring for the space and people in it. You will be expected to participate and share your work while contributing to an atmosphere where others may share and participate in turn. Should these issues become problematic, the instructor reserves the right to deduct a letter grade from the final grade calculation for non-compliance in clean up and/or participation.

Missed Assignments:

It is the responsibility of the student to be in class in order to complete course work. Should you miss class it is **your** responsibility to complete the work missed or to propose and complete a similar assignment. Please research what other students completed while you were absent before approaching the professor with questions

or proposals. The instructor must approve any proposed makeup assignment. Please consider making an appointment outside of class time to discuss missed work.

Late Assignments:

Instructor reserves the right to assign lower grades on late assignments.
