This includes being on time to class meetings and site visits as well as appointments. Respect for all members of the class is expected. Please allow for individual differences and opinions.

Attendance:
Regular class attendance is expected. For each absence after the second (2) absence your grade will be lowered one letter grade (A to B). Three (3) incidents of tardiness or leaving class early equals one absence.

Cleanup and Participation:
Cleanup and active participation are important parts of any studio or art-based environment. As such, it is an expectation that you will contribute to the overall cleanliness of the class and will be stewards of your environment and community. Furthermore, as a member of the community, the responsibility of stewardship extends to the wellbeing of all members and includes caring for the space and people in it. You will be expected to share your work while contributing to an atmosphere where others may share and participate in turn. Should these issues become problematic, the instructor reserves the right to deduct a
letter grade from the final grade calculation for non-compliance in clean up and/or participation.

**Missed Assignments:**
It is the responsibility of the student to be in class in order to complete course work. Should you miss class it is your responsibility to complete the work missed or to propose and complete a similar assignment. Please research what other students completed while you were absent before approaching the professor with questions or proposals. The instructor must approve any proposed makeup assignment. Please consider making an appointment outside of class time to discuss missed work.

**Late Assignments:**
Instructor reserves the right to assign lower grades on late assignments. You will be expected to come prepared for class (bringing all necessary supplies, projects, and readings) and be ready to work. On workdays you will be engaged and working. Assignment Overview:

Artful Content Talk 20pts

THE TALK 10pts
You will be scheduled to present a thirty-minute artful talk to the class. This talk should address the topic scheduled for the week and should include art, items of visual culture, and adjacent media (video, memes, podcasts, music, poetry, advertisements, readings, television, websites, etc.). Your talk should be artful—meaning it should not only include art but it also should take risks, involve the class in exciting ways, and consider the art of teaching—what it is to teach with interest, inquiry, and audience involvement.

THE MEETING 5pts
The week prior to your scheduled talk you will meet with me during the last 20 minutes of Thursday’s class (4:00-4:20). Prior to our meeting, you will have viewed all the content and read all the readings as part of that topic. You will propose the content and form of your talk to me and we will workshop and improve on your ideas. Do not come to this meeting without doing your research.

THE READING 5pts
In addition to the content that you will present, you will also research “texts” that students can access before your talk. This can take the form of written text, podcast, video, etc. and should be in addition to what you share in class. This will be due on blackboard one week before your talk and must be pre-approved before sharing with the class.

Visual Responses 10pts x 3 = 30pts
You will produce visual responses – one for each topic we will discuss this semester. You may choose the medium; however, you will be expected to vary the medium and process in at least two of the responses. You are deeply encouraged to think beyond making traditional images to consider varied, hybrid, alternative, and contemporary methods of making (consider installation, performance, video, new media, digital art, socially engaged art, ephemeral art, sound art, etc.) and are encouraged to consider how those choices in media and process inform content. Idea development of visual responses and written reflections of visual responses will be recorded in the reflective journal.
**Lesson Plans**  
10 x 3 = 30pts  
You will write an artful and comprehensive lesson plan for each of the topics that we explore over the course of the semester. Each lesson should deeply consider both how art enables new understanding and idea development through its study and how teaching is in itself an artful act.

**Exit Tickets**  
3 x 3.33 = 10pts  
You will complete three exit tickets (one for each art education candidate). These will be collected after each lesson.

**Candidate Response**  
10pts  
After all candidates have completed their talks, you will create a lesson plan or an artwork that responds to what you learned from a single candidate’s talk.

**TOTAL PTS**  
100pts
