**INSTRUCTORS INTRODUCTION**

Hector G. Romero received his BFA in Painting and Drawing from the University of Texas at El Paso and his MFA in Painting from the University of California, Los Angeles. After living in New York City for fifteen years as an art book seller and working artist, Hector returned to El Paso in 2011.

**COURSE DESCRIPTION**

BASIC DRAWING I is the first course in a sequence of foundation level drawing classes structured for the needs of Art Majors who plan to pursue a career in art. This studio course emphasizes basic aesthetic and technical drawing skills that enable students to represent three-dimensional objects in an environment. Topics to be covered include perspective, eye-hand coordination, correct proportions and scale, positive and negative space, as well as compositional structure and effectiveness. Contour line and value are explored as compositional devices and tools to build volume, mass, and illusionistic space. In this course students will be introduced to methods of using traditional black and white drawing media such as pencil, charcoal, and ink. Drawings will be developed based on three-dimensional sources such as still-lives, architectural interiors and exteriors, landscapes, the human figure, etc. Students will be given specific drawing assignments for both class and out of class work.

The majority of class time will be spent working on drawings, with demonstrations and slide lectures given to provide examples relative to course work. Critiques will be held for comparative evaluation and critical feedback.

This course requires additional time to be spent outside of class hours for completion of homework assignments and in class work.

**COURSE PRE-REQUISITE INFORMATION**

No pre-requisites are required as this is the first drawing course offered within the structure of the foundations for a BFA or BA degree in Art. It is recommended that art majors take ARTF 1301 Basic Design concurrently with this course (ARTF 1302).

**COURSE GOALS & OBJECTIVES**

- Development of technical and aesthetic drawing skills needed to render three-dimensional forms and space in a convincing illusionistic manner.
- Develop expertise in working with a variety of black and white drawing media.
- Gain an understanding of the importance of aesthetic issues such as composition and the formal characteristics of line, shape, value and space in creating visual interest in a drawing.
- Develop the ability to think and speak critically about artworks through participation in critiques and introduction to art terminology
- Develop an outstanding work ethic and the commitment necessary to succeed in achieving the above stated goals and objectives.

**COURSE OUTCOMES**

Students who successfully complete this class can gain experience and competency in working with basic black and white drawing materials. These students will be able to effectively use line, value, shape, proportion, perspective and foreshortening to create convincing illusionistic drawings of three-dimensional forms and space. In addition, an awareness of the aesthetic aspect of drawing will be achieved through the creative use of the visual art elements and application of compositional principles in their drawings. Through exposure to critique situations and slide lectures, students can acquire a basic knowledge of art terminology and an awareness of important artists and the drawings they make.

- attendance

**NO LATE WORK WILL BE ACCEPTED. IF YOU ARE ABSENT FOR A ONE DAY DRAWING — THIS CANNOT BE MADE UP.**

**COURSE POLICIES**

Attendance:

Regular attendance is required. Roll will be taken every day. It is important that you attend every class, arrive to class on time with the materials needed for class, and stay until the end of class. Still life settings & ideas discussed in critiques, slides, and lectures are impossible to make up.

Arriving to class late or leaving early counts as 1/2 absence.

Arriving any time past the designated start time of class is counted as late; leaving any time before the designated ending class of time is counted as leaving early.

Coming to class without the necessary materials to work with will count as half an absence.

Each student needs to have his/her own set of materials; borrowing from other students is not acceptable. Students with excessive absences and/or problems with arriving to class on time should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course.

Students whose attendance and work are considered below average may be withdrawn from the class by the instructor.

No extra credit is available to offset attendance problems.

## CRITIQUE

Formal and informal critiques will be held during the course of the semester. Students are expected to participate fully in class critiques both by offering constructive commentary to their peers and by later considering and applying discussed formal and substantial issues to their own work. Remember, when you examine and critique your work or the work of others, evaluate not just the aesthetic sensibility or the artistic achievement of the piece (although you should consider these).

Evaluate also:

- The focus of the work.
- What you think is being communicated.
- The points of struggle in the work (what's working and what is not), and
- How these points of struggle could be resolved.

#### Critique etiquette:

- Don't miss critiques!
- Come to class ten minutes early on critique days, and set up your work before class starts.
- If you are late to critique, do not interrupt by setting up your work. We will review your work at the end of the critique session; you should remind the group if we are about to proceed without critiquing your work.
- Listen carefully to comments about your own work. Either take notes or have someone else take notes for you
- Listen to comments about the work of your peers (it probably applies to you too.)
- Contribute to the discussion honestly and thoughtfully.
- Don't disrupt the critique with private conversations

#### Homework Assignments:

Homework will be assigned at the discretion of the instructor. Specific assignments may be created to address specific issues.

If you miss class, it is your responsibility to contact me via email (hgromero@utep.edu) to find out any important information regarding the class. Once I receive your email, I will respond to you via email within 24 hours with the homework assignment.

#### Additional Course Policies:

Please turn off your cell phones during class. There is **NO TEXTING** or **USAGE OF CELL PHONES**, unless it is an emergency.

Please keep the drawing studio clean by cleaning up after yourself at the end of each class session.

#### Incompletes, Withdrawals, Pass/Fail:

Incompletes or "I" grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All "I" grades are at the discretion of the instructor and the approval of the Departmental Chair.

Students hold the full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a W. (March 30) Students missing this deadline will be issued a grade for their performance in the course.

This is a grade-based course and is not available for audit or pass/fail options.
