COURSE DESCRIPTION

Advanced Drawing 1: Life Drawing is a studio-based course that introduces students to drawing the human figure. Coursework will include direct observation and subsequent drawings from the model, with emphasis on achieving correct form and proportions. Other figurative subjects (students, mannequins, skeletons, etc.) will also be used as reference for drawings. Types of drawings to be done in class will include gestures, short studies, and prolonged drawings. The time devoted to the practice of drawing will also allow the student to develop and refine the drawing skills introduced in **Basic Drawing I and II**. Slide lectures featuring figurative artworks that relate to coursework will be given throughout the session. Critical assessment of drawings will be offered through individual instruction, small group critiques, peer critiques, and class critiques. Students will be expected to draw with concentration and commitment during class time and complete some out of class assignments.

Please note: although we make every effort to schedule a live model for most class sessions, there may be class days when no model is available. In those instances, other figurative source material may be used as subject matter.

COURSE PRE-REQUISITE INFORMATION

COVID INFORMATION FOR COURSE

Technology Requirements

Some course content will be delivered via the Internet through the Blackboard learning management system. Ensure your UTEP e-mail account is working and that you have access to the Web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.

IMPORTANT: If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP [Help Desk](#) as they are trained specifically in assisting with technological needs of students. Please do not contact me for this type of assistance. The Help Desk is much better equipped than I am to assist you!

Course Communication

- **Email:** UTEP e-mail is the best way to contact me. I will make every attempt to respond to your e-mail within 24-48 hours of receipt. When e-mailing me, be sure to email from your UTEP student account and please put the course number in the subject line. In the body of your e-mail, clearly state your question. At the end of your e-mail, be sure to put your first and last name, and your university identification number.
- **Announcements:** Check the Blackboard announcements and email frequently for any updates, deadlines, or other important messages.

COVID-19 ACOMMODATIONS

Students are not permitted on campus when they have a positive COVID-19 test, exposure or symptoms. If you are not permitted on campus, you should contact me as soon as possible so we can arrange necessary and appropriate accommodations.

(classes with on-campus meetings) Students who are considered high risk according to CDC guidelines and/or those who live with individuals who are considered high risk may contact [Center for Accommodations and Support Services](#) (CASS) to discuss temporary accommodations for on-campus courses and activities.

COVID-19 PRECAUTIONS

You must STAY AT HOME and REPORT if you (1) have been diagnosed with COVID-19, (2) are experiencing COVID-19 symptoms, or (3) have had recent contact with a person who has received a positive coronavirus test. Reports should be made at screening.utep.edu. If you

know of anyone who should report any of these three criteria, you should encourage them to report. If the individual cannot report, you can report on their behalf by sending an email to COVIDaction@utep.edu.

For each day that you attend campus—for any reason—you must complete the questions on the UTEP screening website (screening.utep.edu) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to class when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, and alternative instruction will be provided. Students are advised to minimize the number of encounters with others to avoid infection.

Wear face coverings when in common areas of campus or when others are present. You must wear a face covering over your nose and mouth at all times in this class. If you choose not to wear a face covering, you may not enter the classroom. If you remove your face covering, you will be asked to put it on or leave the classroom. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from the class and will be subject to disciplinary action according to Section 1.2.3 *Health and Safety* and Section 1.2.2.5 *Disruptions* in the UTEP Handbook of Operating Procedures.

(classes with on-campus meetings) Please note that if COVID-19 conditions deteriorate in the City of El Paso, all course and lab activities may be transitioned to remote delivery.

Non-Compliance Safety Guidelines

Some students may claim that they are unable to wear a face covering. The best course of action for these students is to identify equivalent courses offered entirely online. If this is not possible, the student should be advised to request an accommodation from CASS. Students who receive an accommodation to not wear a face covering must share this with the professor and work to minimize contact with others in the class.

If a student is non-compliant, faculty may call UTEP Campus Police for assistance. Campus Police will inform the student of the policy and encourage the student to wear a face covering or leave class immediately. In the event of class dismissal, Campus Police will document the situation and inform the Office of Student Conduct and Conflict Resolution.

When faculty encounter a pattern of non-compliant safety behavior, a report can be submitted to OSCCR by using the incident reporting form.
