COURSE INFORMATION

BED 4345 Biliteracy- BlackBoard Enhanced

3 Undergraduate Credit Hours

R 9:00 am-11:50 am

Language(s) of Instruction: English/Spanish

Pre Requisite: BED 4340

COURSE DESCRIPTION

Biliteracy Development (3-1)

Develops an understanding of first and second language acquisition, its stages, and conventions. Integrates this knowledge base and applications in the interrelated components of reading and writing across all developmental stages. In addition, develops a knowledge base of the principles, components and stages of reading development for children who develop literacy in two languages. Integrates strategies to build on the linguistic knowledge that children bring in their first language in order to teach them a concept not yet developed.

COURSE PURPOSE

This course provides students with the knowledge and skills necessary for developing literacy/biliteracy in Spanish/English, simultaneously or successively, for children in schools. Particular emphasis is given to matters of transfer and the critical role of the child's first language (L1) in literacy development and its effect on literacy in (L2) English. The course will introduce social cultural, cognitive, and linguistic factors that influence in the literacy/biliteracy process.

It provides students opportunities to apply bilingual/ELL education knowledge as they develop and deliver teaching activities that align to the State standards for English and Spanish Language Arts and Reading Development. This section requires guided and supervised classroom observations, applications, hands on experiences and reflections of such experiences in dual language classrooms working with teachers, students, and parents.

Academic Dishonesty

The University of Texas at El Paso prides itself on its standards of academic excellence. In all matters of intellectual pursuit, UTEP faculty and students must strive to achieve based on the quality of work produced by their individual. In the classroom and in all other academic activities, students are expected to uphold the highest standards of academic integrity. Any form of scholastic dishonesty is an affront to the pursuit of knowledge and jeopardizes the quality of the degree awarded to all graduates of UTEP. It is imperative, therefore, that all faculty insist on adherence to these standards.

Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to cheating, **plagiarism**, collusion, and submission for credit of any work or materials that are not attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. Proven violations of the detailed regulations, as printed in the Handbook of Operating Procedures (HOP) and available in the Office of the Dean of Students, may result in sanctions ranging from disciplinary probation, to failing grades on the work in question, to failing grades in the course, to suspension or dismissal among others. For further information, please refer to

❖ **VOICE OVER INTRODUCTIONS: Creating a Community of Learners**

Introductions are an effective way to meet your classmates and professor – a first impression! However, if the introduction is not created with care and some planning, it can easily turn into a first impression you want to take back. Create a 1-3 slide PowerPoint presentation that must **include one picture of yourself and a voice over of 2-3 minutes only**, introduce yourself to the class. In your presentation, talk about yourself, **what you know about Bilingual Education?** **And, why are you taking this course?** Submit your assignment in the designated area in Blackboard, Module 1.

Included below are web links that guide you in the development of Voice Over. This can be done for any power point. For more information about how to include narrative in presentations, use the following resources.
