What if I have to miss class? Make-up sessions may be done in any of the following ways by working out the details with your instructor:

- Attend any instructor’s session, providing they have room for you, and inform them you need to do a make-up class.
- It is your responsibility to request proof of attendance from that instructor.
- Attend the Friday lab hours and let the instructor know you are doing a make-up.

What if I get behind in Topics? You may make up topics working from home, extra sessions in any instructor’s lab, attending Friday lab, or using online tutoring.

What if I get dropped? If you are in danger of being dropped from the course due to falling behind in topics, hours, or excessive absences, please talk to your instructor immediately. Your instructor will be able to advise you and provide options if any are available. Failing to discuss options with your instructor and/or failing to meet deficiency goals will result in being dropped.
