This course syllabus and reading list may be subject to changes as circumstances warrant. Any such changes will be announced in advance and the syllabus will be updated.

**Course Description:** This course is an interdisciplinary examination of the social, political, and economic forces that characterize Chicana/o identities in American society. By comparing and contrasting historical and contemporary Chicana/o experiences, students will better understand how such issues as masculinity, whiteness, homophobia, nationalism, and globalization re-define, incorporate, or neglect Chicana/o identities in the United States. This course pays close attention to Chicana and third world feminism and the categories of gender and sexuality to better understand how Chicana/o identities challenge and negotiate American norms. Through texts, films, and discussion this class explores a variety of Chicana/o identities and how these identities are produced and conversely destabilized.

### **Learning Outcomes:**

**By the end of this course students will:**

1. Develop the critical thinking and analytical skills necessary for effective communication in a virtual academic community.
2. Connect the past to the present in an effort to better understand their position and the world around them.
3. Identify, analyze, and articulate the central themes in Mexican American identity formation.
4. Understand theories of race, gender, class, ethnicity, and sexuality in the shaping of both geo-political and metaphorical borders.
5. Develop their technology skills and learn to use software available for teaching and learning.
6. View themselves as global citizens.

### **Required Materials:**

- Access to computer and internet
- All readings and videos for the class are posted on the **Blackboard** Learning Management System (LMS) site and are located inside of the Learning Module for any particular week.

All course content will be delivered via the **Blackboard** LMS. To access Blackboard go to <https://my.utep.edu> and click on the “Blackboard” tab on the left-hand side of the page. Follow the link in that box and login using your UTEP login and password.

The Blackboard course shell contains **all** materials related to this course. You will also use Blackboard to send e-mails to your fellow classmates or to me – always remember to include an appropriate subject line to prevent your email from going into the junk mail folder. **All correspondence for this class must be done through Blackboard email.**

\*\*\* **IMPORTANT:** You must get into the habit of checking Blackboard **EVERY DAY** to make sure you do not miss any important announcements.

### **Our Virtual Classroom:**

All communication must be conducted through Blackboard Email. If you email me be sure to include as much information as possible to include your first and last name, title of class, and CRN number. I will respond to you within 24 hours. Please do not send emails to my UTEP address.

**NOTE:** I will be checking Blackboard and my email regularly Monday- Friday between 8:00am – 5:00pm. I do not check email or Blackboard on Saturdays or Sundays.

Online learning is not a spectator sport. It is everyone's responsibility to participate fully so everyone can get the most from the experience. Here are some simple rules to follow to ensure participation and engagement in the learning process:

**Ask Questions:** I have created a Discussion Forum entitled **HELP BOARD**, located under the *General Discussion Forum* tab on the *Home Page*. The *Help Board* is for asking questions related to content OR any problems you are having. Make sure that you have clearly indicated the subject of your message. **If you are having technical difficulties, you will be directed to tech support.**

**Reach Out to Others:** Offer a fact, an article, link or other items that can help others learn something you can share. I have created a Discussion Forum entitled **The Pachuca**, located under the *General Discussion Forum* tab on the *Home Page*. The Pachuca Internet Cafe is for the entire class to share relevant information and to participate in leisure conversations as well. The only requirement is that you treat one another with the utmost respect

Inappropriate behavior/comments online will not be tolerated. Inappropriate behavior WILL BE subject to disciplinary action. I reserve the right to drop you from this course if you use our class as a venue for insulting or insensitive comments, attacks toward other students or the instructor.

### **Required Software:**

Please make sure that all of your computer hardware is working properly and please make sure that you have all of the required software and that the software is up to date. It is very important that your Java software and your Adobe software is up to date. Blackboard works best with Mozilla Firefox and Google Chrome, but does not communicate well with Safari and especially Internet Explorer. Stay away from Internet Explorer.

Please access the Blackboard course shell. On the left hand side of the Home Page under the Course Tools you will see the first link entitled **Are You Ready for Online Learning?** Please access that link and then click on **Check Your Technology**. Read this section carefully to ensure that you have the necessary software. If you do not, you will find links on this page for downloading the necessary software and it is free. You must have *Adobe Acrobat Reader* to access the readings for the class and a media player plug-in to view the assigned videos (*Adobe Flash Player, Windows Media Player, QuickTime Player, VLC Player, etc.*). If you use Google Chrome as your browser, then the Adobe Flash Player is already built in. When creating documents, slide presentations, spreadsheets, etc., you must use *Microsoft Office* or a compatible program (see 10 Free MS Word Alternatives). Be sure you have the appropriate word processing software because if I cannot open your documents, they WILL NOT be graded.

### **Course Policies and Procedures and Grading Rubric:**

I have provided a set of *Course Policies and Procedures*, and a *Grading Rubric*. On the *Home Page* go to the *Course Resources* folder and then click on *Class Policies and Procedures* and/or the *Grading Rubric*. Please access them as soon as possible and familiarize yourself with the do's and don'ts of the course and the grading scales for all assignments. The information provided is extremely important and crucial for your success in this course. I also embedded the Course Policies and Procedures in the first Learning Module: Introduction and Getting Started.

### **Academic Dishonesty:**

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, processing unauthorized materials during a test, or falsifying research data on laboratory reports. **Plagiarism** occurs when someone intentionally or knowingly represents the words or ideas of another person's as ones' own. **Collusion**, involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. Violations will be taken seriously and will be referred to the Dean of Students Office for disciplinary action. Students may be suspended or expelled from the University for such actions.

### **Students with Disabilities:**

I will make any reasonable accommodations for students with limitations due to disabilities, including learning disabilities. Please contact me immediately to discuss any special needs you might have. You must have a documented disability and in order to receive specific accommodations you will need to contact the **Center for Accommodations and Support Services (CASS)** at (915) 747-5148, or by email to [cass@utep.edu](mailto:cass@utep.edu), or visit their office located in UTEP Union East, Room 106 within the first week of class. For additional information please visit the CASS website at [www.sa.utep.edu/cass](http://www.sa.utep.edu/cass)
