Grading

Discussion Boards (10%)

We will be doing a number of Blackboard discussion boards throughout the semester. You are required to participate on each board with TWO comments. First, you must offer your own original comment responding to the prompts. Second, you must offer one response to a classmate.

Led Vocal Warmup (5% of grade)

Each student will lead one 10-15 minute warmup activity – this may be done in person or via zoom as circumstances dictate.

You will be graded on your preparedness and your ability to successfully lead the class through your warmup activity. You will also be graded on your warmup's effectiveness in creating a state of class readiness. In addition to leading the class warmup, you will turn in a written description of your warmup activity as a word doc attached to an email by the end of the week.

Sound Substitution Exercises (15%, 3 at 5% each)

You will be doing three exercises in finding sounds spoken in non-traditional ways. You will document your find and record the difference via youtube. Details to follow.

Monologue in Class Dialect (15%)

As a class, we will be learning one dialect. You will present a monologue to the class in that dialect. This should be not longer than 60 seconds.

Monologue in chosen Dialect or Accent (20%)

You will choose and learn your own dialect or accent and present a monologue to the class in that dialect. This monologue should be not longer than 90 seconds.

Quizzes, Worksheets, and TBA (10%)

We will do a number of written exercises on terminology, reading, and concepts.

Participation and Attendance (25% of grade)

You will be graded on your focus, willing participation, supportive attitude, and individual progress in daily class work. Respect and enthusiasm for the lessons and the work of your fellow actors is a crucial part of this class work.

Grading Scale

You will be assigned a letter grade on each of the above assignments. (A=4.0, B=3.0 etc.) Your final class grade is based on a weighted average of these grades (before any modification for attendance) according to the following scale.

A	=	3.50+	D	=	0.50 - 1.49
B	=	2.50 - 3.49	F	=	Less than .50
C	=	1.50 - 2.49			

Extra Credit: There will be extra credit opportunities associated with the departmental performance events this semester. More to follow.

Class Policies

Attendance: Because of our shared global pandemic, you are never required to physically attend class in person. You may always elect to participate via zoom.

If you choose to attend via zoom you must be on time and have your camera on for the duration of the class.

- If you test positive for COVID, email me and attend class via zoom.
- If you do not feel well, email me and attend class via zoom.
- If someone in your home gets sick and you are not confident about coming to class, email me and attend class via zoom.
- If you simply don't feel safe coming to class, email me and attend class via zoom.

Simply put, I do not want you to physically attend class if you are not secure in your own health and confident that neither your health nor that of your classmates will not be placed at risk.

As long as you communicate your circumstances in writing via email, your grade will NOT suffer as a result.

That said, attendance will still be a crucial part of your final grade. Lateness in person or via zoom is not acceptable. Failing to attend either in person or via zoom is not acceptable. These behaviors will be reflected in the participation portion of your grade.

If you need to be absent, you are still responsible for missed work. Absences do not change the due dates of assignments.

Touching: There will be touching in this class.

The Space: No food or drink is allowed in the studio during class. Doors will be kept open at all times to maximize airflow. Weather permitting, we may hold class outdoors.

Masks: Until further notice, masks will be required in this class at all times.

Social Distance: Maintain a minimum of 6' space from everybody. Further is better.

Covid Testing: I highly recommend that you utilize the University's voluntary testing program. I will be getting tested throughout the semester.

Covid Vaccine: As soon as vaccines become available, I will be getting one. I recommend you do the same.

Phones and Devices: Please bring some device you can use to access Blackboard to class every day. If you do not possess such a device, let me know immediately and we will make other arrangements.

Please do not take out your phone or laptop without first discussing with me. Please do not use devices for non class purposes.

If you need to work out of a script or side, you must have paper or book version of that material. You will not be allowed to read off tablet or phone.

Attire: Please wear clothes you can move in to every class. Please do not wear jeans.

All transgressions of university policy including, but not limited to, plagiarism, cheating, the unauthorized exchange of information for written assignments or tests, theft via the computer or infringement of the rights of other to academic freedom (i.e. disrupting class, disrespectful comments towards classmates or instructor) will result in a failing grade for this course as well as disciplinary procedures as adopted by the university and described in the current student handbook.

For each day that you attend campus—for any reason—you must complete the questions on the UTEP screening website (screening.utep.edu) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to class when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, and alternative instruction will be provided. Students are advised to minimize the number of encounters with others to avoid infection. Wear face coverings when in common areas of campus or when others are present. You must wear a face covering over your nose and mouth at all times in this class. If you choose not to wear a face covering, you may not enter the classroom. If you remove your face covering, you will be asked to put it on or leave the classroom. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from the class and will be subject to disciplinary action according to Section 1.2.3 Health and Safety and Section 1.2.2.5 Disruptions in the UTEP Handbook of Operating Procedures. (classes with on-campus meetings) Please note that if COVID-19 conditions deteriorate in the City of El Paso, all course and lab activities may be transitioned to remote delivery.
