HELP WITH THIS COURSE:

1. Your instructor’s office hours are dedicated to assisting you. This information, as well as Program information, is available at https://www.utep.edu/developmentalmath/.
2. A Developmental Math lab will be open for tutoring most days of the week. Your instructor will give you a schedule of hours, both in person and virtual.
3. Students requiring accommodations for physical or learning disabilities must contact the Center for Accommodations and Support Services, 106 East Union. If you are eligible for accommodations, you are responsible for presenting any DSSO letter and instructions to your instructor as early as possible in the semester.
4. Tell your instructor if you are in special programs such as Athletics, Veterans, ISP, SSSP, START, CAMP, etc.

STUDENT CONTRACT

Your class will be taught utilizing the ALEKS (Assessment and Learning in Knowledge Spaces) system this semester. This program uses an online program to assess your mathematical knowledge and creates a path of instruction unique to your mastery needs. Please review this agreement, then sign and return it to your instructor when you are requested to do so.

I UNDERSTAND: (Please initial each item to confirm you understand the following)

____ I understand this is an actual UTEP course and will be permanently recorded on my transcript.

____ I acknowledge that my instructor will weekly visit with me about my progress in class. If I do not want these discussions to take place in class, it is my responsibility to inform my instructor and arrange another time.

Things which can cause me to be dropped or fail the course

____ Failure to purchase a book and code and use it to create an account and take your initial Knowledge Check by the 2nd day of class will result in being dropped from the course.

____ Failure to work on ALEKS and complete the required weekly topics will result in receiving an ALEKS Student Deficiency Contract. (Average of 20 topics weekly and a minimum of 10 hours weekly)

____ Failure to meet the requirements of the ALEKS Student Deficiency Contract will result in either being dropped from the course or receive a failing grade.

____ Failure to take a scheduled Module Exam without making prior arrangements with the instructor may result in being dropped from the course or receive a failing grade.

____ Exceeding the allowed amount of absences may result in being dropped from the course or receive a failing grade.

____ Class time is for ALEKS work only and the computer may not be used for any other purpose. The use of websites other than ALEKS during class time will result in an absence being counted against you.

____ Failure to complete the course as outlined in the syllabus will result in receiving a failing grade of “U” in the course.

Things NOT allowed during my time in the math program, and which can result in disciplinary action against me. Students in violation of these policies will be turned over to the Office of Student Conduct and Conflict Resolution for cheating.

____ The use of electronics, including cell phones are not allowed. This includes, but is not limited to: listening to music, texting, checking email, looking at social media websites, and making phone calls.

____ The use of websites other than ALEKS to compute mathematical answers or provide “help” is strictly forbidden.

____ You must do my own work and may not allow others to work on your ALEKS account.

____ No electronic devices (other than calculators) may be used to mathematically assist you during your work time on ALEKS. Phone apps, laptops, tablets or any other devices are not allowed during ALEKS work time.
