##### **Quizzes (150 points)**

You will complete a quiz due at the end of each week (FRI). You will be given two attempts for each quiz. The system will record the highest of the two scores. Each quiz is timed. ##### **Short Essay**

Students are required to answer (3) three questions issued by the instructor in proper essay format. Each short essay is **worth 40 points** for a total of **120 points**.

##### **Short Essay Guidelines**

Your short essay response must at least 3 paragraphs in length (intro, body, conclusion). Your response requires in-text citation(s) from the textbook, and/or other outside sources showing where you discovered the answer(s). **WARNING:**

**DO NOT COPY PASTE.** Your submission will be run through plagiarism software. Do not provide direct quotes. Summarize the source information in your own words and cite the author. At the end of your essay provide the full reference to the in-text citation found within the body of the essay.

Review grading rubric provided by instructor for this assignment prior to submission. Late submissions will not be accepted and no credit will be given for submissions after due date.

### **Compare and Contrast Essay (100 points)**

Students are required to complete a compare and contrast essay. Assignment is worth **100** points.

Your essay is due by June 28<sup>th</sup>, 11:59 p.m. (See syllabus calendar). You will submit the essay via blackboard by attaching it as a Microsoft Word file. I will not accept any late papers. After the due date, the submission link will close. I encourage you to turn it in early. Do not email it to me, or submit it in any other manner as required.

In your essay, *compare and contrast* at least two criminological theories related to street gangs.

***The Street Gang Phenomenon:*** One of the common policing problems with a common street gang is the juvenile membership within the gang. Due to lack of culpability, society generally believes juveniles should not be processed through the criminal justice system in the same manner. This encourages recruitment of adolescents into a street gang more attractive. Although there are various reasons for someone to join a gang, there are similar social environments that allow for a criminal street gang to thrive. Criminological theories may explain this phenomenon.

**Assignment Guidelines:** The essay will be formatted and written in APA 6th Edition with a title page and reference page. All research and sources will be cited within the body of the paper with the appropriate use of in-text citations. The paper will be no less than 1000 words and have a minimum of 4 academic quality references. The grading rubric for this assignment may be viewed in the Compare and Contrast Essay submission link in Blackboard. Websites such as Wikipedia, blogs, and social networking forums (e.g., Facebook) are not to be used. Depending on your selected theories, they may be good places to start. However, there is nothing authoritative about these websites and therefore should not be cited in an academic paper. Information obtained from official websites, such as state/federal governments or government agencies, is acceptable and may be used as sources sparingly. I have provided you with an APA formatted paper shell and a presentation on citing and references in your compare and contrast paper

assignment link. Please review the Rubric to see how I will be grading this assignment.

### **Format Guidelines**

**Introduction:** where you explain your thesis or what your essay will discuss.

Should include a thesis statement to show the reader what to expect for the rest of your essay.

**Body:** where you actually list the similarities and differences of your subjects; the largest section.

**Conclusion:** where you wrap up and summarize your points; provide recommendations, solutions, and which theory better explains the street gang phenomenon.

### **Course Summary (5 points)**

Students are required to complete a one-page summary of what was learned (1.5 spacing) in the class. Title page is required.

### **Participation/Attendance (25 points)**

Students are expected to attend class with the required textbook. They should also have note taking materials available. Students are required to read the scheduled chapters in advance in order to participate in classroom discussion. An advantage of the in-person experience (as opposed to an online course) is the ability for students to hear about the material, ask questions, discuss your thoughts, and clarify any areas of confusion you might have. As such, regular attendance is strongly recommended; missing classes may result in participation point deduction.

**Total possible participation points 25.**

### **Extra Credit**

There will be no extra credit offered in this course.

## V. Grading Scale

Points	Letter Grade
540-600	A
480-539	B
420-479	C
360-419	D
0-359	F

**The University Writing Center:** The University Writing Center is located in Library, Room 227. The University Writing Center offers free synchronous online one-on-one writing assistance for UTEP Connect students. Graduate and undergraduate consultants work with writers on projects for a wide variety of classes and provide assistance during all parts of the writing process, including: prewriting, drafting, revising, and editing. Online assistance is available by appointment through the UWC's website ([uwc.utep.edu](http://uwc.utep.edu)). Most UWC consultants are bilingual Spanish and English speakers. Consultants will not edit your paper for you, and you are the one ultimately responsible for the work you submit and the grade you earn. Instead, Writing Center consultants will guide you through the writing process and teach you valuable writing skills. They are open M-Th 9:00-5:00 p.m., Fr 9:00-2:00 p.m., and Sundays 12:00 -5:00 p.m. Appointments are recommended well before the deadline, but they will take walk-ins. Visit the UWC's website to learn more about the services they provide, or make an appointment for an online consultation. Online consultations take place during regular business hours (see website) and must be made at least one day in advance.

## VI. Instructor's Policies

### Withdrawal Procedures

It is the student's sole responsibility to withdraw from the course. I will award an "F" for those who do not attend, nor drop the course. See the school catalog for policies and procedures.

### Academic Honesty

Academic dishonesty will not be tolerated. Students should beware of the UTEP Handbook of Operating Procedures. Academic dishonesty may include, but is not limited to cheating on a test, plagiarism, making false statements and collusion.

"Plagiarism" is defined as the appropriating, buying, receiving as a gift, or obtaining by any means another work and the unacknowledged submission or incorporation of it in one's own written work. This course may utilize third party software that

has the ability to automatically detect plagiarism on documents submitted for grading.

"Collusion" is defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements.

"Cheating on a test" shall include:

- a. Copying from another student's test paper.
- b. Using test materials not authorized by the teacher.
- c. Collaborating with or seeking aid from another student during a test.
- d. Knowingly using, buying, selling, stealing, or soliciting, in whole or in part, the contents of an unadministered test.
- e. Bribing another person to obtain an unadministered test.

Turning in someone else's work as your own constitutes academic dishonesty. A grade of zero (0) will be assigned on any assignment/test found to be obtained under any of the items listed above in numbers 1-5.

### **Student Accommodations Statements**

In Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, if a student needs an accommodation then the Center for Accommodations and Support Services (CASS) located at UTEP need to be contacted. If you have a condition, which may affect your ability to perform successfully in this course, you are encouraged to discuss this in confidence with the instructor and/or the director of the Center for Accommodations and Support Services (CASS) <http://sa.utep.edu/cass/>. You may call 915-747-5148 for general information about the American with Disabilities Act (ADA) and the rights that you may have as a UTEP student with a disability.

Individuals with disabilities have the right to equal access and opportunity. It is the student's responsibility to contact the instructor and the Center for Accommodations and Support Services at The University of Texas at El Paso.

### **UTEP Drop Policy**

If unforeseen circumstances happen where a drop is necessary, *students* are responsible for initiating any course drop. It is the student's responsibility to determine how dropping courses may affect financial aid. Students are limited to dropping no more than 6 courses over their entire academic career of all courses taken at any public college or University in Texas.

1. Students who drop a course *before the "official census date,"* the course will not appear on the transcript, and doesn't count toward the 6-course drop limit.

2. Dropping a course *after the official census date, but before the “course drop date”* will generate a “W” in the course—although the drop shows on your transcript, a “W” does not lower your GPA. However, this type of drop counts against your 6 drop limit.
3. If the course is dropped *after the “course drop date”* or if the student just stops coming/taking tests, etc., UTEP requires the instructor to issue an “F” in the course that permanently remains on the transcript. This type of drop counts against the 6 drop limit.
4. UTEP also allows instructors to administratively drop any student because of excessive absences, lack of effort, or disciplinary reasons. In this case, the student will be notified of the course drop through their UTEP email account. A “W” will be issued if the drop occurs before the course drop date, and an “F” will be issued if a student is administratively dropped for disciplinary reasons or after the course drop date. This type of drop counts against the 6 drop limit.
5. If circumstances occur where a student must miss an excessive number of classes and/or is unable to submit multiple assignments (e.g., student medical reasons, medical conditions of a family member, death of a family member, active military service), they should first discuss the possibility of withdrawal from all classes with their academic advisor. Complete withdrawals from all classes in the same semester do not count against the 6 drop limit.
