**Course Activities and Assessment:**  
**Homework:** Homework will be assigned each class day and students will post solutions on Blackboard. Students will assigned a grade for participation. Selected assignments may also be collected and graded.  
**Exams:** There will be three mid-term exams as well as a final exam. The mid-term exams will be conducted on Blackboard at the class meeting time. Students must not schedule anything that conflicts with this time. The final exam will cover the entire course and will be held Tuesday May 11.  
**Course Grade:** At the end of the semester, you will have percentage scores for your homework and for your mid-term and final exams. The homework and class participation will count 10%, each mid-term exam will count 20%, and the final exam will count 30% toward your course average. Grades will then be assigned according to:  
A: 90-100%  
B: 80-89%  
C: 70-79%  
D: 60-769%  
F: 0-59%. 
If you have problems with the course material, need to be absent for an exam, or have any other circumstances that may affect your performance in the course, contact me by phone or email as soon as possible.

Students taking the course for graduate credit will be required to submit an additional report in addition to the other requirements.

**Drop policy:** The deadline to drop with an automatic W is Thursday April 1. The College of Science Dean’s Office usually will not approve any drops after that date.

**Make-up Policy:** Makeup exams will be given only in extraordinary and unavoidable circumstances and with advance notice to me by phone or email.

**Attendance Policy:** Prompt attendance at all class meetings is expected.

**Academic Integrity Policy:** You are expected to conform to the UTEP policy on integrity. See [http://academics.utep.edu/Default.aspx?tabid=23785](http://academics.utep.edu/Default.aspx?tabid=23785).
